Annexure to the Notice

EXPLANATORY STATEMENT UNDER SECTION 102 OF THE COMPANIES ACT, 2013

Special Business

Item No. 3

The Board, based on the recommendations of the Audit Committee, has approved the appointment of the Cost Auditors, M/s. Geeyes & Co., Cost and Management Accountants at a remuneration of Rs.7,50,000/(Rupees Seven Lakh Fifty Thousand only) per annum plus taxes, as applicable, travel and reimbursement of out of pocket expenses, at actuals, to conduct the audit of the cost records of the Company for the financial year ending March 31, 2022.

In accordance with the provisions of the Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor has to be ratified by the shareholders of the Company. Accordingly, consent of the members is being sought for passing the resolution as set out in the Notice for ratification of the remuneration payable to the Cost Auditor for the financial year ending March 31, 2022. The Board recommends the resolution set forth in the Notice for the approval of the Members.

The ordinary resolution as set out under Item No. 3 of the Notice is accordingly submitted to the members for consideration. None of the Directors / Key Managerial Personnel / their relatives are, in any way, concerned or interested, financially or otherwise, in this resolution.

Item No. 4

In terms of Section 152 (6) (c) of the Companies Act, 2013, one-third of such of the Non-Independent Directors as are liable to retire by rotation, shall retire at every Annual General Meeting. Section 152 (6) (d) of the Companies Act, 2013 provides that the Directors to retire by rotation at every Annual General Meeting shall be those who have been longest in office since their last appointment.

Further, in terms of Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the appointment / continuity as a Non-Executive Director who has attained the age of 75 years requires passing of a Special Resolution.

Accordingly, Mr. S Viji, Director, aged 75 years, is due for retirement and eligible for re-appointment at the 62nd Annual General Meeting, based on the duration in office since the last re-appointment.

Mr. S Viji holds a bachelor's degree in commerce from the University of Madras and a master's degree in business administration from the University of Michigan, Ann Arbor. He is also an associate member of the Institute of Chartered Accountants of India and has more than four decades of experience in financial services and the automotive industry. He has been on the Board of the Company since July 31, 1986. The Board feels that his association with Company is favourable and necessary for the Company for its continual growth. Accordingly, a Special Resolution is submitted for your consent.

The special resolution as set out under Item No. 4 of the Notice is accordingly submitted to the members for consideration. Except Mr. S Ram and Mr. Srivats Ram, none of the other Directors / Key Managerial Personnel of the Company / their relatives is in anyway concerned or interested, financially or otherwise, in the Resolution.

The additional disclosures as required under the Act, Secretarial Standard-II and Regulation 36 of the SEBI LODR have been provided as an Annexure to this Notice.

Item No. 5

The payment of commission to Mr. S Ram, Non-Executive Director was approved by the members at their 57th Annual General meeting.

In terms of Regulation 17 (6) (ca) and other applicable provisions, if any, of the Securities and Exchange Board of India (Listing Obligations and disclosure Requirements) Regulations, 2015 (including any amendments, modification(s), variation or re-enactments therefore for the time being in force, the Board is of the view that the commission payable to Mr. S Ram, Non-Executive Director during the financial year ending March 31, 2022 may exceed fifty percent of the total remuneration payable to all

Non-Executive Directors of the Company and thus it is necessary to take approval of shareholders by way of special resolution.

INSTRUCTIONS TO SHAREHOLDERS

A) FOR REMOTE E-VOTING:

- i. The e-voting period shall commence on August 01, 2021 (Sunday) at 9:00 A.M (IST) and ends on August 03, 2021 (Tuesday) at 5:00 P.M (IST). During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of July 28, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- Members who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
- Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the members. In order to increase the efficiency of the voting process, pursuant to a public consultation, SEBI has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 09, 2020 on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Management Discussion and Analysis

The global pandemic COVID-19 wreaked havoc across the global economy resulting in a global contraction of -3.5% in 2020. In the second half of the year, most economies started opening up their economies leading to some economic recovery. The mass vaccination has given confidence to the global economy that is expected to grow at 5.5% in 2021.

The Indian economy was not an exception to the health crisis in 2020-21. In response to the pandemic, the government took several proactive and mitigating measures. In order to control the spread of the virus in the country, the Government of India imposed a period of lockdown from the latter part of March to the middle of May in the year under review, with a dramatic reduction in economic activity across industries. The lockdown measures, ubiquitously affected employment, business, trade, manufacturing, and services activities.

The reduction in the national economic activity in the first quarter was so severe that despite a reasonable recovery in the latter part of the year, the Indian economy is expected to have contracted to the extent of -7.3% in 2020-21, despite a fairly strong performance by the agricultural sector.

Your Company was considerably hit by the lockdown in the first quarter of the year under review, as in addition to the stopping of operations across plants during the lockdown, we followed the direction of the government to pay full salaries for permanent and temporary staff even when they were not deployed for the period. This resulted in a significant loss in the first quarter of the year under review. As operations resumed postlockdown, your Company established strict protocol for operations at its plants and these are being strictly followed. The economy started slowly reviving in the second quarter with demand strengthening in the third and fourth quarters of the year under review, enabling your Company to make a marginal profit for the year.

In addition to the swing in activity levels across your Company's business segments, the fortunes of different segments varied. Despite the lockdown period, your Company was able to grow its export business, which formed more than 25% of your Company' sales in the year.

In the automotive segment for both the passenger car and commercial vehicle segments, BS-VI emission norms came into force from April 1, 2020, notably increasing the cost of commercial vehicles. There was very little activity in these segments in the first quarter of the year. Following the opening up of the economy, post-lockdown, there was pent-up demand and a preference for personal mobility as opposed to shared mobility that drove demand in the passenger vehicle segment. There was increased cast aluminium wheel penetration further reducing demand for steel wheels.

In the commercial vehicle segment, demand took a longer time to return. However, the growth of e-commerce resulted in decent demand for intermediate commercial vehicles and small commercial vehicles. There was a fair amount of work on the infrastructure development that was being done driving the demand for tippers, particularly in the second part of the year. Despite this, the commercial vehicle industry faced its second consecutive year of significant decline in sales.

The agricultural tractor segment was driven by strong fundamentals including high water levels at reservoirs, good monsoons, higher minimum support prices and availability of financing. These favorable factors and the fact that the first wave of the pandemic had less impact on rural India, resulted in buoyant growth for agricultural tractors in the country. In addition to the domestic market, your Company has been successful in increasing its exports to global tractor customers.

Following the lockdown, the domestic construction equipment market saw strong demand, driven by the high infrastructural development in the country. The demand from international construction equipment customers, where your Company is a major supplier, showed strong growth towards the latter part of the year as the global economy started recovering.

The pandemic and slowing economic cycle affected demand for railway and windmill components in the country. However, your Company has become a part of the global supply chain for windmill manufacturers and was able to grow the export business, as demand for clean energy and windmills grows in the developed countries.

The air suspension business was the worst hit segment of your Company's business, with demand for bus and truck suspension being negligible throughout the year, barring the last four months of the year.

Your Company and its employees have tried their utmost to meet or exceed customer expectations under very trying circumstances in the year under review. It was heartening to note that your Company, has been recognized as the Partner of the Year by Mahindra & Mahindra's Farm Sector.

Your Company commissioned a state-of-the-art cast aluminium wheel plant at Thervoy Kandigai, investing ~Rs 180 Crore to create a capacity of 350,000 wheels a year that with incremental investment could be increased to 750,000 wheels a year.

There was persistent industrial inflation with significant increases in steel and aluminium prices in each of the last two quarters of the year under review. The revival of the global economy is likely to ensure that metal prices remain strong even in the coming year.

The debtor and inventory turnover ratios appear deterioration compared to the previous year as a large part of the sales in the year under review was in the last few months. The period of lockdown in the first quarter and the loss incurred therein adversely affected the operating and net profit margin, as also the return on net worth and interest coverage ratio.

At the end of 2019-20, Titan Europe Limited was a promoter in your Company with a 20% stake. Subsequently, by the end of June 2020, they completely exited the Company and hold no shares in your Company, we received an approval for reclassification of Titan Europe Limited from "Promoter and Promoter group category" to "Public category" on March 23, 2021.

While it is expected that the global economy will grow at 5.5% in the coming year, it is expected that the Indian economy could grow moderately in the coming year, despite waves of pandemic affecting the country.

The demand for passenger and commercial vehicles in the coming year are likely to depend on the extent of lockdowns in states as the country goes through waves of the pandemic. It is expected that the agricultural tractor segment could see some growth, as many of the favorable factors that were present in the year under review, are expected to continue. The air suspension, windmill, and railway component domestic business will also be dependent on the effect of the pandemic on the economy.

We anticipate growth in the export business of your Company in three areas.

In the area of off-highway wheels, after the exit of Titan Europe, we have been able to win new business from international equipment manufacturers. This new business is expected to boost the export of both agricultural tractor wheels and construction wheels in the coming year.

Your Company has been able to establish itself as a supplier of forged aluminium wheels to the American and European markets. This business is expected to be strong in the coming year. Your Company has also started to manufacture cast aluminium wheels for the American after-market distributed by our existing customer. The demand for wheels from the new plant is expected to grow in the coming year.

In the last year, your Company established itself as a supplier of components to windmill manufacturers globally. There is anticipated to be strong demand for windmills in the west as developed countries look at increasing renewables in their energy mix. We are well placed to benefit from this trend.

Your Company had a small unit making large fabricated steel parts for thermal power plants. Your Company has decided to exit this business, as it is not profitable and has bleak prospects. It is expected that sale of the business will take place in the coming year.

The coming year will likely to carry all the uncertainty of a pandemic hit economy, both on the demand and supply side. It will also be a year where commodity inflation is likely to continue to affect your Company. Despite these factors, we are confident that we will be able to significantly grow our exports and mitigate to some extent risk from domestic demand fluctuations due to waves of the pandemic.

Your Company has a joint venture with Topy Industries Limited for manufacture of passenger car steel wheels named WIL Car Wheels Limited. This business was badly affected by the lockdowns, as demand for steel wheels declined not only due to muted demand for cars, but also due to the increasing penetration of cast aluminium wheels. The prospects for this business will depend on how the country and economy manages the pandemic in the coming year.

The year under review was a most difficult year for the Company that we have been able to manage, thanks to the dedication, bravery and efforts of our employees, the support of our bankers, customers and suppliers.

The Members,

WHEELS INDIA LIMITED.

Chennai

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. **Wheels India Limited**, (hereinafter called the Company). Secretarial Audit was conducted based on records made available to us, in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion/understanding thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and made available to us and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we, on strength of those records, and information so provided, we hereby report that in our opinion and understandings, the Company, during the audit period covering the financial year ended on March 31, 2021 appears to have complied with the statutory provisions listed hereunder and also in our limited review, that the Company has proper and required Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minutes' book, forms and returns filed and other records maintained by the Company and made available to us for the financial year ended on March 31, 2021 according to the applicable provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made there under and the Companies Act, 1956 and the rules made there under as applicable;
- ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings to the extent applicable;
- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI ACT') to the extent applicable during the year:
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 as substituted by the Securities and Exchange Board of India (Issue of Capital And Disclosure Requirements) Regulations, 2018;
- d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 as substituted by Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 as substituted by the Securities and Exchange Board of India (Buy-Back of Securities) Regulations, 2018.

We have also examined compliance with the applicable clauses of the following:

- Secretarial Standards issued by The Institute of Company Secretaries of India with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS-2).
- ii) The Listing Agreements entered into by the Company with National Stock Exchange of India Limited and The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied in accordance with the requirements to be met with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above to the extent applicable during the year.

It is represented to us that the Company has initiated measures, wherever required, to address issues raised by the statutory authorities and letters/notices received by the Company during the financial year under various enactments as applicable to the Company.

We further report that, subject to the above, the related documents that we have come across depict that:

The Board of Directors of the Company is constituted as applicable with proper balance of Executive Directors, Non-Executive Directors and Independent Directors and the changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that based on our limited review of the compliance mechanism established by the Company, there appear adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the Company has sought the approval of its members for following major events other than transaction of ordinary business at the Annual General Meeting / Postal ballot:

- a. Payment of remuneration to Cost auditors to conduct the audit of the Cost records of the Company for the financial year ending 31st March, 2021;
- b. Appointment of Mr. Rishikesha T Krishnan (DIN: 00064067) as an Independent Director
- c. To approve payment of minimum remuneration to Mr. Srivats Ram, Managing Director in the event of loss or inadequacy of profits during any financial year commencing from 1st April, 2020;
- d. Reappoint Mr. S Ram (DIN: 00018309) as Director liable to retire by rotation and approve his continuation on the Board;
- e. Approve continuation of Mr. S. Viji (DIN: 00139043) as Non-executive Director;
- f. Approve the payment of commission to Mr. S. Ram (DIN: 00018309) Chairman (Non-Executive) of the Company pursuant to SEBI (LODR) Regulations, 2015 as amended;
- g. Approval for re-classification of Titan Europe Limited from the 'Promoter and Promoter Group' category to the 'Public Shareholder' category.

We further report that our Audit was subjected only to verifying adequacy of systems and procedures that are in place for ensuring proper compliance by the Company and we are not responsible for any lapses in those compliances on the part of the Company.

With respect to the applicable financial laws such as direct and indirect tax laws, based on the information & explanations provided by the management and officers of the Company and certificates placed before the Board of Directors, we report that adequate systems are in place to monitor and ensure compliance.

We further report that we have conducted entire secretarial audit only through online verification and examination of records, as requested and facilitated by the Company, due to prevailing Covid situation for the purpose of issuing this Report.

Energy Conservation, Technology Absorption and Foreign Exchange Earnings & Outgo

Conservation of Energy

Your Company has included energy efficiency at the design stage for new projects executed during the year. This includes usage of energy efficient transformers, screw air compressors, chillers, motors, pumps, LED lighting, BLDC fans, and star rated air conditioners. Your Company has implemented various energy conservation activities across all plant locations.

There is a continuous focus on pneumatic systems within plants to identify and eliminate leakage points, and also to reduce compressed air consumption. Further, compressed air flow meters have been installed to monitor air consumption and air leakage. Your Company has substituted pneumatic tools with electric tools to reduce energy consumption. The broad use of energy efficient devices has lowered the electricity consumption.

Your Company extensively uses renewable energy sources to power its factories. For Tamil Nadu plants, approximately 55% of the energy is powered by wind energy.

Technology Absorption

The benefits of 5 stage structured process in the new product development was evident by faster and timely completion of new products. Especially during the pandemic where employees are in multiple locations, this process has helped review and make decisions on new products on-line, which enables teams to stay connected and work seamlessly from remote locations. With the new process, your Company is also focused on digitizing data and reducing the time for analysis and product development.

This year your Company has introduced more than 250 new products across different product segments. Your Company is putting in extra effort to launch innovative products with improved safety, reliability, and performance.

In the year 2020-21, your Company has started supplying very large diameter wheels for large mining trucks to OEMs. Your Company has also invested in R&D competence for agricultural tractor wheels and forged aluminium wheels for global customers. In addition, your Company has invested in the research and development of cast aluminum wheels for cars and SUVs with 100+ new products developed in the year in review.

Your Company has developed and validated 12.5T Lift Axle System, TPMS for commercial vehicles and will start supplying customers in the coming year. Your Company has indigenised Central Tyre Inflation System this year and this product is being validated in the field. For electric vehicles, your Company has developed steel wheels, cast and forged aluminium wheels, and air suspension system for domestic manufacturers. Your Company has indigenously developed Ride & Retraction Control System for Defense Gun Carrier under the Atmanirbhar Bharat program.

INDEPENDENT AUDITOR'S REPORT

To the Members of Wheels India Limited Report on the Audit of the Standalone Financial Statements

1. Opinion

We have audited the Ind AS financial statements of Wheels India Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2021, and the statement of Profit and Loss, statement of changes in Equity and statement of Cash Flows for the year then ended, and notes to the Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and Profit, changes in Equity and its Cash Flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with

these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Emphasis of Matter

We draw attention to Note No.50 of the Statement wherein the Company has disclosed its Assessment of the Covid-19 pandemic. As mentioned therein, the assessment of the Management does not indicate any material effect on the carrying value of its assets and liabilities of the Company on the reporting date or any adverse change in the ability of the Company to continue as a Going Concern. The assessment of the Management is dependent on the circumstances as they evolve considering the uncertainties prevailing in the economic situation.

Our opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

5. Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The

other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting

records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

7. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the

aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that

a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

8. Report on Other Legal and Regulatory Requirements

i) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" to this report a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- ii) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in

accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 28(i)
 (b) to the financial statements.
- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
- (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

"Annexure - B" to the Auditors' Report Referred to in Paragraph 8 of Our Report of Even Date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Wheels India Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over **Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to

error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

A. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified under Companies (Indian Accounting Standards) Rules 2015.

The financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently for all the periods presented in the financial statements.

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

The Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company's normal operating cycle has been ascertained as 12 months based on the nature of products and the time between acquisition of assets for processing and their realisation in cash or cash equivalents.

b) These financial statements are prepared under the historical cost convention unless otherwise indicated.

c) Property, Plant and Equipment

- a) Property, plant and equipment is stated at acquisition cost net of GST credits as reduced by accumulated depreciation and accumulated impairment losses, if any.
- b) Depreciation on Property, Plant and Equipment has been provided under the Straight Line Method in accordance with Schedule II of the Companies Act 2013.
- c) Leasehold Land: Premium paid on Leasehold Land is amortised over the lease period.
- d) The expenditure during construction period relating to the new project till the commencement of commercial production is capitalised and allocated to the relevant equipments.
- e) In accordance with IndAS 23, the borrowing costs attributable to the qualifying assets that necessarily takes substantial period to get ready for its intended use are capitalised.
- f) Grants received for Investment in Property Plant & Equipment are recognized in Statement of Profit or Loss on a systematic basis over the useful life of the asset.
- g) The cost of software relating to ERP is amortised over the estimated useful life viz., 5 years. The cost of other intangible assets are amortised over the estimated useful life viz., 3 years.
- h) Upon first time adoption of IndAS, the carrying value of all the assets as at Transition date i.e. 01st April 2016 has been considered as its Deemed cost.

d) Investments in Subsidiaries and Associates

Investments in subsidiaries and associates are carried at cost less accumulated impairment losses if any.

e) Inventories

The stock of raw materials, stores, loose tools and goods in transit are valued at cost (net of GST credits) on weighted average basis. The stock of finished goods and work-in-progress are valued at cost (net of GST credits including appropriate overheads) or net realisable value whichever is lower."

f) Financial instruments

i) Financial assets:

Financial asset is recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss, its transaction cost is recognised in the Statement of profit and loss. In other cases, the acquisition cost of the financial assets is net of the attributable transaction cost. Financial assets are subsequently classified and measured at:

- i) Amortised cost or
- ii) Fair Value through profit and loss(FVTPL)
- iii) Fair Value through other comprehensive income (FVTOCI)

Trade receivables and Loans:

Trade receivables and Loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using Effective Interest Rate method net of any expected credit losses. The Effective Interest Rate is the rate that discounts estimated future cash receipts through the expected life of financial instrument.

Investments:

All investments in equity instruments (other than in Subsidiaries and Associates covered under (d) above) classified under financial assets, are initially measured at fair value. Fair Value changes on an Equity instruments is recognised in the Statement of Profit and Loss or Other Comprehensive Income, as the case may be. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss."

ii) Financial liabilities:

Financial liabilities are initially measured at amortised cost. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost using Effective Interest Rate method.

g) Provisions and Contingent liabilities:

Provisions are recognised when the Company has a present obligation as a result of an event and is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligations. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurence or non-occurence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that a outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

h) Revenue recognition:

Revenue from the sale of goods is recognised when the control over the goods have been transferred to customers. Service income is recognised once the obligations are performed. Interest income is recognised at Effective Interest Rate method. Dividend income is recognised when right to receive the payment is established. Export incentives are recognised as revenue as and when exports are made.

i) Employee Benefits

Provident Fund:

Eligible employees receive benefits from Provident Fund which is defined contribution plan. Both, the employees and the Company make monthly contributions to the regional provident fund authorities/ Company's Employees Provident Fund Trust. The Company has an obligation to make good the shortfall, if any between the return from the investments made from the trust and the notified interest rate accrued to the employees account.

Gratuity:

The gratuity plan provides for a lump sum payment to vested employees eligible for gratuity at the time of retirement, death, incapacity or termination of employment. Liabilities with regard to the gratuity plan are determined by actuarial valuation as at the Balance Sheet date based upon which the Company contributes all the ascertained liabilities to LIC, which is the administrator of the plan.

Unencashed Leave Salary:

Unencashed leave salary is accounted on actuarial valuation and the Company contributes part of the ascertained liabilities to SBI Life Insurance Company Limited, which is the administrator of the plan.

Others:

Contributions to defined contribution schemes such as Employees State Insurance, Superannuation are charged as expenses based on the amount of contribution required to be made. These benefits are classified as defined contribution schemes as the Company has no obligation beyond what has been recognised as expense in the Statement of profit and loss.

i) Research & Development expenses:

Revenue expenditure on Research & Development is charged to profit & loss account in the year in which it is incurred.

k) Leases:

The Company has applied IND AS 116 using modified retrospective approach. The Lease liability is initially measured at the present value of remaining payments as at the commencement date discounted using the lessee's incremental borrowing rate. The cost of Right of Use Assets shall comprise of amount of initial mesurement of lease liability adjusted for any payments made after or before the commencement of lease term less any lease incentive received. The Leased Assets are depreciated on straight line basis over the period of lease.

I) Foreign Currency Transactions

"Transactions in Foreign currencies are accounted at the rates of exchange prevailing as on the date of the transaction. Exchange differences arising on the settlement of such transactions are recognised in the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currency are reinstated at the rate of exchange prevailing on the reporting date."

m) Derivative contracts:

Forward contracts are entered to hedge the foreign currency risk. The profit/loss arising on these contracts is accounted for as income/ expenditure on the date of settlement of the contract.

The outstanding contracts are Marked to Market on the reporting date and the net loss/ gain arising therefrom is recognised in the Statement of Profit and Loss.

n) Earnings per share:

Earnings per share (EPS) is computed by dividing the net profit/ (loss) after tax for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year

o) Income taxes

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised using the Balance sheet approach. Deferred tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Other deferred tax assets are recognised if there is reasonable certainty that there will be sufficient future taxable income available to realise such assets.

Deferred tax assets and liabilities are measured at the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Other financial liabilities	134.74	157.44

B. Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 hierarchy - Includes Financial Instruments measured using quoted prices in the active market.

Level 2 hierarchy - The Fair value of Financial Instruments that are not traded in an active market, is determined using valuation techniques which maximise the use of observable market data.

Level 3 hierarchy - Includes Financial Instruments for which one or more of the significant inputs are not based on observable market data. This is applicable for unlisted securities.

As at March 31, 2021	Level 1	Level 2	Level 3
Financial Assets :			
Equity shares	-	-	10.26
Derivative financial instruments	-	-	-
Financial Liabilities :

Derivative financial instruments	-	22.65	-
Financial Liabilities :			
Derivative financial instruments	-	-	-

- i) The Fair value of an Equity Instruments classified as at Fair value through profit or loss included under Level 3 Investments is determined using Cost approach.
- ii) The Fair value of an Equity Instrument classified as at Fair value through Other Comprehensive Income included under Level 3 Investments is determined using Discounted Cash flow technique.
- iii) Valuation inputs for Discounted Cash flow technique are as follows:

For the year ended

Significant Unobservable Input	31.03.2021	31.03.2020
a) Risk adjusted discount rate	9.58%	11.52%
b) Earnings Growth rate	2.00%	2.00%

- iv) There are no transfers between Level 2 and Level 3 during the year.
- v) Trade Receivables, Trade Payables, Cash and Cash Equivalents and Other Financial Assets and Liabilities are stated at amortized cost which approximates their fair value.

C. Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. The Risk management policies have been established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review and reflect the changes in the policy accordingly.

a) Management of liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities. In doing this, management considers both normal and stressed conditions.

The Company regularly monitors the rolling forecasts and the actual cash flows to service the financial liabilities on a day-to-day basis through cash generation from business and by having adequate banking facilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

Rs. In Crores

	Payable within one year	More than one year	Total
As at 31st March, 2021			
Non-Derivative Liabilities			
Trade Payables	793.99	-	793.99
Borrowings	214.18	303.94	518.12
Other Financial Liabilities	119.74	15.00	134.74

As at 31st March, 2020			
Non-Derivative Liabilities			
Trade Payables	441.03	-	441.03
Borrowings	222.69	236.31	459.00
Other Financial Liabilities	150.42	7.02	157.44
Derivative Liabilities			
Forward exchange contracts	-	-	-

b) Management of market risk:

The Company is exposed to the following market risks which affects the value of the Financial instruments:

1. Currency risk

2. Interest rate risk

i) Foreign currency risk

Foreign currency risk is the risk that the fair value of or future cash flows of an exposure will fluctuate because of the changes in foreign exchange rates. As at 31st March, 2021, the net un-hedged exposure to the Company on holding such financial assets and liabilities amounts to Rs. 161.16 Crores

The Company manages currency exposures by continuously monitoring the Foreign currency rates with the transaction rate and takes steps to mitigate the risk using Forward/ Derivative contracts.

Sensitivity to risk

A 5% strengthening of the INR against foreign currencies to which the Company is exposed (net of hedge) would have led to approximately an additional Gain of Rs. 8.06 Crores in the Statement of Profit and Loss. A 5% weakening of the INR against these currencies would have led to an equal impact but with opposite effect.

The Foreign exchange forward contracts as at 31st March, 2021 is "0" (31st March, 2020 - 3 sell contracts)

ii) Interest rate Risk

Interest rate is the risk that the Fair value of future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company has Rs. 408.71 Crores Borrowings at Floating rate of Interest as at 31st March, 2021 (previous year Rs. 408.31 Crores).

Sensitivity to risk

An increase in interest rate of 1% will likely to affect the profit negatively by Rs. 4.09 Crores and a decrease of 1% would have led to an equal impact but with opposite effect.

c) Management of credit risk

Credit risk is the risk of financial loss to the Company if the other party to the financial assets fails to meet its contractual obligations.

i) Trade Receivables:

Concentration of credit risk with respect to trade receivables are limited as the customers are predominantly Original Equipment manufacturers (OEs). All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets. Refer Note (f) for accounting policy on Financial Instruments.

ii) Other Financial Assets:

The Company has exposure in Cash and cash equivalents and term deposits with banks. The Company's maximum exposure to credit risk as at 31st March, 2021 is the carrying value of each class of financial assets as on that date.

The spread of COVID - 19 has impacted global economic activity as has been witnessed in several countries. There have been severe disruptions in businesses in India during the Lock down period. The situation is evolving and the assessment of impact due to COVID -19 is a continuous process, given the uncertainities.

Management has conducted the possible impact of known events arising from COVID -19 pandemic in the preparation of these financial statements and has analysed events post Balance Sheet date and believes that there will not be any material effect on the carrying values of the assets and liabilities of the Company on the reporting date and there is no change in its ability to continue as a Going Concern."

CONSOLIDATED FINANCIAL STATEMENTS 2020-2021

INDEPENDENT AUDITOR'S REPORT

To the Members of Wheels India Limited Report on the Audit of the Consolidated Ind AS financial statements

1. Opinion

We have audited the acCompanying Consolidated Ind AS financial statements of Wheels India Limited ("the Holding Company"), its subsidiary (together referred as "Group") and its associate which comprise the Consolidated Balance Sheet as at March 31, 2021, and the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow statement and the statement of changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2021, of consolidated profit, consolidated changes in equity and its consolidated cash flows for the year then ended.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Auditofthe Consolidated IndAS financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountants of

India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Emphasis of Matter

We draw attention to Note No.52 of the Statement wherein the Company has disclosed its Assessment of the Covid-19 pandemic. As mentioned therein, the assessment of the Management does not indicate any material effect on the carrying value of its assets and liabilities of the Company on the reporting date or any adverse change in the ability of the Company to continue as a Going Concern. The assessment of the Management is dependent on the circumstances as they evolve considering the uncertainties prevailing in the economic situation.

Our opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report in respect of Wheels India Limited.

5. Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information, but does not include the Consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Responsibilities of Management for the Consolidated Ind AS financial statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates in accordance

with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent: and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do

The respective Board of Directors of the companies included in the Group and of it's associate are responsible for overseeing the financial reporting process of the Group and of its associate.

7. Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the

- Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the Consolidated Ind AS financial statements. We are responsible for the direction, supervision

and performance of the audit of the financial statements of such entities included in the Consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the Consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Other Matters

We did not audit the financial statements of the subsidiary, whose financial statements reflect total assets of Rs. 265.13 Crores as at 31st March. 2021, total revenues of Rs. 247.09 Crores and net cash outflow amounting to Rs. 1.24 Crores for the year ended on that date, as considered in the Consolidated Ind AS financial statements. The Consolidated Ind AS financial statements also include the Holding Company's share of net loss of Rs. 0.13 Crores for the year ended 31st March, 2021, in respect of one associate, whose financial statements have not been audited by us. These financial statements of the subsidiary and associate Company have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and associate. and our report in terms of sub-sections (3) of Section 143 of the Act. insofar as it relates to the aforesaid subsidiary and associate, is based solely on the reports of the other auditors.

Our opinion on the Consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

9. Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

 a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary

for the purposes of our audit of the aforesaid Consolidated Ind AS financial statements.

- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2021 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary Company and associate Company incorporated in India, none of the directors of the Group companies and its associate Company incorporated in India is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A".

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
 - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Group to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule
 11 of the Companies (Audit and Auditor's)
 Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Ind AS financial statements

 Refer Note 29(i)(b) to the Consolidated Ind AS financial statements.
 - (ii) The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Company.

Referred to in Paragraph 9 of Our Report of Even Date

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies, Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of Wheels India Limited (hereinafter referred to as "the Holding Company") and its subsidiary Company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies, its associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the

Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to

provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial

controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary Company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one subsidiary Company and one associate Company which are incorporated in India, is based on the corresponding report of the auditors of such Company incorporated in India,

A. Principles of Consolidation

The Consolidated Financial Statements (CFS) relate to Wheels India Limited ('the Company) and the Company's subsidiary and the share of profit in its associate (jointly considered as "Group" hereinafter). The CFS have been prepared on the following basis:

a) Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

The financial statements of subsidiaries are included in the CFS from the date on which control is acquired until the date on which control ceases to exist. The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the Parent (WIL) and its Subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-Group transactions, balances and unrealised gains on transactions between Group Companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the Consolidated Statement of profit and loss, Consolidated statement of changes in equity and balance sheet respectively

b) Associates

The CFS include the Share of profit of an associate Company which have been accounted for using equity method as per "Accounting Standard (IndAS) 28 Investments in Associates and Joint Ventures" in CFS. Accordingly, the share of profit of the associate Company has been added to the cost of investments.

The difference between the cost of investments in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the CFS as Goodwill or Capital Reserve as the case may be.

The financial statements of an Associate and Subsidiary used in the CFS are drawn upto the same reporting date as that of the Company i.e. 31st March, 2021

The CFS have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

Following entities have been considered in the preparation of the Consolidated Financial Statements:

Name of the Entity	Relationship	Country of	% of Holding and
		Incorporation	Voting power
WIL Car Wheels Limited	Subsidiary	India	74.00%
Axles India Limited *	Associate	India	9.51%

^{*} By virtue of Articles of Association of Axles India Limited

B. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified under Companies (Indian Accounting Standards) Rules 2015.

The financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently for all the periods presented in the financial statements.

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

The Assets and Liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Group's normal operating cycle has been ascertained as 12 months based on the nature of products and the time between acquisition of assets for processing and their realisation in cash or cash equivalents.

b) These financial statements are prepared under the historical cost convention unless otherwise indicated.

c) Property, Plant and Equipment

- a) Property, plant and equipment is stated at acquisition cost net of GST credits as reduced by accumulated depreciation and accumulated impairment losses, if any.
- b) Depreciation on Property, Plant and Equipment has been provided under the Straight Line Method in accordance with Schedule II of the Companies Act 2013.
- c) Leasehold Land: Premium paid on Leasehold Land is amortised over the lease period.
- d) The expenditure during construction period relating to the new project till the commencement of commercial production is capitalised and allocated to the relevant equipments.
- e) In accordance with IndAS 23, the borrowing costs attributable to the qualifying assets that necessarily takes substantial period to get ready for its intended use are capitalised.
- f) Grants received for Investment in Property Plant & Equipment are recognized in Statement of Profit or Loss on a systematic basis over the useful life of the asset.
- g) The cost of software relating to ERP is amortised over the estimated useful life viz., 5 years. The cost of other intangible assets are amortised over the estimated useful life viz., 3 years.
- h) Upon first time adoption of IndAS, the carrying value of all the assets as at Transition date i.e. 01st April 2016 has been considered as its Deemed cost.

d) Inventories

The stock of raw materials, stores, loose tools and goods in transit are valued at cost (net of GST credits) on weighted average basis. The stock of finished goods and work-in-progress are valued at cost (net of GST credits including appropriate overheads) or net realisable value whichever is lower.

e) Financial instruments

i) Financial assets:

Financial asset is recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss, its transaction cost is recognised in the Statement of profit and loss. In other cases, the acquisition cost of the financial assets is net of the attributable transaction cost. Financial assets are subsequently classified and measured at:

- i) Amortised cost or
- ii) Fair Value through profit and loss(FVTPL)
- iii) Fair Value through other comprehensive income (FVTOCI)

Trade receivables and Loans:

Trade receivables and Loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using Effective Interest Rate method net of any expected credit losses. The Effective Interest Rate is the rate that discounts estimated future cash receipts through the expected life of financial instrument.

Investments:

All investments in equity instruments (other than in Subsidiaries and Associates) classified under financial assets, are initially measured at fair value. Fair Value changes on an Equity instruments is recognised in the Statement of Profit and Loss or Other Comprehensive Income, as the case may be. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

ii) Financial liabilities:

Financial liabilities are initially measured at amortised cost. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost using Effective Interest Rate method.

f) Provisions and Contingent liabilities:

Provisions are recognised when the Group has a present obligation as a result of an event and is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligations. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurence or non-occurence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that a outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

g) Revenue recognition:

Revenue from the sale of goods is recognised when the control over the goods have been transferred to customers. Service income is recognised once the obligations are performed. Interest income is recognised at Effective Interest Rate method. Dividend income is recognised when right to receive the payment is established. Export incentives are recognised as revenue as and when exports are made.

h) Employee Benefits

Provident Fund:

Eligible employees receive benefits from Provident Fund which is defined contribution plan. Both, the employees and the Group make monthly contributions to the regional provident fund authorities/ Wheels India Employees Provident Fund Trust. The Group has an obligation to make good the shortfall, if any between the return from the investments made from the trust and the notified interest rate accrued to the employees account.

Gratuity:

The gratuity plan provides for a lump sum payment to vested employees eligible for gratuity at the time of retirement, death, incapacity or termination of employment. Liabilities with regard to the gratuity plan are determined by actuarial valuation as at the Balance Sheet date based upon which the Group contributes all the ascertained liabilities to LIC, which is the administrator of the plan.

Unencashed Leave Salary:

Unencashed leave salary is accounted on actuarial valuation and the Group contributes part of the ascertained liabilities to SBI Life Insurance Group Limited, which is the administrator of the plan.

Others:

Contributions to defined contribution schemes such as Employees State Insurance, Superannuation are charged as expenses based on the amount of contribution required to be made. These benefits are classified as defined contribution schemes as the Group has no obligation beyond what has been recognised as expense in the Statement of profit and loss.

i) Research & Development expenses:

Revenue expenditure on Research & Development is charged to profit & loss account in the year in which it is incurred.

j) Leases:

The Group has applied IND AS 116 using modified retrospective approach. The Lease liability is initially measured at the present value of remaining payments as at the commencement date discounted using the lessee's incremental borrowing rate. The cost of Right of Use Assets shall comprise of amount of initial mesurement of lease liability adjusted for any payments made after or before the commencement of lease term less any lease incentive received. The Leased Assets are depreciated on straight line basis over the period of lease.

k) Foreign Currency Transactions:

Transactions in Foreign currencies are accounted at the rates of exchange prevailing as on the date of the transaction. Exchange differences arising on the settlement of such transactions are recognised in the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currency are reinstated at the rate of exchange prevailing on the reporting date.

I) Derivative contracts:

Forward contracts are entered to hedge the foreign currency risk. The profit/loss arising on these contracts is accounted for as income/expenditure on the date of settlement of the contract.

The outstanding contracts are Marked to Market on the reporting date and the net loss/gain arising therefrom is recognised in the Statement of Profit and Loss.

m) Earnings per share:

Earnings per share (EPS) is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year

n) Income taxes:

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised using the Balance sheet approach. Deferred tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Other deferred tax assets are recognised if there is reasonable certainty that there will be sufficient future taxable income available to realise such assets.

Deferred tax assets and liabilities are measured at the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

B. Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 hierarchy - Includes Financial Instruments measured using quoted prices in the active market.

Level 2 hierarchy - The Fair value of Financial Instruments that are not traded in an active market, is determined using valuation techniques which maximise the use of observable market data.

Level 3 hierarchy - Includes Financial Instruments for which one or more of the significant inputs are not based on observable market data. This is applicable for unlisted securities.

As at March 31, 2021	Level 1	Level 2	Level 3
Financial Assets :

- iv) There are no transfers between Level 2 and Level 3 during the year.
- v) Trade Receivables, Trade Payables, Cash and Cash Equivalents and Other Financial Assets and Liabilities are stated at amortized cost which approximates their fair value.

C. Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. The Risk management policies have been established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review and reflect the changes in the policy accordingly.

a) Management of Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities. In doing this, management considers both normal and stressed conditions.

The Company regularly monitors the rolling forecasts and the actual cash flows to service the financial liabilities on a day-to-day basis through cash generation from business and by having adequate banking facilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

Rs. In Crores

	Payable within one year	More than one year	Total

Borrowings	227.52	282.97	510.49
Other Financial liabilities	169.43	7.21	176.64
Derivative liabilities			
Forward exchange contracts	-		-

b) Management of Market risk:

The Company is exposed to the following market risks which affects the value of the Financial instruments:

- 1. Currency risk;
- 2. Interest rate risk

i) Foreign currency risk

Foreign currency risk is the risk that the fair value of or future cash flows of an exposure will fluctuate because of the changes in foreign exchange rates. As at 31st March,2021, the net un-hedged exposure to the Company on holding such financial assets and liabilities amounts to Rs. 161.43 Crores. (Previous Year - Rs. 77.04 Crores).

The Company manages currency exposures by continuously monitoring the Foreign currency rates with the transaction rate and takes steps to mitigate the risk using Forward/ Derivative contracts.

Sensitivity to risk

A 5% strengthening of the INR against foreign currencies to which the Company is exposed (net of hedge) would have led to approximately an additional Gain of Rs. 8.07 Crores in the Statement of Profit and Loss. A 5% weakening of the INR against these currencies would have led to an equal impact but with opposite effect.

The Foreign exchange forward contracts as at 31st March, 2021 is "0" (31st March, 2020 - No. of Sell Contracts - 3)

ii) Interest rate Risk

Interest rate is the risk that the Fair value of future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company has Rs. 408.71 Crores Borrowings at Floating rate of Interest as at 31st March, 2021 (previous year Rs. 408.31 Crores).

Sensitivity to risk

An increase in interest rate of 1% will likely to affect the profit negatively by 4.09 Crores and a decrease of 1% would have led to an equal impact but with opposite effect.

c) Management of Credit risk

Credit risk is the risk of financial loss to the Company if the other party to the financial assets fails to meet its contractual obligations.

i) Trade receivables:

Concentration of credit risk with respect to trade receivables are limited as the customers are predominantly original equipment manufacturers (OEs). All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets. Refer Note (e) for accounting policy on Financial Instruments.

ii) Other financial assets:

The Company has exposure in Cash and cash equivalents and term deposits with banks. The Company's maximum exposure to credit risk as at 31st March, 2021 is the carrying value of each class of financial assets as on that date.

43 Employee Benefits

Defined Contribution Plan

a) Provident Fund

In respect of the Employees Provident Fund Scheme, the Group has contributed Rs. 6.42 Crores for the year ended 31st March 2021 (previous year Rs. 5.75 Crores) to Provident fund Authorities. The Group has no obligation towards the Interest accumulation thereon.

b) Superannuation:

- The spread of COVID 19 has impacted global economic activity as has been witnessed in several countries. There have been severe disruptions in businesses in India during the Lock down period. The situation is evolving and the assessment of impact due to COVID -19 is a continuous process, given the uncertainities. Management has conducted the possible impact of known events arising from COVID -19 pandemic in the preparation of these financial statements and has analysed events post Balance Sheet date and believes that there will not be any material effect on the carrying values of the assets and liabilities of the Company on the reporting date and there is no change in its ability to continue as a Going Concern.
- 53 Previous year's figures have been regrouped wherever necessary to conform to this year's classification.
