The Board approved and paid an interim Dividend of Rs 5/- per equity share (50%) in February 2017.

Your Directors are pleased to recommend a final dividend of Rs. 8.00 per equity share (80%) for the year ended 31st March, 2017. This final dividend, subject to approval at the 58th Annual General Meeting, will be paid to all the shareholders whose names appear in the Register of members as on the book closure date. The total dividend payout for the financial year is Rs. 15.64 crores on which the dividend distribution tax amounts to Rs. 3.31 crores.

The Company intends to transfer Rs.25.00 crores to the General Reserve. A sum of Rs.38.65 crores is proposed to be retained in the Statement of Profit and Loss.

Management Discussion and Analysis

It is estimated that the global economy grew by 3.1% in 2016, and it is expected to grow at close to 3.5% in 2017, with growth in both emerging and developed economies. The year saw the strengthening of fuel and metal commodity prices over the year. The period was eventful with Brexit, the election of Donald Trump as President of the United States, demonetization in India and the anti-trade rhetoric of international leadership. The good monsoon in the last year, after two lean years saw Indian GDP grew at 7.1%. The current account deficit was contained under 1% and there were strong FDI inflows into the country. Notwithstanding, the global uncertainties, major economies expect higher growth in the year ahead.

After a year of strong growth in the previous year, the market for medium and heavy commercial vehicles was stagnant, with the “pre-buy” ahead of the BS IV deadline in the fourth quarter, offsetting a dip in the market in the preceding two quarters. The tipper segment grew along with the rapid infrastructure activities in the country, and the passenger vehicle market showed a positive trend. The goods carriage segment of the medium and heavy commercial vehicle market was sluggish. In the light commercial vehicle market, the business cycle typically lags that of the medium and heavy commercial vehicle market, though there was reasonable growth.

The passenger car market grew by 11%, driven by new model introduction and effective market segmentation by major vehicle manufacturers. The penetration of alloy wheels in the passenger car segment has reached 27%, limiting the growth of steel wheels.

The rural and agricultural economy were affected by demonetization. However, a good monsoon and a 5.4% rise in the wholesale price index of food articles saw the agricultural tractor market grow by 14%.

The global construction and mining industry struggled through most of the year, with manufacturers shutting down capacities across plants. The lower activity levels across the globe slowed the construction equipment

industry in the year under review. In India, however, the construction equipment market showed good growth driven by active road building in the country. While the global mining equipment saw an increase in commodity prices, it was only towards the end of the year that it started to reflect in increased requirements notably in Asia.

The demand for buses with air suspension systems saw a strong growth in the year under review, with large purchases by state transport corporations and export of buses by OEMs. The buying of buses with air suspension by corporations is a cyclical market with peaks and troughs. The year also saw the full year operation of the Company's lift axle suspension business.

We continued to see growth in the wind energy segment with India adding 5,400MW of windmills in the year under review. Your Company is a major supplier of fabricated and machined parts for this sector and grew along with the industry. The thermal power equipment industry, however, continues to struggle, as there is a shift towards renewable energy in the country.

The Government of India imposed safeguard duties and a minimum import price for steel coming into the country to protect the Indian steel industry, in the year under review. This resulted in an increase in the steel price in India. In the second half following, commodity price increases, the international steel prices have also increased. There were also challenges in managing the foreign currency exposure in the period just after Brexit and at the end of the year when the Rupee appreciated against the Dollar.

Your Company saw sales increase by over 9% in the year under review, partly the effect of higher steel prices. There was also a strong growth in the air suspension business, and good growth in the windmill parts business and tractor wheel business, that helped your Company to show sales growth.

The concerns of low capacity utilization in passenger car steel wheels continued and quarterly variations in

volume affected effective utilization in the truck and tractor wheel lines. Your Company persists with its rigorous cost control review mechanism, strengthened its safety practices across plants, and started a robust quality improvement program across plants. In recognition of its performance, your Company received customer awards from Caterpillar, Ford, Hyundai, Maruti Suzuki, TAFE and Volvo Eicher.

In the coming year, with the expectations of a good monsoon, the economy having remonetized and with the government planning to spend on the rural economy and infrastructure, we expect a higher GDP growth. However, the medium and heavy commercial vehicle segment is likely to marginally decline, post the implementation of BS IV, as the effect of the "pre-buy". The passenger car market is likely to remain decent and the utility vehicle market and tractor markets are likely to improve as the government's focus on rural economy increases. We expect the air suspension business to grow marginally largely due to growth in the lift axle suspension business of your Company. We expect to grow the wheel business to the Indian Defense equipment. The forged aluminum wheel business of your Company should grow as capacities are being put in place in the coming year. We also expect the growth in the windmill parts business to continue. Overall, the coming year is one in which we expect to have similar growth in sales, as in the year under review.

The challenges in the coming year will remain those of cost control at a time of industrial inflation. The other challenge will be of managing foreign exchange risk at a time of relative volatility in the currency markets. Your Company will also need to ensure that it launches new products on time, as a lot of the business growth comes from new products. There are many changes that are likely to come in the coming year including GST, amongst other government initiatives that your Company will have to adapt. In these times of change, much as there are likely to be changes in the way we do business, there are equally opportunities for us to learn and grow.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31.03.2017

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
WHEELS INDIA LIMITED, Chennai

1. We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Wheels India Limited, (hereinafter called the Company). Secretarial Audit was conducted based on records made available to us, in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion/understanding thereon.
2. Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and made available to us and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we, on strength of those records, and information so provided, hereby report that in our opinion and understandings, the Company, during the audit period covering the financial year ended on March 31, 2017, appears to have complied with the statutory provisions listed hereunder and also in our limited review, that the Company has proper and required Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minutes' book, forms and returns filed and other records maintained by the Company and made available to us, for the financial year ended on March 31, 2017 according to the applicable provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder and the Companies Act, 1956 and the rules made thereunder as applicable;
- ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings to the extent applicable;
- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI ACT') to the extent applicable during the year:-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; Not Applicable
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; Not applicable
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; Not Applicable and
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; Not Applicable

We have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS-2) made effective 1st July, 2015.
- ii) The Listing Agreements entered into by the Company with National Stock Exchange of India Limited and The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (effective 1st December, 2015).

During the period under review, the Company has complied in accordance with the requirements to be met with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above to the extent applicable during the year.

We further report that, subject to the above, the related documents that we have come across depict that:

The Board of Directors of the Company is constituted as applicable with proper balance of Executive Directors, Non-Executive Directors and Independent Directors and the changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that based on our limited review of the compliance mechanism established by the Company, there appear adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has sought the approval of its members for following major events:

- Payment of Remuneration / Commission (1% of net profits) to Mr. S Ram, Chairman of the Company
- Appointment of Cost Auditor M/s. Geeyes & Co. for audit of the Cost records of the Company for the year ending 31.03.2017;

We further report that our Audit was subjected only to verifying adequacy of systems and procedures that are in place for ensuring proper compliance by the Company and we are not responsible for any lapses in those compliances on the part of the Company.

Conservation of Energy

Your Company is implementing energy conservation activities in all of its plant locations.

Energy saving projects have been implemented on following themes:

Usage of magnetic flux concentrator for Induction heater, reduction of compressed air leakage, use of variable frequency drives for motors, replacement of lesser efficient motors with energy efficient motors, optimization of motor capacity, use of energy efficient lamps like induction lamps, LED lamps and increased usage of natural lighting during daytime, use of star rated air conditioners, and power factor improvement to reduce energy billing in northern plants.

In our Padi and Sriperumbudur plants, we are sourcing 55% and 85% of our power requirements from wind energy providers. In a limited way, we are using solar thermal energy in one of the Padi paint plants and using briquetted organic material for paint plant thermopac in Sriperumbudur.

Technology Absorption

Your Company has always worked on developing new products for new customer vehicle models and worked on making improvements through value engineering on existing products aimed at light weighting exercises, cost reduction or performance improvement. The year under review on technology showed the development of 221 new products and filing of 3 new patents from your Company.

Your Company has focused on cost reduction and value optimization of its product and process design to manufacture wheels and air suspension kits. These are tested and validated by us prior to introduction into the market. We also work on a technology road

map towards introducing new products to meet future customer expectations. There is a dedicated team of engineers who work through a structured approach towards developing new products and processes.

Your Company has become a major supplier of parts to the wind energy segment. In an effort to widen the scope of supply to the wind energy segment, your Company has entered into a technology transfer agreement with Fluitecnik S A, Spain for the manufacture and supply of hydraulic components for wind energy sector. As per the agreement terms, the technology for several hydraulic component solutions will be transferred over the period of next five years.

Your Company continues its focused approach on resource optimization and yield improvement through continuous improvement programs that look at its internal processes and costs to improve our competitiveness

Independent Auditors' Report on the Standalone Financial Statements

To the Members of Wheels India Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of WHEELS INDIA LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these stand alone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give

a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order) issued by the Central Government of India, in terms of Section 143(11) of the Act, we give in the Annexure "A" to this report, a statement on the matters specified in paragraph 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the company, and the operating effectiveness of such controls, refer to our separate report in Annexure "B" to this report and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note No. 22(i)(b) to the standalone financial statements;

Annexure B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial Controls over financial reporting of Wheels India Limited ("the Company") as at 31st March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed

to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements

for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial

controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Revenue expenditure on Research & Development is charged to profit & loss account in the year in which it is incurred.

viii) Foreign Currency Transactions:

The exchange differences arising on reporting of Long Term Foreign Currency Monetary Items at rates different from those at which the transactions were initially recorded during the financial year, in so far as they relate to depreciable capital assets are added to or deducted from the cost of the asset and are depreciated over the balance life of the asset and in other cases are accumulated in Foreign Currency Monetary Item Translation Difference Account and amortized over the balance period of such long term asset / liability but not beyond 31st March, 2020.

Foreign currency transactions other than the above items outstanding at the year end are accounted for at year end rates and the profit / loss so determined and also the realised exchange gains / losses are recognized in the Profit and Loss statement. In respect of Forward Exchange contracts, the difference between the forward rate and the exchange rate at the date of inception of the contract is recognized as income or expense over the period of the contract. Any profit or loss arising on cancellation or renewal of such forward exchange contracts is recognized as income or expense for the year.

ix) Export Incentives:

Export incentives are recognised as revenue as and when exports are made.

x) Derivative Contracts:

The profit/loss arising on derivative contracts is accounted for as income/expenditure on the date of settlement of the contract.

The outstanding derivative contracts are revalued at the end of the year and the net loss/gain arising there from is recognised in the Profit & Loss account except in case where they relate to borrowing costs that are attributable to the acquisition of Fixed Assets, in which case they are adjusted to the carrying cost of such fixed assets.

xi) Operating Leases:

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognised as an expense in the revenue account as per the lease terms.

xii) Earnings per share:

Earnings per share (EPS) is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year

xiii) Taxes on Income:

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences; being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Other deferred tax assets are recognised if there is reasonable certainty that there will be sufficient future taxable income available to realise such assets.

xiv) Provisions and Contingencies:

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligations. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made.

Notes on Accounts (Contd.)

- 39** In the opinion of the management the Long term Investment in Equity shares of Sundaram Hydraulics Limited is considered as strategic in nature and the diminution in the value of the said investment is considered as temporary in nature in view of the long term business outlook and future growth plans. Hence no provision is considered necessary. However the provision made in the earlier year amounting to Rs. 1.00 crore is retained.
- 40** Final dividend of Rs. 8.00 Per equity share amounting to Rs.9.63 Crores for the Financial year 2016-17 recommended by Board of Directors which is subject to the approval of shareholders at the ensuing Annual General meeting is not recognised as liability as at the date of Balance sheet.

44 Employee Benefits

The Company has followed the Accounting Standard 15 (AS-15 revised) "Employee Benefits".

Brief Description of the plans:

The Company has various schemes for long term benefits such as Provident Fund, Superannuation, Gratuity and Earned Leave Encashment. In case of funded schemes, the funds are recognized by the Income Tax Authorities and administered through trustees / Life Insurance Corporation of India. The Company's defined contribution plans are Provident Fund and Employees Pension Scheme (under the provisions of the Employee's Provident Funds and Miscellaneous Provisions Act, 1952) and Superannuation Fund. The Company has no further obligation beyond making the contributions.

In respect of the Employees Provident Fund Scheme, the interest payable by the trust to the beneficiaries as per the rate notified by the government is met by the trust with Contribution from the Company and hence the company has no obligations towards this interest contribution. The liability in respect of leave encashment benefit to staff is determined on the basis of actuarial valuation and provided for accordingly.

Independent Auditor's Report on the Consolidated Financial Statements

To the Members of Wheels India Limited

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated financial statements of WHEELS INDIA LIMITED and its associate (together referred to as "the Company"), which comprise the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company including its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Company and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give

a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Other Matters

The Consolidated financial statements include the Company's share of net profit of Rs.0.95 Crores for the year ended 31st March 2017, in respect of its associate, whose financial statements are unaudited. These financial statements / financial information have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate, and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid associate, is based solely on such unaudited financial statements / financial information.

Our opinion on the consolidated financial statements, and our report on other Legal and Regulatory requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors of the Company, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the company, and the operating effectiveness of such controls, refer to our separate report in Annexure "A" to this report and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

Annexure A to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Wheels India Limited ("the Company") and its associate as at 31st March, 2017 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable

assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and

the receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company and its associate has, in all material respects, an adequate internal financial

controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to the associate company has been certified by the Management of the associate company.

Consolidated - Notes on Accounts

A Principles of Consolidation:

The Consolidated Financial Statements relate to Wheels India Limited ('the company') and the Company's share of profit in its associate. The Consolidated Financial Statements have been prepared on the following basis:

- a) The financial statements of an associate used in the consolidation are drawn upto the same reporting date as that of the Company i.e. 31st March, 2017.
- b) The Consolidated Financial Statements include the share of profit of an associate company which have been accounted for using equity method as per Accounting Standard (AS) 23 accounting for Investments in Associates in Consolidated Financial Statements. Accordingly, the share of profit of the associate company has been added to the cost of investments.
- c) The difference between the cost of investments in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the Consolidated Financial Statements as Goodwill or Capital Reserve as the case may be.
- d) Following associate has been considered in the preparation of the Consolidated Financial Statements:

Name of the Entity	Relationship	Country of Incorporation	% of Holding and Voting Power
Axles India Limited	Associate	India	9.51%

The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

B Significant Accounting Policies:

i) General:

The financial statements have been prepared on the historical cost convention in accordance with generally accepted accounting principles.

ii) Fixed Assets and Depreciation:

- a) Fixed assets are stated at historical cost net of CENVAT and VAT credits as reduced by accumulated depreciation.
- b) Depreciation on fixed assets has been provided under the straight Line Method, in accordance with Schedules II of Companies act, 2013.
- c) Leasehold land:
Premium paid on leasehold land is amortised over the lease period.
- d) The cost of software relating to ERP is amortised over the estimated useful life viz. 5 years. The cost of other intangible assets are amortised over the estimated useful life viz. 3 years.
- e) (i) The expenditure during construction period relating to the new projects till the commencement of commercial production is capitalised and allocated to fixed assets.
(ii) In accordance with AS 16 - Borrowing costs issued by the ICAI, the borrowing costs attributable to the new projects are capitalised till the commencement of commercial production and included in expenditure during construction period and allocated to fixed assets and other borrowing costs are recognised in the year in which it is incurred.
- f) Grants received from Government based on Investment in Fixed assets are reduced from the cost of Fixed assets.

**iii) Investments:**

- a) Long term investments are stated at cost less provision for diminution other than temporary if any, in value of such investments.
- b) Current investments are stated at the lower of cost and fair value.

iv) Inventories:

The stock of raw materials, stores, loose tools and goods in transit are valued at cost (net of CENVAT and VAT credits on weighted average basis). The stock of finished goods and work-in-process are valued at cost (net of CENVAT and VAT credits including appropriate overheads) or market value whichever is lower.

v) Revenue recognition

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have been transferred. Service revenues are recognised when services are rendered. Interest income is recognised on time proportion basis. Dividend income is recognised when rights to receive payment is established

vi) Staff terminal benefits:

- a) Provident Fund:

Eligible employees receive benefits from Provident Fund which is defined contribution plan. Both, the employees and the Company make monthly contributions to the regional provident fund authorities/ Company's Employees Provident Fund Trust, equal to specified percentage of eligible covered employees salary. The Company has an obligation to make good the shortfall, if any, between the return from the investments made from the Trust and the notified interest rate.

- b) Gratuity:

The gratuity plan provides for a lump sum payment to vested employees eligible for gratuity at the time of retirement, death, incapacity or termination of employment. Liabilities with regard to the gratuity plan are determined by actuarial valuation as at the Balance Sheet date based upon which the Company contributes all the ascertained liabilities to LIC, who is the administrator of the plan.

- c) Superannuation:

Eligible employees receive benefit from Superannuation at the time of retirement, death or leaving the services. The Company makes an annual contribution to LIC of India, equal to a specific percentage of the eligible employee's basic salary. Apart from this, the Company has no other obligation under this head.

- d) Unencashed Leave Salary:

Unencashed leave salary is accounted on actuarial valuation and the Company contributes part of the ascertained liabilities to SBI Life Insurance Company Limited, who is the administrator of the plan.

vii) Research & Development expenses:

Revenue expenditure on Research & Development is charged to profit & loss account in the year in which it is incurred.

viii) Foreign Currency Transactions:

The exchange differences arising on reporting of Long Term Foreign Currency Monetary Items at rates different from those at which the transactions were initially recorded during the financial year, in so far as they relate to depreciable capital assets are added to or deducted from the cost of the asset and are depreciated over the balance life of the asset and in other cases are accumulated in Foreign Currency Monetary Item Translation

Difference Account and amortized over the balance period of such long term asset / liability but not beyond 31st March, 2020.

Foreign currency transactions other than the above items outstanding at the year end are accounted for at year end rates and the profit / loss so determined and also the realised exchange gains / losses are recognized in the Profit and Loss statement. In respect of Forward Exchange contracts, the difference between the forward rate and the exchange rate at the date of inception of the contract is recognized as income or expense over the period of the contract. Any profit or loss arising on cancellation or renewal of such forward exchange contracts is recognized as income or expense for the year.

ix) Export Incentives:

Export incentives are recognised as revenue as and when exports are made.

x) Derivative Contracts:

The profit / loss arising on derivative contracts is accounted for as income / expenditure on the date of settlement of the contract.

The outstanding derivative contracts are revalued at the end of the year and while the net loss arising there from is debited to profit and loss account, the net unrealised gain is ignored, except in case where they relate to borrowing costs that are attributable to the acquisition of Fixed Assets, in which case they are adjusted to the carrying cost of such fixed assets.

xi) Operating Leases:

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognised as an expense in the revenue account as per the lease terms.

xii) Earnings per share:

Earnings per share (EPS) is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year.

xiii) Taxes on Income:

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences; being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Other deferred tax assets are recognised if there is reasonable certainty that there will be sufficient future taxable income available to realise such assets.

xiv) Provisions and Contingencies:

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligations. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made.
