Independent Auditor's Limited Review Report on the Unaudited Standalone Quarterly Financial Results of the Wheels India Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To

**The Board of Directors,
Wheels India Limited,
Chennai.**

1. We have reviewed the accompanying statement of Standalone unaudited financial results of Wheels India Limited for the quarter and three months period ended 30th June, 2022 together with the relevant notes thereon ("the Statement"). This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Emphasis of matter

Effective April 01, 2022, the company has reassessed the useful life of certain plant and machinery which has been evaluated by an Independent Chartered Engineer, as mentioned in Note 4 of the financial results. Consequently, the depreciation for these plant and machinery have been revised on account of this change in accounting estimate, from 1st April, 2022, resulting in a reduction in the charge for Depreciation by Rs. 8.00 crore for the quarter ended 30th June, 2022 with a corresponding increase in the Profit before tax for the three months period and increase in written down value of these assets as on 30th June, 2022.

Our opinion is not modified with reference to this change in accounting estimate.

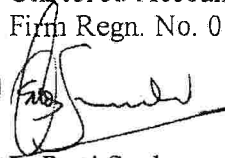

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Independent Auditor's Limited Review Report on Consolidated Unaudited Quarterly Financial Results of the Wheels India Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To

**The Board of Directors,
Wheels India Limited,
Chennai.**

1. We have reviewed the accompanying statement of consolidated unaudited financial results of Wheels India Limited ("the Parent"), and its subsidiary (the Parent and its subsidiary together referred to as "the Group") and its share of net profit after tax and total comprehensive income of associate for the quarter ended June 30, 2022 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

S. No	Name of the Entity	Relationship
1	Wheels India Limited	Parent Company
2	WIL Car Wheels Limited	Subsidiary Company
3	Axles India Limited	Associate Company

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditor referred to in paragraph 7 & 8 below, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act 2013, as amended, read with relevant rules there under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. Emphasis of matter

In Wheels India Limited (the Parent company), Effective April 01, 2022, the company has reassessed the useful life of certain plant and machinery which has been evaluated by an Independent Chartered Engineer, as mentioned in Note 4 of the financial results. Consequently, the depreciation for these plant and machinery have been revised on account of this change in accounting estimate, from 1st April, 2022, resulting in a reduction in the charge for Depreciation by Rs. 8.00 crore for the quarter ended 30th June, 2022 with a corresponding increase in the Profit before tax for the three months period and increase in written down value of these assets as on 30th June, 2022.

Our opinion is not modified with reference to this change in accounting estimate.

7. We did not review the interim financial statements of the subsidiary included in the consolidated unaudited financial results, whose interim financial statements reflect total revenue of Rs.99.26 crores, total net loss after tax of Rs. 1.68 Crores and total comprehensive loss of Rs. 1.68 Crores for the quarter ended June 30, 2022 as considered in the consolidated unaudited financial results. These interim financial statements have been reviewed by other auditors whose report have been furnished to us by the management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, is based solely on the reports of the other auditor and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of the above matter.

8. The Consolidated unaudited financial results also include the Group's share of net profit after tax of Rs. 0.74 crores and total comprehensive income of Rs. 0.18 crores for the quarter ended June 30, 2022 as considered in the consolidated unaudited financial results, in respect of the associate, whose interim financial statements have not been reviewed by us. These interim financial statements have been reviewed by other auditor whose report have been furnished to us by the management and our conclusion on the statement, in so far as it relates to the amounts and disclosures included in respect of the associate, is based solely on the reports of the other auditor and the procedures performed by us as stated in paragraph 3 above

Our conclusion on the Statement is not modified in respect of the above matter.
