

Wheels India profit up by 48%

NT Bureau

Chennai, May 30:

Wheels India Limited registered a 48.3 per cent rise in its net profit for the year ended 31 March, at Rs 59.31 crore as compared to Rs 39.99 crore, a year before. Addressing mediapersons here, the company's managing director Srivats Ram said revenues for the year rose to 9.4 percent to reach Rs 2176 crore from Rs 1989 crore registered in the previous year.

A final dividend of Rs eight per share was also announced. 'This along with the interim dividend of Rs five per share declared earlier in the year takes the total dividend of the year to Rs 13 per share,' he said. Speaking about fourth quarter results, he said the net profit this year went up to 8.4 per cent to reach Rs 18.40 crore as against Rs 16.97 crore registered in the same period that ended on 31 March 2016.

Revenues increased by 9.7 per cent and reached Rs 557.49 crore from Rs 508.04 crore. On performance Srivats Ram, said, 'FY 17 has been a satisfying year of growth and profits. The business in air suspension and the windmill segments saw good growth. Other than the non-wheel business, there was reasonable growth in the domestic agricultural tractor sector.'

The company expanded its presence in the non-wheels segment with the business now contributing over 15 per cent and this is likely to increase in the coming years. Over 50 per cent of the revenue growth came from the non-wheels business, he said. Speaking about the outlook for financial year 2018, he said, 'The company has made a sizeable investment in capacity expansion both for Aluminium wheels as well as wind energy components over the last 12 months and this is expected to reflect in revenue growth this year.'

The growth in exports would be driven by forged aluminum wheels where we are increasing capacity during the year. 'We expect the commercial vehicle segment to be sluggish this year given the 'pre-buy' prior to the BS IV changeover,' he said.

Srivats Ram
registered in the same period that ended on 31 March 2016.

The largest deal in the Indian restaurant sector if it goes through. Meanwhile, senior management team of A2B has refused to comment on the deal, saying that nothing is official now.
