#### **6. Rationale and Benefits of the Scheme of Amalgamation**

The Board of Directors of Transferor Company and Transferee Company believe that the proposed Scheme would, inter alia, have the following benefits:

1. The amalgamation will enable product diversification and growth to the Transferee company
2. This will facilitate expansion of the business of Transferor company by using the customer base of the Transferee company.
3. As a combined entity, the amalgamation will help in widening the product offering to the existing strategic customers of both the transferor as well as the transferee company.
4. Will help in achieving consolidation, greater integration and flexibility that will maximize overall shareholder's value and improve the competitive position and negotiating power of the combined entity.

5. Improves organizational capability and leadership, arising from the pooling of human capital who have the diverse skills, talent and vast experience to compete successfully in an increasingly competitive industry.
6. Cost savings are expected to flow from more focused operational efforts, rationalization, standardization and simplification of business processes, elimination of duplication and rationalization of administrative expenses.
7. The amalgamation will result in reduction of multiplicity of entities, thereby reducing compliance cost of multiple entities viz., statutory filings, regulatory compliances, labour law / establishment related compliances.

**7. The salient features of the Scheme are as follows:**

## 12. CONSIDERATION

- 12.1 Upon the Scheme coming into effect and in consideration of the transfer and vesting of Transferor Company in the Transferee Company pursuant to Part II of this Scheme and subject to the provisions of this Scheme, the Transferee Company shall, without any further application, act, deed, consent, acts, instrument or deed, issue and allot, on a proportionate basis to each shareholder of the Transferor Company, whose name is recorded in the register of members as member of the Transferor Company as on the Record Date, as follows:
- “151 (One Hundred and Fifty-One) equity shares in Transferee Company of the face value of Rs. 10/- (Rupees Ten only) each, credited as fully paid-up for every 15,000 (Fifteen Thousand) Equity shares of Rs. 10/- (Rupees Ten only) fully paid-up held in Transferor Company.”
- 12.2 The equity shares to be issued and allotted pursuant to amalgamation of the Transferor Company with the Transferee Company under this Scheme shall be subject to the provisions of the memorandum of association and articles of association of Transferee Company and shall rank *pari-passu* in all respects with any existing equity shares of the Transferee Company after the Effective Date including with respect to dividend, bonus, right shares, voting rights and other corporate benefits attached to the shares of the Transferee Company.
- 12.3 The issue and allotment of the shares is an integral part hereof and shall be deemed to have been carried out under the orders passed by the Tribunal without requiring any further act on the part of the Transferee Company or the Transferor Company or their shareholders and as if the procedure laid down under the Act and such other Applicable Law as may be applicable, were duly complied with. It is clarified that the approval of the members of the Transferee Company to this Scheme, shall be deemed to be their consent/approval for the issue and allotment of shares of the Transferee Company.
- 12.4 Subject to applicable Laws, the equity shares that are to be issued in terms of this Scheme shall be issued in dematerialised form. The register of members maintained by the Transferee Company and/ or, other relevant records, whether in physical or electronic form, maintained by the Transferee Company, the relevant depository and registrar and transfer agent in terms of Applicable Laws shall (as deemed necessary by the Board of the Transferee Company) be updated to reflect the issue of the shares in terms of this Scheme. The shareholders of the Transferor Company, who holds shares in physical form, should provide the requisite details relating to his/ her/ its account with a depository participant or other confirmations as may be required, to the Transferee Company, prior to the Record Date to enable it to issue the shares.
- 12.5 However, if no such details have been provided to the Transferee Company by the shareholders holding shares in physical share certificates on or before the Record Date, the Transferee Company shall deal with the relevant equity shares in such manner as may be permissible under the Applicable Law, including by way of issuing the corresponding shares in dematerialised form to a trustee nominated by the Board of Transferee Company (“Trustee of Transferee Company”) who shall hold these equity shares in trust for the benefit of such shareholder. The equity shares of Transferee Company held by the Trustee of Transferee Company for the benefit of the shareholder shall be transferred to the respective shareholder once such shareholder provides details of his/her/its demat account to the Trustee of Transferee Company, along with such other documents as may be required by the Trustee of Transferee Company. The respective shareholders shall have all the rights of the shareholders of the Transferee Company, including

- the right to receive dividend, voting rights and other corporate benefits, pending the transfer of equity shares from the Trustee of Transferee Company. All costs and expenses incurred in this respect shall be borne by Transferee Company.*
- 12.6 *For the purpose of the allotment of the shares, pursuant to this Scheme, in case any shareholder's holding in the Transferor Company is such that the shareholder becomes entitled to a fraction of a share of the Transferee Company, the Transferee Company shall not issue fractional shares to such shareholder and shall consolidate all such fractions and round up the aggregate of such fractions to the next whole number and issue consolidated shares to a trustee (nominated by the Transferee Company in that behalf) in dematerialised form, who shall within a period of 90 days from the date of allotment of shares sell the shares in the market and distribute the net sale proceeds (after deduction of the expenses incurred and applicable income tax) to the respective shareholders in the same proportion of their fractional entitlements. The Transferee Company would within a period of 7 days of compensating the eligible shareholders, submit to the Stock Exchange a report from the Audit Committee and the Independent Directors stating that the eligible shareholders have been compensated. Any fractional entitlements from such net proceeds shall be rounded off to the next Rupee.*
- 12.7 *In the event of there being any pending share transfers, whether lodged or outstanding, of any shareholder of the Transferor Company, the Board of the Transferee Company shall be empowered in appropriate cases, prior to or even subsequent to the Record Date, to effectuate such a transfer as if such changes in the registered holder were operative as on the Record Date, in order to remove any difficulties arising to the transferor or transferee of equity shares in the Transferor Company, after the effectiveness of this Scheme.*
- 12.8 *The shares to be issued pursuant to this Scheme in respect of any equity shares of the Transferor Company which are held in abeyance under the provisions of Section 126 of the Act or otherwise shall pending allotment or settlement of dispute by order of court or otherwise, be held in abeyance.*
- 12.9 *The shares to be issued by the Transferee Company in lieu of the shares of the Transferor Company held in the respective unclaimed suspense account of the Transferor Company shall be issued to a new unclaimed suspense account created for shareholders of the Transferor Company.*
- 12.10 *In the event, any or both the Parties restructure their share capital by way of share split / consolidation / issue of bonus shares during the pendency of the Scheme, the share exchange ratio stated in Clause 12 above shall be adjusted accordingly, to consider the effect of any such corporate actions undertaken by such Party.*
- 12.11 *If necessary, the Transferee Company shall before allotment of the equity shares in term of the Scheme, increase, reclassify, and/or restructure its authorized share capital in such manner and by such amount as may be necessary to satisfy its obligation under the provisions of the Scheme in compliance with the applicable provisions of the Act and the Rules thereunder.*
- 12.12 *The Transferee Company shall apply for listing of the Transferee Company new equity shares on the Stock Exchanges in terms of and in compliance of SEBI Circular and other relevant provisions as may be applicable. The Transferee Company new equity shares allotted by the Transferee Company, pursuant to the Scheme, shall remain frozen in the depository system till listing/ trading permission is given by the designated Stock Exchange.*
- 12.13 *The Transferee Company shall enter into such arrangements and give such confirmations and/ or undertakings as may be necessary in accordance with Applicable Law for complying with the formalities of the Stock Exchanges and SEBI Circular.*

## **15. DISSOLUTION OF THE TRANSFEROR COMPANY WITHOUT WINDING UP**

*Subject to an order being made by the under Section 230 to 232 of the Act, the Transferor Company shall be dissolved without the process of winding up on the Scheme becoming effective in accordance with the provision of the Act and the Rules made hereunder.*

## **16. COMBINATION OF AUTHORISED SHARE CAPITAL**

- 16.1 Upon the Scheme becoming effective, the Authorised Share Capital of the Transferor Company shall stand transferred, re-organised, credited and merged with that of the Transferee Company without payment of additional fees and stamp duty as the said fees and stamp duty have already been paid by the Transferor Company and the Authorised Share Capital of the Transferee Company will be increased to that effect by just filing requisite forms and no separate procedure shall be followed under the Act. Consequently, the Memorandum of Association of the Transferee Company shall without any act, instrument or deed be and stand altered, modified and amended pursuant to Sections 13, 61 and other applicable provisions of the Act as follows:*

*The Share Capital of the Company is Rs.103,50,00,000/- (Rupees One hundred three crore and fifty lakhs only) divided into 9,65,00,000 Equity Shares of Rs.10/- each and Rs. 7,00,000 preference shares of Rs. 100 each. The Company has the power from time to time to increase or reduce its capital and to issue any shares in the original or new capital as equity or preference shares and to attach to any class or classes of such shares, any preference, rights, privileges or priorities in payment of dividends or distribution of assets or otherwise over any other shares or to subject the same to any restrictions, limitations, or conditions and to vary the regulations of the Company, as far as necessary to give effect to the same and upon the sub-division of any share to apportion the right to participate in profits in any manner.*

- 16.2 The approval of this Scheme under Sections 230 to 232 of the Companies Act, 2013 shall be deemed to have the approval under Section 13, 61 and other applicable provisions of the Companies Act, 2013, and any other approvals required in this regard. It is clarified that the approval of the members of the Transferee Company to the Scheme shall be deemed to be their approval also to the alteration to the Memorandum of Association of the Transferee Company as may be required under the Act.*

## I) PREAMBLE AND BACKGROUND

1. This Scheme of Amalgamation (hereinafter referred to as "the Scheme" or "this Scheme") is presented pursuant to the provisions of Section 230 to 232 and other applicable provisions of the Companies Act, 2013 ("the Act") and the rules made there under (to the extent applicable) for the Amalgamation of Sundaram Hydraulics Limited with Wheels India Limited. This Scheme (as defined hereinafter) also provides for various other matters consequential to, or otherwise integrally connected with the above, as more specifically stated hereinafter.
2. The brief background of various entities is as follows:
  - A) Sundaram Hydraulics Limited, ("**Transferor Company**" or "**SHL**"), is a public limited company incorporated on 07<sup>th</sup> December 2007 under the Companies Act, 1956 having CIN:U71290TN2007PLC065658 and registered office at No. 21, Patullos Road, Chennai – 600 002, Tamil Nadu, India. The Transferor Company is engaged in the business of design, manufacture and distribution of hydraulic cylinders for the domestic and global MCE industry.
  - B) Wheels India Limited, ("**Transferee Company**" or "**WIL**"), is a public limited company incorporated on 13<sup>th</sup> June 1960 under the Companies Act, 1956 having CIN:L35921TN1960PLC004175 and Registered Office at No. 21, Patullos Road, Chennai – 600 002, Tamil Nadu, India. The Transferee Company is engaged in the business of manufacturing of automotive and Industrial Components. The equity shares of Transferee Company are listed on the National Stock Exchange of India Ltd., Mumbai (NSE). Further, the Transferee Company's equity shares have been permitted for dealings on Bombay Stock Exchange Limited, Mumbai (BSE) under "Permitted Securities" Category.

## II) RATIONALE AND PURPOSE OF THE SCHEME

The Board of Directors of Transferor Company and Transferee Company believe that the proposed Scheme would, inter alia, have the following benefits:

1. The amalgamation will enable product diversification and growth to the Transferee company
2. This will facilitate expansion of the business of Transferor company by using the customer base of the Transferee company.
3. As a combined entity, the amalgamation will help in widening the product offering to the existing strategic customers of both the transferor as well as the transferee company.
4. Will help in achieving consolidation, greater integration and flexibility that will maximize overall shareholder's value and improve the competitive position and negotiating power of the combined entity.
5. Improves organizational capability and leadership, arising from the pooling of human capital who have the diverse skills, talent and vast experience to compete successfully in an increasingly competitive industry.
6. Cost savings are expected to flow from more focused operational efforts, rationalization, standardization and simplification of business processes, elimination of duplication and rationalization of administrative expenses.
7. The amalgamation will result in reduction of multiplicity of entities, thereby reducing compliance cost of multiple entities viz., statutory filings, regulatory compliances, labour law / establishment related compliances.

- III) Further, under the Scheme, there is no arrangement proposed to be entered into with the creditors, either secured and/or unsecured creditors of the Transferor Company and/or the Transferee Company. No compromise is offered under this Scheme to any of the creditors of the Transferor Company and/or the Transferee Company. The liability towards the creditors of the Transferor Company and/or the Transferee Company under the Scheme, is neither being reduced nor being extinguished but shall be assumed and discharged by the Transferee Company in its ordinary course of business.

#### IV) PARTS OF THE SCHEME

The Scheme is divided into following parts:

- Part I – Deals with the definitions of the terms used in this scheme, details of share capital of the Parties, and Date of Operation of this Scheme
- Part II – Deals with the amalgamation of Transferor Company with the Transferee Company.
- Part III – Deals with general clauses, terms and conditions applicable to the Scheme.

### **Amalgamation of Transferor Company with the Transferee Company**

#### **5. Transfer and Vesting of Undertaking**

- 5.1. Upon approval of this Scheme by the Tribunal and with effect from the Appointed Date, all properties, assets, liabilities and undertaking(s) of the Transferor Company shall stand transferred to and vested in or deemed to be transferred to and vested in the Transferee Company under the provisions of Section 230 to 232 of the Act and all other applicable provisions, if any, of the Act and also in accordance with section 2(1B) of the IT Act, without any further deed or act, subject to existing charges or *lis pendens*, if any thereon, in favour of banks/financial institutions.
- 5.2. Upon approval of this Scheme by the Tribunal and with effect from the Appointed Date, all immovable property (including land, buildings and any other immovable property) of the Transferor Company, whether freehold or leasehold, and any documents of title, rights, agreements to sell / agreements of sale and easements in relation thereto, shall stand vested in the Transferee Company, without any act or deed done by the Transferee Company, and without any approval or acknowledgement of any third party. With effect from the Appointed Date, the Transferee Company shall be entitled to exercise all rights and privileges and be liable to pay all taxes and charges and fulfil all obligations, in relation to or applicable to such immovable properties. The mutation/ substitution of the title to such immovable properties shall be made and duly recorded in the name of the Transferee Company by the appropriate authorities pursuant to the sanction of the Scheme by the NCLT and in accordance with the terms hereof. The Transferor Company shall take all steps as may be necessary to ensure that lawful, peaceful and unencumbered possession, right, title, interest of its immovable property is given to the Transferee Company.
- 5.3. All lease and licence agreements, if any, entered into by the Transferor Company with landlords, owners and lessors in connection with the use of the assets of the Undertaking, together with security deposit, shall stand automatically transferred in favour of the Transferee Company on the same terms and conditions, subject to applicable law, without any further act, instruments, deed, matter or thing being made, done or executed. The Transferee Company shall continue to pay rent amounts as provided for in such agreement and shall comply with the other terms, conditions and covenants thereunder and shall also be entitled to refund of security deposits paid under such agreement by the Transferor Company
- 5.4. Without prejudice to the generality of the foregoing, with effect from the Appointed Date, it is expressly provided that in respect of such of the assets of the Transferor Company that are movable in nature and/or are otherwise capable of transfer by manual or constructive delivery and/or endorsement and delivery or novation, the same shall be deemed to have been so transferred by Transferor Company and shall become the property of the Transferee Company in pursuance of the provisions of section 230 to 232 of the Act, without any further act, instrument, deed, matter or thing.
- 5.5. In respect of movables other than those dealt with in Clause 5.3 above including sundry debts, receivables, bills, credits, loans and advances, if any, whether recoverable in cash or in kind or for value to be received, bank balances, property development rights, investments, earnest money and deposits with any Government, quasi government, local or other authority or body or with any company or other person, the same shall on and from the Appointed Date stand transferred to and vested in the Transferee Company without any notice or other intimation to the debtors (although the Transferee Company may, without being obliged, and if it so deems appropriate, at its sole discretion, give notice in such form as it may deem fit and proper, to each person, debtor, or depositor, as the case may be, that the said debt, loan, advance, balance or deposit stands transferred and vested in the Transferee Company).

- 5.6. Upon approval of this Scheme by the Tribunal and with effect from the Appointed Date all liabilities relating to and comprised in the undertaking of Transferor Company including all secured and unsecured debts (whether in Indian rupees or foreign currency), sundry creditors, liabilities (including contingent liabilities), duties and obligations and undertakings of the Transferor Company of every kind, nature and description whatsoever and howsoever arising, raised or incurred or utilised for its business activities and operations, shall, stand transferred to and vested in or deemed to be transferred to and vested in the Transferee Company under the provisions of Sections 230 to 232 of the Act and other applicable provisions, if any, of the Act, without any further act, instrument, deed, matter or thing.
- 5.7. The transfer and vesting as aforesaid shall be subject to subsisting charges, if any, in respect of any assets of Transferor Company.  
PROVIDED always that the Scheme shall not operate to enlarge the security for any loan, deposit or facility availed by the Transferor Company and Transferee Company shall not be obliged to create any further or additional security in relation to subsisting charges, if any, thereof after the date of approval of this Scheme by the NCLT or otherwise.
- 5.8. All staff, workmen and employees as detailed under Clause 1.19(xii) above in relation to the Transferor Company shall become the staff, workmen and employees of the Transferee Company, without any further act or deed to be done by the Transferor Company or the Transferee Company.
- 5.9. Upon approval of the Scheme by the Tribunal, the Transferee Company shall, if so required under any law or otherwise, execute deeds of confirmation or other writings or arrangement with any party to any contract or arrangement to which the Transferor Company is a party in order to give formal effect to the above provisions. The Transferee Company shall be deemed to be authorized to execute any such writings on behalf of the Transferor Company to carry out or perform all such formalities or compliances referred to above on part of the Transferor Company.
- 5.10. Pursuant to this Scheme becoming effective, the Transferee Company shall be entitled to secure the record of the change in the legal ownership upon the vesting of the assets of the Transferor Company in accordance with the provisions of Sections 230 to 232 of the Act. The Transferor Company and the Transferee Company shall be jointly and severally authorized to execute any writings and / or carry out any formalities or compliance in this regard.
- 5.11. All taxes, duties, cess payable by the Transferor Company including all or any refunds / credit / claims pertaining to the period prior to the Appointed Date shall be treated as the liability or refunds / credit / claims, as the case may be, of the Transferee Company.
- 5.12. All the licenses, permits, quotas, approvals, permissions, registrations, incentives, tax deferrals and benefits (including tax benefits), subsidies, concessions, grants, rights, patents, claims, leases, tenancy rights, liberties, special status and other benefits or privileges enjoyed or conferred upon or held or availed of by the Transferor Company and all rights and benefits that have accrued or which may accrue to the Transferor Company, whether before or after the Appointed Date, shall, under the provisions of Sections 230 to 232 of the Act and all other applicable provisions of the Act, if any, without any further act, instrument or deed, cost or charge be and stand transferred to and vest in or be deemed to be transferred to and vested in and be available to the Transferee Company so as to become as and from the Appointed Date licenses, permits, quotas, approvals, permissions, registrations, incentives, tax deferrals and benefits, subsidies, concessions, grants, rights, claims, leases, tenancy rights, liberties, special status and other benefits or privileges of the Transferee Company and shall remain valid, effective and enforceable on the same terms and conditions.
- 5.13. All the Insurance policies registered in the name of the Transferor Company which are active as on the date of approval of the Scheme by the Tribunal and which can be transferred/assigned shall pursuant to the provisions of Section 232 of the Act, without any further act, instrument or deed, be and stand transferred to and vested in and or be deemed to have been transferred to and vested in and be available to the benefit of the Transferee Company and accordingly, the insurance companies shall record the name of the Transferee Company in all the insurance policies registered in the name of the Transferor Company so as to ensure that all the rights and privileges under all such policies available to the Transferor Company and / or to any other person/director/employee of such Transferor Company, whether in the capacity of the Policy Holder or Owner or Insured or the Beneficiary, as the case may be, be available to the benefit of the Transferee Company and / or to any other person/director/employee of Transferee Company, as the case may be, on the same terms and conditions as they were applicable to the Transferor Company concerned and upon such transfer/assignment, all such policies shall be effective in favour of the Transferee Company as if

instead of the Transferor Company, the Transferee Company had been a party or beneficiary thereto. However, for the insurance policies which do not permit such transfer/assignment, the Transferee Company may make fresh application(s) to the concerned authority/insurance company(ies) on such terms and conditions as may be prescribed. It is hereby clarified that all the costs and/or expenses and/or premiums in relation to the transfer/assignment/of the insurance policies in the name of Transferor Company shall be borne by the Transferee Company and the Transferor Company shall have no further obligations in this regard.

- 5.14. All the brands and trademarks (including logo and right to use the trademarks) of the Transferor Company including registered and unregistered trademarks, along with all rights of commercial nature including attached goodwill, title, interest, labels and brand registrations, copyrights, trademarks, and all such other industrial and intellectual property rights of whatsoever nature shall stand transferred to and vest in the Transferee Company. The Transferee Company shall take such actions as may be necessary and permissible to get the same transferred and/or registered in the name of the Transferee Company.
- 5.15. Upon approval of this Scheme by the Tribunal and with effect from the Appointed Date, all existing and future incentives, unavailed credits and expenditures, exemptions and deductions, benefit of carried forward losses and other statutory benefits, including in respect of income tax (including MAT credit under the IT Act), excise (including Modvat / Cenvat), customs, VAT, sales tax, service tax, GST including the IGST input tax credit, CGST input tax credit and SGST input tax credit for the registrations of the Transferor Company in all the states, to which the Transferor Company are entitled to shall be available to and vest in the Transferee Company.

## 12. CONSIDERATION

- 12.1. Upon the Scheme coming into effect and in consideration of the transfer and vesting of Transferor Company in the Transferee Company pursuant to Part II of this Scheme and subject to the provisions of this Scheme, the Transferee Company shall, without any further application, act, deed, consent, acts, instrument or deed, issue and allot, on a proportionate basis to each shareholder of the Transferor Company, whose name is recorded in the register of members as member of the Transferor Company as on the Record Date, as follows:  
 "151 (One Hundred and Fifty One) equity shares in Transferee Company of the face value of Rs. 10/- (Rupees Ten only) each, credited as fully paid-up for every 15,000 (Fifteen Thousand) Equity shares of Rs. 10/- (Rupees Ten only) fully paid-up held in Transferor Company."
- 12.2. The equity shares to be issued and allotted pursuant to amalgamation of the Transferor Company with the Transferee Company under this Scheme shall be subject to the provisions of the memorandum of association and articles of association of Transferee Company and shall rank pari-passu in all respects with any existing equity shares of the Transferee Company after the Effective Date including with respect to dividend, bonus, right shares, voting rights and other corporate benefits attached to the shares of the Transferee Company.
- 12.3. The issue and allotment of the shares is an integral part hereof and shall be deemed to have been carried out under the orders passed by the Tribunal without requiring any further act on the part of the Transferee Company or the Transferor Company or their shareholders and as if the procedure laid down under the Act and such other Applicable Law as may be applicable, were duly complied with. It is clarified that the approval of the members of the Transferee Company to this Scheme, shall be deemed to be their consent/approval for the issue and allotment of shares of the Transferee Company.
- 12.4. Subject to applicable Laws, the equity shares that are to be issued in terms of this Scheme shall be issued in dematerialised form. The register of members maintained by the Transferee Company and/or, other relevant records, whether in physical or electronic form, maintained by the Transferee Company, the relevant depository and registrar and transfer agent in terms of Applicable Laws shall (as deemed necessary by the Board of the Transferee Company) be updated to reflect the issue of the shares in terms of this Scheme. The shareholders of the Transferor Company who holds shares in physical form, should provide the requisite details relating to his/ her/ its account with a depository participant or other confirmations as may be required, to the Transferee Company, prior to the Record Date to enable it to issue the shares.
- 12.5. However, if no such details have been provided to the Transferee Company by the shareholders holding shares in physical share certificates on or before the Record Date, the Transferee Company shall deal with the relevant equity shares in such manner as may be permissible under the Applicable Law, including by way of issuing the corresponding shares in dematerialised form to a trustee nominated by the Board of Transferee Company ("Trustee of Transferee Company") who shall hold these equity shares in trust for the benefit of such shareholder. The equity shares of Transferee Company held by the Trustee of Transferee Company for the benefit of the shareholder shall be transferred to the respective shareholder once such shareholder provides details of his/her/its demat account to the Trustee of Transferee Company, along with such other documents as may be required

by the Trustee of Transferee Company. The respective shareholders shall have all the rights of the shareholders of the Transferee Company, including the right to receive dividend, voting rights and other corporate benefits, pending the transfer of equity shares from the Trustee of Transferee Company. All costs and expenses incurred in this respect shall be borne by Transferee Company.

- 12.6. For the purpose of the allotment of the shares, pursuant to this Scheme, in case any shareholder's holding in the Transferor Company is such that the shareholder becomes entitled to a fraction of a share of the Transferee Company, the Transferee Company shall not issue fractional shares to such shareholder and shall consolidate all such fractions and round up the aggregate of such fractions to the next whole number and issue consolidated shares to a trustee (nominated by the Transferee Company in that behalf) in dematerialised form, who shall within a period of 90 days from the date of allotment of shares sell the shares in the market and distribute the net sale proceeds (after deduction of the expenses incurred and applicable income tax) to the respective shareholders in the same proportion of their fractional entitlements. The Transferee Company would within a period of 7 days of compensating the eligible shareholders, submit to the Stock Exchange a report from the Audit Committee and the Independent Directors stating that the eligible shareholders have been compensated. Any fractional entitlements from such net proceeds shall be rounded off to the next Rupee.
- 12.7. In the event of there being any pending share transfers, whether lodged or outstanding, of any shareholder of the Transferor Company, the Board of the Transferee Company shall be empowered in appropriate cases, prior to or even subsequent to the Record Date, to effectuate such a transfer as if such changes in the registered holder were operative as on the Record Date, in order to remove any difficulties arising to the transferor or transferee of equity shares in the Transferor Company, after the effectiveness of this Scheme.
- 12.8. The shares to be issued pursuant to this Scheme in respect of any equity shares of the Transferor Company which are held in abeyance under the provisions of Section 126 of the Act or otherwise shall pending allotment or settlement of dispute by order of court or otherwise, be held in abeyance.
- 12.9. The shares to be issued by the Transferee Company in lieu of the shares of the Transferor Company held in the respective unclaimed suspense account of the Transferor Company shall be issued to a new unclaimed suspense account created for shareholders of the Transferor Company.
- 12.10. In the event, any or both the Parties restructure their share capital by way of share split / consolidation / issue of bonus shares during the pendency of the Scheme, the share exchange ratio stated in Clause 12 above shall be adjusted accordingly, to consider the effect of any such corporate actions undertaken by such Party.
- 12.11. If necessary, the Transferee Company shall before allotment of the equity shares in term of the Scheme, increase, reclassify, and/or restructure its authorized share capital in such manner and by such amount as may be necessary to satisfy its obligation under the provisions of the Scheme in compliance with the applicable provisions of the Act and the Rules thereunder.
- 12.12. The Transferee Company shall apply for listing of the Transferee Company new equity shares on the Stock Exchanges in terms of and in compliance of SEBI Circular and other relevant provisions as may be applicable. The Transferee Company new equity shares allotted by the Transferee Company, pursuant to the Scheme, shall remain frozen in the depository system till listing/ trading permission is given by the designated Stock Exchange.
- 12.13. The Transferee Company shall enter into such arrangements and give such confirmations and/ or undertakings as may be necessary in accordance with Applicable Law for complying with the formalities of the Stock Exchanges and SEBI Circular.

### 13. ACCOUNTING TREATMENT IN BOOKS OF THE TRANSFEE COMPANY

- 14.6. On or after the Effective Date, the Transferee Company is expressly permitted to revise, its financial statements and returns along with prescribed forms, filings and annexures under the IT Act (including for the purpose of re-computing minimum alternative tax, and claiming other tax benefits), service tax law, VAT law, Goods and Service tax law and other tax laws, and to claim refunds and / or credits for taxes paid (including tax on book profits, MAT credit and foreign tax credit), and to claim tax benefits etc. and for matters incidental thereto, if required to give effect to the provisions of the Scheme

notwithstanding that the period of filing / revising such returns / forms may have lapsed and period to claim refund / credit also elapsed upon this Scheme becoming effective. Nothing contained in this Scheme, shall restrict the Transferee Company to record assets and liabilities for income tax purpose in accordance with the principles enunciated under the IT Act.

- 14.7. All taxes including income-tax, minimum alternate tax, foreign taxes, custom duty, service tax, goods and service tax, etc. paid or payable by the Transferor Company in respect of their operations and / or the profits of the business before the Appointed Date, shall be on account of the Transferor Company and, in so far as it relates to the tax payment (including, without limitation, income-tax, minimum alternate tax, custom duty, service tax, goods and service tax, etc.) whether by way of deduction of tax at source, advance tax or otherwise howsoever, by the Transferor Company in respect of their profits or activities or operation of the business after the Appointed Date, the same shall be deemed to be the corresponding item paid by the Transferee Company and shall, in all proceedings, be dealt with accordingly. Further, any tax deducted at source by the Transferor Company / Transferee Company on payables to the Transferee Company / Transferor Company on account of inter-se transactions which has been deemed not to be accrued, shall be deemed to be advance taxes paid by the Transferee Company and shall, in all proceedings, be dealt with accordingly. Further, any goods and service tax paid by the Transferor Company / Transferee Company to the Transferee Company / Transferor Company on account of inter-se transactions which has been deemed not to be accrued, shall be deemed to have been paid by or on behalf of the Transferee Company and shall, in all proceedings, be dealt with accordingly.
- 14.8. After the Appointed Date, obligation for deduction of tax at source on any payment made by or to be made by the Transferor Company including but not limited to obligation under the IT Act, customs law, goods and service tax law or other applicable laws / regulations dealing with taxes / duties / levies shall be made or deemed to have been made and duly complied with by the Transferee Company.
- 14.9. Without prejudice to the generality of the above, all benefits, incentives, losses, credit for tax including on book profits, accumulated losses, credits (including, without limitation income tax, excise duty, service tax, applicable state value added tax, cenvat credit, goods and service tax credit, etc.) to which the Transferor Company is entitled to in terms of applicable laws, shall be available to and vest in the Transferee Company on and after the Appointed Date, even if such credits have not been availed off in the books as on the date of transfer. Also, the Transferee Company will be entitled to avail Cenvat Credit / Goods and Service Tax Credit after the Appointed Date in respect of all duties / taxes where the documents are in the name of the Transferor Company. Further, licenses issued to the Transferor Company by any regulatory authorities, if any, and all benefits and tax credits, if any, associated with it shall stand transferred to the Transferee Company upon the Scheme becoming effective.

## 15. DISSOLUTION OF THE TRANSFEROR COMPANY WITHOUT WINDING UP

## 16. COMBINATION OF AUTHORISED SHARE CAPITAL

- 16.1. Upon the Scheme becoming effective, the Authorised Share Capital of the Transferor Company shall stand transferred, re-organised, credited and merged with that of the Transferee Company without payment of additional fees and stamp duty as the said fees and stamp duty have already been paid by the Transferor Company and the Authorised Share Capital of the Transferee Company will be increased to that effect by just filing requisite forms and no separate procedure shall be followed under the Act. Consequently, the Memorandum of Association of the Transferee Company shall without any act, instrument or deed be and stand altered, modified and amended pursuant to Sections 13, 61 and other applicable provisions of the Act as follows:

The Share Capital of the Company is Rs.103,50,00,000/- (Rupees One hundred three crore and fifty lakhs only) divided into 9,65,00,000 Equity Shares of Rs.10/- each and Rs. 7,00,000 preference shares of Rs. 100 each. The Company has the power from time to time to increase or reduce its capital and to issue any shares in the original or new capital as equity or preference shares and to attach to any class or classes of such shares, any preference, rights, privileges or priorities in

payment of dividends or distribution of assets or otherwise over any other shares or to subject the same to any restrictions, limitations, or conditions and to vary the regulations of the Company, as far as necessary to give effect to the same and upon the sub-division of any share to apportion the right to participate in profits in any manner.

- 16.2. The approval of this Scheme under Sections 230 to 232 of the Companies Act, 2013 shall be deemed to have the approval under Section 13, 61 and other applicable provisions of the Companies Act, 2013, and any other approvals required in this regard. It is clarified that the approval of the members of the Transferee Company to the Scheme shall be deemed to be their approval also to the alteration to the Memorandum of Association of the Transferee Company as may be required under the Act.

### PART – III

#### GENERAL CLAUSES, TERMS AND CONDITIONS

#### **17. DIVIDENDS**

- 17.1. The Transferor Company and the Transferee Company shall be entitled to declare and pay dividends to their respective shareholders in respect of the accounting period commencing from and after Appointed Date and up to the Effective Date. The dividend, if any, shall be declared by the Transferor Company only with the prior written consent of the Board of Directors of the Transferee Company.
- 17.2. It is clarified that the provisions in respect of declaration of dividends are enabling provisions only and shall not be deemed to confer any right on any shareholders of the Transferor Company and/or the Transferee Company to demand or claim any dividends which, subject to the provisions of the Act, shall be entirely at the discretion of the Board of Directors of the Transferee Company, subject to such approval of the shareholders, as may be required.

#### **18. VALIDITY OF RESOLUTIONS**

Upon the coming into effect of the Scheme, the resolutions passed by the Board of Directors and/or shareholders of the Transferor Company as are considered necessary by the Board of Directors of the Transferee Company and which are valid and subsisting shall continue to be valid and subsisting and be considered as the resolutions of the Transferee Company and if any such resolutions have monetary limits approved under the provisions of the Act, or any other applicable statutory provisions, then the said limits as are considered necessary by the Board of Directors of the Transferee Company shall be added to the limits if any, under like resolutions passed by the Board of Directors and/or the shareholders of the Transferee Company and shall constitute the aggregate of the said limits in the Transferee Company.

#### **19. APPLICATIONS TO THE NCLT**

All the Transferor Company and the Transferee Company, shall with all reasonable dispatch, make applications to the NCLT, Chennai Bench since the registered office of Transferor Company and Transferee Company is situated in Chennai. **Subject: Recommendation of share exchange ratio for the proposed amalgamation of Sundaram Hydraulics Limited ('SHL') with Wheels India Limited ('WIL').**

Dear Sir/ Madam,

We refer to the engagement letter dated 02 November 2021 and discussion undertaken with the Management of Wheels India Limited ('WIL' or 'Transferee Company') and Sundaram Hydraulics Limited ('SHL' or 'Transferor Company') (hereinafter both of them together referred to as 'the Management'), wherein the Management has requested Niranjan Kumar, Registered Valuer – Securities or Financial Assets ('NK', 'we' or 'us') to undertake a valuation exercise and recommend a share exchange ratio for the proposed amalgamation of SHL (Transferor Company) with WIL (Transferee Company) ('Proposed amalgamation').

Hereinafter the Management including the Board of Directors of WIL and SHL shall together be referred to as 'the Management'; the Transferor Company and Transferee Company shall together be referred to as 'Transacting Companies'.

Please find enclosed the report (comprising 15 pages including annexures) detailing our recommendation of share exchange ratio for the proposed amalgamation, the methodologies employed and the assumptions used in our analysis.

This report sets out our scope of work, background, source of information, procedures performed by us, and our recommendation of the share exchange ratio.

**BACKGROUND, SCOPE AND PURPOSE OF THIS REPORT**

**Wheels India Limited ('WIL' or 'Transferee Company')** was incorporated on 13 June 1960 and is engaged in the business of manufacturing of automotive and industrial components. Its product portfolio comprises of steel wheels and forged aluminium wheels; air suspension systems for buses, trucks and trailers; control and speciality products; and machined components for various other applications. WIL holds 16.3% equity stake in Sundaram Hydraulics Limited, 74.0% stake in WIL Car Wheels Limited and 9.5% stake in Axles India Limited (WIL Car Wheels Limited and Axles India Limited are hereinafter together referred to as 'the investee companies of WIL'). The equity shares of WIL are listed on BSE and NSE.

**Sundaram Hydraulics Limited ('SHL' or 'Transferor Company')** was incorporated on 07 December 2007 and is engaged in the business of design, manufacture, and distribution of hydraulic cylinders for the domestic and global MCE industry. SHL is also engaged in manufacturing of axle shafts for dump trucks and cylinders for windmill and subcontracting excavator cylinders for overseas companies. The equity shares of SHL are unlisted.

We understand that the Management of the Transacting Companies are contemplating a scheme of amalgamation, wherein they intend to amalgamate SHL with WIL; in accordance with the provisions of Sections 230 to 232 of the Companies Act, 2013 or any statutory modifications, re-enactment or amendments thereof for the time being in force ("the Act") read with the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 ("the Rules"), as amended from time to time and all other applicable provisions, if any, of the Act and any other applicable law for the time being in force including the applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the circulars issued therein, in each case, as amended from time to time, and in a manner provided in the Draft Scheme of Amalgamation ('the Scheme'). Further, as consideration for the proposed amalgamation under Part II of the Scheme, equity shares of the Transferee Company would be issued to the equity shareholders of Transferor Company respectively;

The equity shares to be issued for the aforesaid proposed amalgamation will be based on the share exchange ratio as determined by the Board of Directors on the basis of the share exchange ratio report prepared by us.

In connection with the above mentioned proposed amalgamation, the Management has appointed Niranjana Kumar, Registered Valuer – Securities or Financial Assets ('NK') to submit a report recommending a share exchange ratio for the proposed amalgamation.

We would like to emphasize that certain terms of the proposed amalgamation are stated in our report, however the detailed terms of the proposed amalgamation shall be more fully described and explained in the Scheme document to be submitted with relevant authorities in relation to the proposed amalgamation. Accordingly, the description of the terms and certain other information contained herein is qualified in its entirety by reference to the underlying Scheme.

We understand that the appointed date for the proposed amalgamation shall be 01 October 2021 as defined in the Scheme or such other date as the competent authority may direct or approve. We have determined the share exchange ratio for the proposed amalgamation as at the report date ('Valuation Date').

The scope of our services is to conduct a relative (and not absolute) valuation exercise as at the Valuation Date to determine the equity value of the Transacting Companies and then arrive at the share exchange ratio using internationally accepted valuation methodologies as may be applicable to the Transacting Companies including requirement prescribed by the Securities Exchange Board of India ('SEBI') Regulations as may be applicable to listed companies and report on the same in accordance with generally accepted professional standards including ICAI Valuation Standards, 2018 notified by the Institute of Chartered Accountants of India (ICAI).

The Management have informed us that:

- a) There would not be any capital variation in the Transacting Companies till the proposed amalgamation becomes effective without approval of the shareholders and other relevant authorities;
- b) Till the proposed amalgamation becomes effective, neither of the Transacting Companies would declare any dividend which are materially different from those declared in the past few years.
- c) There are no unusual/ abnormal events in the Transacting Companies other than those represented to us by the Management till the report date materially impacting their operating / financial performance.

- d) There would be no significant variation between the Scheme and the final scheme approved and submitted with the relevant authorities.

This report is our deliverable for the said engagement and is subject to the scope, assumptions, exclusions, limitations and disclaimers detailed hereinafter. As such, the report is to be read in totality and in conjunction with the relevant documents referred to therein.

- realisation of cashflow projections as provided by the Management relating to SHL;
- market price reflecting the fair value of the underlying equity shares of WIL; and
- data detailed in the section - Sources of Information

We have been informed that the business activities of the Transacting Companies have been carried out in the normal and ordinary course between the latest available financials and the report date and that no material changes have occurred in their respective operations and financial position between the latest available financial statements and the report date.

A value analysis of this nature is necessarily based on the prevailing stock market, financial, economic and other conditions in general and industry trends in particular. It is based on information made available to us as of the date of this report, events occurring after that date hereof may affect this report and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this report.

The ultimate analysis will have to be tempered by the exercise of judicious discretion by the valuer and judgment taking into account the relevant factors. There will always be several factors e.g. Management capability, present and prospective yield on comparable securities, market sentiment etc., which are not evident on the face of the financial statement, but which will strongly influence the worth of a share.

The recommendation(s) rendered in this report only represent our recommendation(s) based upon information furnished by the Transacting Companies till the date of this report and other sources, and the said recommendation(s) shall be considered to be in the nature of non-binding advice (our recommendation should not be used for advising anybody to take buy or sell decision, for which specific opinion needs to be taken from expert advisors).

The determination of fair value for arriving at share exchange ratio is not a precise science and the conclusions arrived at in many cases, will, of necessity, be subjective and dependent on the exercise of individual judgment. There is, therefore, no indisputable single fair value. While we have provided our recommendation of the share exchange ratio based on the information available to us and within

the scope and constraints of our engagement, others may have a different opinion. The final responsibility for the determination of the share exchange ratio at which the proposed amalgamation shall take place will be with the Board of Directors of the Transacting Companies, who should take into account other factors such as their own assessment of the proposed amalgamation and input of other advisors.

In the course of our analysis, we were provided with both written and verbal information, including market, technical, financial and operating data including information as detailed in the section – Sources of Information.

In accordance with the terms of our engagement, we have assumed and relied upon, without independent verification of

- the accuracy of information that was publicly available; and
- the accuracy of information made available to us by the Management;

both of which formed a substantial basis for the report.

We have not carried out a due diligence or audit or review of the Transacting Companies for the purpose of this engagement, nor have we independently investigated or otherwise verified the data provided.

We are not legal or regulatory advisors with respect to legal and regulatory matters for the proposed amalgamation. We do not express any form of assurance that the financial information or other information as prepared and provided by the Management of the Transacting Companies is accurate. Also, with respect to explanations and information sought from the advisors, we have been given to understand by the Transacting Companies that they have not omitted any relevant and material factors and that they have checked the relevance or materiality of any specific information to the present exercise with us in case of any doubt. Accordingly, we do not express any opinion or offer any form of assurance regarding its accuracy and completeness.

Our conclusions are based on these assumptions and information given by/ on behalf of the Management. The Management has indicated to us that they have understood any omissions, inaccuracies or misstatements may materially affect our recommendation. Accordingly, we assume no responsibility for any errors in the information furnished by the Transacting Companies and their impact on the report. Also, we assume no responsibility for technical information (if any) furnished by the Transacting Companies. However, nothing has come to our attention to indicate that the information provided to us was materially misstated/ incorrect or would not afford reasonable grounds upon which to base the report. We do not imply and it should not be construed that we have verified any of the information provided to us, or that our inquiries could have verified any matter, which a more extensive examination might disclose.

The report assumes that the Transacting Companies comply fully with relevant laws and regulations applicable in all its areas of operations and that the Transacting Companies will be managed in a competent and responsible manner. Further, except as specifically stated to the contrary, this report has given no consideration on to matters of a legal nature, including issues of legal title and compliance with local laws and litigation and other contingent liabilities that are not represented to us by the Management.

This report does not look into the business/ commercial reasons behind the proposed amalgamation nor the likely benefits arising out of the same. Similarly, the report does not address the relative merits of the proposed amalgamation as compared with any other alternative business transaction, or other alternatives, or whether or not such alternatives could be achieved or are available. This report is restricted to recommendation of share exchange ratio only.

We must emphasize that the latest financials of the Transacting Companies and investee companies of WIL as at the report date were not provided by the Management for the purpose of our value analysis, however, the Management has represented that they do not expect significant change in net asset position between 30 September 2021 and report date. We have therefore considered the audited/ limited reviewed financial statements for the six months' period ended 30 September 2021 for the purpose of our analysis.

Certain terms of the proposed amalgamation are stated in our report, however the detailed terms of the proposed amalgamation shall be more fully described and explained in the Scheme document to be submitted with relevant authorities in relation to the proposed amalgamation. Accordingly, the description of the terms and certain other information contained herein is qualified in its entirety by reference to the Scheme document.

The fee for the Engagement is not contingent upon the results reported.

We owe responsibility only to the Board of Directors of the Transacting Companies who have appointed us, and nobody else. We do not accept any liability to any third party in relation to the issue of this report. It is understood that this analysis does not represent a fairness opinion. In no circumstance shall our liability exceed the amount as agreed in our Engagement Letter.

This valuation report is subject to the laws of India.

Neither the report nor its contents may be referred to or quoted in any registration statement, prospectus, offering memorandum, annual report, loan agreement or other agreement or document given to third parties, other than in connection with the purpose of determining the share exchange ratio for the proposed amalgamation and relevant filing with regulatory authorities in this regard, without our prior written consent.

In addition, this report does not in any manner address the prices at which equity shares of WIL shall trade following announcements of the proposed amalgamation and we express no opinion or recommendation as to how shareholders of the Transacting Companies should vote at any shareholders' meetings. Our report and the opinion/ valuation analysis contained herein is not to be construed as advice relating to investing in, purchasing, selling or otherwise dealing in securities.

## VALUATION APPROACHES

### Basis and Premise of Valuation

Valuation of the Transacting Companies as on the Valuation Date is carried out in accordance with ICAI Valuation Standards ("ICAI VS"), considering 'Fair Value' base and 'going concern value' premise. Any change in the valuation base, or the valuation premise could have a significant impact on the valuation outcome of the Company.

#### Basis of Valuation

It means the indication of the type of value being used in an engagement. Fair Value as per ICAI VS is defined as under:

"Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the valuation date."

#### Premise of Value

Premise of Value refers to the conditions and circumstances how an asset is deployed. Valuation of the Specified Business is carried out on a Going Concern Value premise which is defined under ICAI VS as under:

"Going concern value is the value of a business enterprise that is expected to continue to operate in the future. The intangible elements of going concern value result from factors such as having a trained work force, an operational plant, the necessary licenses, systems, and procedures in place, etc."

It is pertinent to note that the valuation of any business/company or its assets is inherently imprecise and is subject to various uncertainties and contingencies, all of which are difficult to predict and are beyond our control. In performing our analysis, we made numerous assumptions considering inter-alia dependency and financial assistance from existing shareholders and general business and economic conditions, many of which are beyond the control of the company. In addition, this valuation will fluctuate with changes in prevailing market conditions, and prospects, financial and otherwise, of the business, and other factors which generally influence the valuation of the company, its business and assets.

The application of any particular method of valuation depends on the purpose for which the valuation is done. Although, different values may exist for different purpose, it cannot be too strongly emphasized that a valuer can only arrive at one value for one purpose. Our choice of methodology of valuation has been arrived at using usual and conventional methodologies adopted for transactions of similar nature and our reasonable judgment, in an independent and bona fide manner based on our previous experience of assignments of a similar nature.

The following are commonly used and accepted methods for determining the value of the equity shares of a company:

1. Market Approach:
  - a) Market Price method
  - b) Comparable Companies Market Multiple method
2. Income Approach – Discounted Cash Flow method
3. Asset Approach – Net Asset Value method

For the proposed amalgamation, we have considered the following commonly used and accepted methods for determining the value of the equity shares of the Transacting Companies for the purpose of recommending the share exchange ratio, to the extent relevant and applicable:

## 1. Market Approach

### a) Market Price Method

The market price of an equity share as quoted on a stock exchange is normally considered as the value of the equity shares of that company where such quotations are arising from the shares being regularly and freely traded in, subject to the element of speculative support that may be inbuilt in the value of the shares. But there could be situations where the value of the shares as quoted on the stock market would not be regarded as a proper index of the fair value of the share especially where the market values are fluctuating in a volatile capital market.

*In the present case, equity shares of WIL are listed on NSE, they are widely held, regularly and frequently traded with reasonable volumes on both the exchanges. We have therefore used the market price approach to value the equity shares of WIL.*

*Equity shares of SHL are not listed on any stock exchange. We have therefore not considered the market price method to determine the fair value of equity shares of SHL.*

*Since in the subject case equity shares of a listed company i.e. WIL would be issued to the shareholders of unlisted company i.e. SHL, the minimum price at which shares are to be issued is prescribed under Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulation, 2018 issued vide notification No. SEBI/LAD-NRO/GN/2018/31 dated 11 September 2018 and as amended from time to time. The regulation reads as under:*

*The price of equity shares to be issued shall be determined by Regulation 164. The relevant extract of the regulations is:*

#### **Regulation 164 (Pricing of frequently traded shares)**

*(1) If the equity shares of the issuer have been listed on a recognised stock exchange for a period of twenty six weeks or more as on the relevant date, the price of the equity shares to be allotted pursuant to the preferential issue shall be **not less than higher of** the following:*

- (a) the average of the weekly high and low of the volume weighted average price of the related equity shares quoted on the recognised stock exchange during the **twenty-six weeks** preceding the relevant date; or*
- (b) the average of the weekly high and low of the volume weighted average prices of the related equity shares quoted on a recognised stock exchange during the **two weeks** preceding the relevant date.*

*The relevant date for the purpose of computing the price of the equity shares of WIL has been considered to be the date of the board meeting of WIL approving the Scheme in accordance with the SEBI Circulars relating to schemes of arrangement. We have therefore considered the prices upto a day prior to the relevant date i.e. price upto 06 December 2021 have been considered, to ensure that the price of WIL shares being considered for the exchange are not less than the minimum price arrived under the above formula prescribed under Regulation 164.*

**b) Comparable Companies Multiples ('CCM') / Comparable Transactions Multiples ('CTM') method**

Under CCM, the value of shares/ business of a company is determined based on market multiples of publicly traded comparable companies. This valuation is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. CCM applies multiples derived from similar or 'comparable' publicly traded companies. Although no two companies are entirely alike, the companies selected as comparable companies should be engaged in the same or a similar line of business as the subject company. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

*Based on our analysis and discussion with the Management, we understand that there are comparable listed companies which operate in similar line of business and having similar business models as that of the Transacting Companies including the investee companies of WIL, we have therefore used CCM Method for valuing equity shares of the Transacting Companies.*

Under CTM, the value of shares/ business of a company is determined based on market multiples of publicly disclosed transactions in the similar space as that of the subject company. Multiples are generally based on data from recent transactions in a comparable sector, but with appropriate adjustment after consideration has been given to the specific characteristics of the business being valued.

*Based on our analysis and discussion with the Management, we understand that there are no recent comparable transactions, data of which is available in public domain, involving companies of similar nature and having a similar operating/ financial metrics as that of Transacting Companies, we have therefore not used CTM method to value the shares of these Companies.*

**2. Income Approach – Discounted Cash Flow Method ('DCF')**

DCF method values a business based upon the available cash flow a prudent investor would expect the subject business to generate over a given period of time. This method is used to determine the present value of a business on a going concern assumption and recognizes the time value of money by discounting the free cash flows for the explicit forecast period and the terminal value at an appropriate discount factor. The free cash flows represent the cash available for distribution to both the owners of and lenders to the business. The terminal value represents the total value of the available cash flow for all periods subsequent to the forecast period. The terminal value of the business at the end of the forecast period is estimated and discounted to its equivalent present value and added to the present value of the explicit forecast period cash flow to estimate the value of the business.

The projected free cash flows are discounted by the Weighted Average Cost of Capital (WACC) to arrive at the enterprise value. The WACC represents the returns required by the investors of both debt and equity weighed to their relative funding in the entity.

*WIL is a listed company and since the information related to future financial projections of the Company is price sensitive in nature, we were not provided with the financial projections of these Companies by the Management. We have therefore not used DCF method to determine the fair value of the equity shares of WIL.*

*SHL is a profit making company and generates surplus cash. Going forward as well, SHL is expected to make profits and generate surplus cash in future. We have therefore used DCF method to determine the fair value of the equity shares of SHL.*

### 3. Asset Approach - Net Asset Value Method ('NAV')

The asset-based value analysis technique is based on the value of the underlying net assets of the business, either on a book value basis or realizable value basis or replacement cost basis. This methodology is likely to be appropriate for business which derives value mainly from the underlying value of its assets rather than its earnings. It is also used where the main strength of the business is its asset backing rather than its capacity or potential to earn profits.

*WIL and SHL, presently operate as a going concern and would continue to do so for the foreseeable future and NAV Method does not value the future profit generating ability of the business, we have therefore not used this method to value the equity shares of WIL and SHL.*

# RECOMMENDATION OF THE RATIO OF SHARE EXCHANGE FOR THE PROPOSED AMALGAMATION.

The share exchange ratio has been arrived at on the basis of a relative (and not absolute) equity value of the Transferor company and Transferee company for the proposed scheme of amalgamation based on the various methodologies mentioned herein earlier. Suitable rounding off have been carried out wherever necessary to arrive at the recommended share exchange ratio.

*Refer Annexure 1 for value per share under different methods prescribed and the share exchange ratio.*

In light of the above and on a consideration of all the relevant factors and circumstances as discussed and outlined herein above including scope, limitations and assumptions describe in this report and the engagement letter, we recommend the share exchange ratio as follows:

## To the equity shareholders of SHL:

*151 (One Hundred and Fifty One) equity shares of WIL having face value of INR 10 each fully paid up shall be issued for every 15,000 (Fifteen Thousand) equity shares held in SHL having face value of INR 10 each fully paid up.*

Respectfully submitted,

**Notes:**
**1) Market Approach – Market Price Method**

The equity shares of SHL are not listed on any stock exchange, we have therefore not considered market price method to determine the fair value of equity shares of SHL.

**2) Income Approach- Discounted Cash Flow Method**

WIL is a listed company and since the information related to future financial projections of the Company is price sensitive in nature, we were not provided with the financial projections of WIL by the Management. We have therefore not used DCF method to determine the fair value of the equity shares of WIL.

**3) Asset Approach- NAV Method**

WIL and SHL, presently operate as a going concern and would continue to do so for the foreseeable future and NAV Method does not value the future profit generating ability of the business, we have therefore not used this method to value the equity shares of WIL and SHL.

<b>Total</b>	<b>2,40,64,558</b>	<b>100.0%</b>

**2. TRANSACTION OVERVIEW AND SCOPE OF SERVICES****Transaction Overview**

We understand that the Management of the Transacting Companies are contemplating a scheme of amalgamation, wherein they intend to amalgamate Sundaram Hydraulics Limited with Wheels India Limited in accordance with the provisions of Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 and in a manner provided in the draft scheme of amalgamation (hereinafter referred to as 'the Scheme').

As a consideration for the proposed amalgamation, equity shareholders of SHL would be issued equity shares of WIL. The equity shares to be issued for the aforesaid proposed amalgamation will be based on the share exchange ratio as determined by the Board of Directors based on the share exchange ratio report prepared by Independent Valuer appointed by them.

**Scope of Services**

Pursuant to Regulation 37 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular No. CFD/DIL3/CIR/2017/21 dated March 10, 2017 or SEBI Master Circular No. SEBI/HO/CFD/DIL1/CIR/P/2020/249 dated December 22, 2020, as amended from time to time, we have been requested by the Management to issue a fairness opinion in relation to the share exchange ratio recommended by Independent Valuer vide report dated 07 December 2021 for the proposed amalgamation of Transferor Company with Transferee Company.

In this regard, the Management has appointed Kunvarji Finstock Private Limited ("Kunvarji" or "We" or "us"), SEBI Registered (Category I) Merchant Banker to provide fairness opinion on the share exchange ratio recommended by an Independent Valuer as at Valuation Date for the Proposed amalgamation.

Our scope of work only includes forming an opinion on the fairness of the recommendation of the Valuer on the share exchange ratio arrived at for the purpose of Scheme and does not involve evaluating or opining on the fairness or economic rationale of the Scheme per se. This report is subject to the scope, assumptions, exclusions, limitations and disclaimers detailed hereinafter. As such, the Report is to be read in totality, and not in parts, in conjunction with the relevant documents referred to herein.

**3. SOURCES OF INFORMATION**

**5. OUR RECOMMENDATION**

As stated in the Share Exchange Ratio Report dated 07 December 2021 prepared by Niranjana Kumar, Registered Valuer- Securities or Financial Assets, they have recommended the following:

*"151 (One Hundred and Fifty One) equity shares of WIL having face value of INR 10 each fully paid up shall be issued for every 15,000 (Fifteen Thousand) equity shares held in SHL having face value of INR 10 each fully paid up."*

The aforesaid amalgamation shall be pursuant to the draft scheme of amalgamation and shall be subject to receipt of approval from the National Company Law Tribunal or such other competent authority as may be applicable and other statutory approvals as may be required. The detailed terms and conditions of the amalgamation are more fully set forth in the draft scheme of amalgamation. Kunvarji has issued the fairness opinion with the understanding that draft scheme of amalgamation shall not be materially altered and the parties hereto agree that the Fairness Opinion would not stand good in case the final scheme of amalgamation alters the Proposed Transaction.

Based on the information, data made available to us, to the best of our knowledge and belief, the Share exchange ratio as recommended by Niranjana Kumar, Registered Valuer- Securities or Financial Assets in relation to the proposed draft scheme of amalgamation is fair to the equity shareholders of WIL and SHL in our opinion.

## **INDEPENDENT AUDITOR'S REPORT**

**To the Members of Wheels India Limited**

**Report on the Audit of the Standalone Ind AS Financial Statements**

### **Opinion**

We have audited the accompanying standalone Ind AS financial statements of Wheels India Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, and the statement of Profit and Loss (including Other Comprehensive Income), statement of changes in Equity and statement of Cash Flows for the year then ended, and notes to the standalone Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and Profit and Other Comprehensive Loss, changes in Equity and its Cash Flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

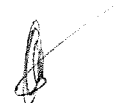

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibility of Management for Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

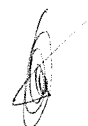

The Board of Directors are also responsible for overseeing the company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" to this report a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including the statement of Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

- e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B” to this report.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - (i) The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements. Refer Note No.27 (1) (b) of Standalone Ind AS Financial Statements.
  - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - (iii) There has been generally no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the Company.
  - (iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (c) Based on the audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations as provided under (a) and (b) above, contain any material misstatement.

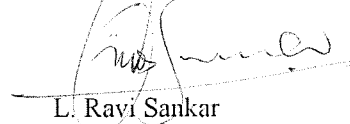

- (v) The final dividend declared and paid by the Company during the year in respect of the previous financial year is in accordance with section 123 of the Act 2013 to the extent it applies to payment of dividend.

The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

**“Annexure - A” to the Independent Auditor’s Report**

**Referred to in paragraph 1 under Report on Other Legal and Regulatory Requirements of our report of even date**

- (i) a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property plant and equipment.

The Company has maintained proper records showing full particulars of intangible assets.

- b) The Property Plant and Equipment were physically verified by the management during the year, in accordance with an annual plan of verification, which in our opinion is reasonable having regard to the size of the Company and the nature of the Property Plant and Equipment. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- c) The Title deeds of all the immovable properties owned by the company are held in the name of the Company.
- d) The Company has not revalued any of its Property, Plant and Equipment and Intangible Assets during the year.
- e) No proceedings have been initiated during the year or are pending against the company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) a) The inventories have been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records which were not material, have been properly dealt with in the books of account.
- b) The Company has been sanctioned working capital limits in excess of five crore rupees in aggregate from banks during the year on the basis of security of current assets. The quarterly returns or statements filed by the company with such banks are in agreement with the books of account of the Company.
- (iii) Based on our examination of records and according to the information and explanations given to us, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, in respect of which:
- a) The Company has not made any investment and not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year, and hence reporting under clause 3(iii)(a) to 3(iii)(f) of the Order is not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loan to its directors, covered under Section 185 of Companies Act, 2013. Section 186 of the Companies Act, 2013 is not applicable to the company for the year.
- (v) The Company has accepted public deposits and has complied with the provisions of sections 73 to 76 of the Companies Act or any other relevant provisions of the Act and rules made thereunder.
- (vi) The Maintenance of cost records has been specified by the Central Government under subsection (1) of section 148 of the Act in respect of the products manufactured by the Company and we have broadly reviewed the cost records and are of the opinion that, prima facie, the prescribed cost records have been

so made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

- (vii) a) The Company is regular in depositing undisputed statutory dues including goods and service tax, provident fund, employees' state insurance, income tax, and other statutory dues applicable to it during the year with appropriate authorities. According to the information and explanations given to us, there were no undisputed amounts payable in respect of these statutory dues outstanding as at March 31, 2022 for a period of more than six months from the date they became payable.
- b) In our opinion and according to the information and explanations given to us, there are no dues of income tax, duty of customs and Goods and Service tax which have not been deposited on account of any dispute. The dues in respect of Service tax which have not been deposited on account of dispute are as follows:

**“Annexure - B” to the Independent Auditors’ Report**

**Referred to in paragraph 2(f) under Report on Other Legal and Regulatory Requirements of our report of even date**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Wheels India Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

**Auditors’ Responsibility**

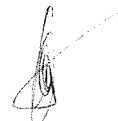

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or

timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

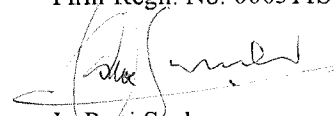

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

**A. SIGNIFICANT ACCOUNTING POLICIES****a) Basis of Preparation**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified under Companies (Indian Accounting Standards) Rules 2015.

The financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently for all the periods presented in the financial statements.

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

The Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company's normal operating cycle has been ascertained as 12 months based on the nature of products and the time between acquisition of assets for processing and their realisation in cash or cash equivalents.

b) These financial statements are prepared under the historical cost convention unless otherwise indicated.

**c) Property, Plant and Equipment**

a) Property, plant and equipment is stated at acquisition cost net of GST credits as reduced by accumulated depreciation and accumulated impairment losses, if any.

b) Depreciation on Property, Plant and Equipment has been provided under the Straight Line Method in accordance with Schedule II of the Companies Act 2013.

c) Leasehold Land: Premium paid on Leasehold Land is amortised over the lease period.

d) The expenditure during construction period relating to the new project till the commencement of commercial production is capitalised and allocated to the relevant equipments.

e) In accordance with IndAS 23, the borrowing costs attributable to the qualifying assets that necessarily takes substantial period to get ready for its intended use are capitalised.

f) Grants received for Investment in Property Plant & Equipment are recognized in Statement of Profit or Loss on a systematic basis over the useful life of the asset.

g) The cost of software relating to ERP is amortised over the estimated useful life viz., 5 years. The cost of other intangible assets are amortised over the estimated useful life viz., 3 years.

h) Upon first time adoption of IndAS, the carrying value of all the assets as at Transition date i.e. 01st April 2016 has been considered as its Deemed cost.

**d) Investments in Subsidiaries and Associates**

Investments in subsidiaries and associates are carried at cost less accumulated impairment losses if any.

**e) Inventories**

The stock of raw materials, work-in-progress, stores, loose tools and goods in transit are valued at cost (net of GST credits) on weighted average basis.

The stock of finished goods are valued at cost (net of GST credits including appropriate overheads) or net realisable value whichever is lower.

f) **Financial instruments**

**i) Financial assets:**

Financial asset is recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss, its transaction cost is recognised in the Statement of profit and loss. In other cases, the acquisition cost of the financial assets is net of the attributable transaction cost.

Financial assets are subsequently classified and measured at:

- i) Amortised cost or
- ii) Fair Value through profit and loss (FVTPL)
- iii) Fair Value through other comprehensive income (FVTOCI)

**Trade receivables and Loans:**

Trade receivables and Loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using Effective Interest Rate method net of any expected credit losses. The Effective Interest Rate is the rate that discounts estimated future cash receipts through the expected life of financial instrument.

**Investments:**

All investments in equity instruments (other than in Subsidiaries and Associates covered under (d) above) classified under financial assets, are initially measured at fair value. Fair Value changes on an Equity instruments is recognised in the Statement of Profit and Loss or Other Comprehensive Income, as the case may be.

Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

**ii) Financial liabilities:**

Financial liabilities are initially measured at amortised cost. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost using Effective Interest Rate method.

g) **Provisions and Contingent liabilities:**

Provisions are recognised when the Company has a present obligation as a result of an event and is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligations. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that a outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

h) **Revenue recognition:**

Revenue from the sale of goods is recognised when the control over the goods have been transferred to customers. Service income is recognised once the obligations are performed. Interest income is recognised at Effective Interest Rate method. Dividend income is recognised when right to receive the payment is established. Export incentives are recognised as revenue as and when exports are made.

i) **Employee Benefits**

**Provident Fund:**

Eligible employees receive benefits from Provident Fund which is defined contribution plan. Both, the employees and the Company make monthly contributions to the regional provident fund authorities/ Company's Employees Provident Fund Trust. The Company has an obligation to make good the shortfall, if any between the return from the investments made from the trust and the notified interest rate accrued to the employees account.

**Gratuity:**

The gratuity plan provides for a lump sum payment to vested employees eligible for gratuity at the time of retirement, death, incapacity or termination of employment. Liabilities with regard to the gratuity plan are determined by actuarial valuation as at the Balance Sheet date based upon which the Company contributes all the ascertained liabilities to LIC, which is the administrator of the plan.

**Unencashed Leave Salary:**

Unencashed leave salary is accounted on actuarial valuation and the Company contributes part of the ascertained liabilities to SBI Life Insurance Company Limited, which is the administrator of the plan.

**Others:**

Contributions to defined contribution schemes such as Employees State Insurance, Superannuation are charged as expenses based on the amount of contribution required to be made. These benefits are classified as defined contribution schemes as the Company has no obligation beyond what has been recognised as expense in the Statement of profit and loss.

**j) Research & Development expenses:**

Revenue expenditure on Research & Development is charged to profit & loss account in the year in which it is incurred.

**k) Leases:**

The company has applied IND AS 116 using modified retrospective approach. The Lease liability is initially measured at the present value of remaining payments as at the commencement date discounted using the lessee's incremental borrowing rate. The cost of Right of Use Assets shall comprise of amount of initial measurement of lease liability adjusted for any payments made after or before the commencement of lease term less any lease incentive received. The Leased Assets are depreciated on straight line basis over the period of lease.

**l) Foreign Currency Transactions**

Transactions in Foreign currencies are accounted at the rates of exchange prevailing as on the date of the transaction. Exchange differences arising on the settlement of such transactions are recognised in the Statement of Profit and Loss.

Monetary assets and liabilities denominated in foreign currency are reinstated at the rate of exchange prevailing on the reporting date.

**m) Derivative contracts:**

Forward contracts are entered to hedge the foreign currency risk. The profit/ loss arising on these contracts is accounted for as income/ expenditure on the date of settlement of the contract.

The outstanding contracts are Marked to Market on the reporting date and the net loss/ gain arising therefrom is recognised in the Statement of Profit and Loss.

**n) Earnings per share:**

Earnings per share (EPS) is computed by dividing the net profit/ (loss) after tax for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year

**o) Income taxes**

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised using the Balance sheet approach. Deferred tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Other deferred tax assets are recognised if there is reasonable certainty that there will be sufficient future taxable income available to realise such assets.

Deferred tax assets and liabilities are measured at the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

##### B. Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 hierarchy - Includes Financial Instruments measured using quoted prices in the active market.

Level 2 hierarchy - The Fair value of Financial Instruments that are not traded in an active market, is determined using valuation techniques which maximise the use of observable market data.

Level 3 hierarchy - Includes Financial Instruments for which one or more of the significant inputs are not based on observable market data. This is applicable for unlisted securities.

As at March 31, 2022	Level 1	Level 2	Level 3
<b>Financial Assets :</b>			
Equity shares			7.82
Derivative financial instruments		-	
<b>Total</b>			
<b>Financial Liabilities :</b>

As at March 31, 2021	Level 1	Level 2	Level 3
<b>Financial Assets :</b>			
Equity shares			10.26
Derivative financial instruments		-	
<b>Financial Liabilities :</b>			
Derivative financial instruments			

i) The Fair value of an Equity Instruments classified as at Fair value through profit or loss included under Level 3 Investments is determined using Cost approach.

ii) The Fair value of an Equity Instrument classified as at Fair value through Other Comprehensive Income included under Level 3 Investments is determined using Discounted Cash flow technique in the previous year and the same has been valued by Registered valuer taking a combination of comparable companies multiple method and Discounted cash flow method during the year.

iii) Valuation inputs are as follows :

	For the year ended	
Significant Unobservable Input :	31.03.2022	31.03.2021
a) Risk adjusted discount rate	* As per	9.58%
b) Earnings Growth rate	Valuation report	2.00%

\* Valuation as per the registered valuer, for the purpose of Scheme of Amalgamation of Sundaram Hydraulics Ltd. and Wheels India Ltd. has been taken as fair value of equity shares held by the company.

iv) There are no transfers between Level 2 and Level 3 during the year.

v) Trade Receivables, Trade Payables, Cash and Cash Equivalents and Other Financial Assets and B101Liabilities are stated at amortized cost which approximates their fair value.

#### C. Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. The Risk management policies have been established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review and reflect the changes in the policy accordingly.

##### a) Management of liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities . In doing this, management considers both normal and stressed conditions.

The Company regularly monitors the rolling forecasts and the actual cash flows to service the financial liabilities on a day-to-day basis through cash generation from business and by having adequate banking facilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

	Rs. In Crores

Other Financial Liabilities	28.68	15.00	43.68
<b>Derivative Liabilities</b>			
Forward exchange contracts	-	-	-
<b>b) Management of market risk:</b>			

The Company is exposed to the following market risks which affects the value of the Financial instruments :

1. Currency risk
2. Interest rate risk

**i) Foreign currency risk**

Foreign currency risk is the risk that the fair value of or future cash flows of an exposure will fluctuate because of the changes in foreign exchange rates. As at 31st March, 2022, the net un-hedged exposure to the Company on holding such financial assets and liabilities amounts to **Rs. 241.88 Crores**

The Company manages currency exposures by continuously monitoring the Foreign currency rates with the transaction rate and takes steps to mitigate the risk using Forward/ Derivative contracts.

**Sensitivity to risk**

A 5% strengthening of the INR against foreign currencies to which the Company is exposed (net of hedge) would have led to approximately an additional Gain of **Rs. 12.10 Crores** in the Statement of Profit and Loss. A 5% weakening of the INR against these currencies would have led to an equal impact but with opposite effect.

The Foreign exchange forward contracts as at 31st March, 2022 is "Nil" (31st March, 2021 - no contracts)

**ii) Interest rate Risk**

Interest rate is the risk that the Fair value of future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company has **Rs. 181.40 Crores** Borrowings at Floating rate of Interest as at 31st March, 2022 (previous year Rs. 200.84 Crores).

**Sensitivity to risk**

An increase in interest rate of 1% will likely to affect the profit negatively by **Rs. 1.81 crores** and a decrease of 1% would have led to an equal impact but with opposite effect.

**c) Management of credit risk**

Credit risk is the risk of financial loss to the Company if the other party to the financial assets fails to meet its contractual obligations.

**i) Trade Receivables:**

Concentration of credit risk with respect to trade receivables are limited as the customers are predominantly original equipment manufacturers (OEs). All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Hence, provision for credit loss is not required to be created as per Expected credit loss (ECL) method. Refer Note (f) for accounting policy on Financial Instruments.

**ii) Other Financial Assets:**

The Company has exposure in Cash and cash equivalents and term deposits with banks. The Company's maximum exposure to credit risk as at 31st March, 2022 is the carrying value of each class of financial assets as on that date.

## INDEPENDENT AUDITOR'S REPORT

To the Members of Wheels India Limited

### Report on the Audit of the Consolidated Ind AS Financial Statements

#### Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of Wheels India Limited ("the Holding Company") and its subsidiary (together referred as "Group"), its associate, which comprise the Consolidated Balance Sheet as at March 31, 2022, and the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated Ind AS financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on the financial statements of the Subsidiary and Associate, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its Associate as at March 31, 2022, of consolidated profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements section of our report. We are independent of the Group and its Associate in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Ind AS Financial Statements.

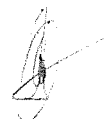

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the Consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management for the Consolidated Ind AS financial statements**

The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated Ind AS financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income and consolidated cash flows of the Group including its Associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

### **Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management in Consolidated Financial Statements.

- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate and to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the Consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision, performance and opinion in respect of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matters

- a) We did not audit the financial statements of the subsidiary, whose financial statements reflect total assets of Rs.257.27 Crores as at March 31, 2022, total revenue from operations of Rs.340.25 Crores and net cash inflows amounting to Rs.1.10 Crores for the year ended on that date, as considered in the consolidated Ind AS financial statements. The Consolidated Ind AS financial statements also include the Holding company's share of net profit of Rs. 3.80 crores for the year ended March 31, 2022, in respect of one associate, whose financial statements have not been audited by us. These financial statements of the subsidiary and associate company have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and associate and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary and associate is based solely on the reports of the other auditors.

Our opinion on the Consolidated Ind AS financial statements, and our report on other legal and regulatory legal requirements, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

### Report on Other Legal and Regulatory Requirements

**“Annexure - A” to the Auditors’ Report**

Referred to in Paragraph 1(f) under Report on Other Legal and Regulatory Requirements section of our report of even date

**Report on the Internal Financial Controls over Financial Reporting with reference to aforesaid Consolidated Ind AS Financial Statements under Clause (i) of Sub-Section 3 of Section 143 of the Companies, Act, 2013 (“the Act”)**

In conjunction with our audit of the Consolidated Ind AS financial statements of the Group as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of Wheels India Limited (hereinafter referred to as “the Holding Company”) and its subsidiary company and its associate company which are companies incorporated in India, as of that date.

**Management’s Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding company, its subsidiary company, its associate company which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company and associate company, which are companies incorporated in India in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company, its subsidiary company and its associate company, which are companies incorporated in India.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Holding Company, its subsidiary companies and associate companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Other Matters**

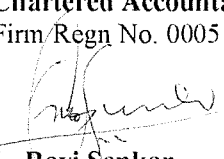

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to subsidiary company and one associate company, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

## A. Principles of Consolidation

The Consolidated Financial Statements (CFS) relate to Wheels India Limited ('the Company') and the Company's subsidiary and the share of profit in its associate (jointly considered as "Group" hereinafter). The CFS have been prepared on the following basis:

### a) Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

The financial statements of subsidiaries are included in the CFS from the date on which control is acquired until the date on which control ceases to exist. The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the Parent (WIL) and its Subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-Group transactions, balances and unrealised gains on transactions between Group Companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the Consolidated Statement of profit and loss, Consolidated statement of changes in equity and balance sheet respectively

### b) Associates

The CFS include the Share of profit of an associate company which have been accounted for using equity method as per "Accounting Standard (IndAS) 28 Investments in Associates and Joint Ventures" in CFS. Accordingly, the share of profit of the associate company has been added to the cost of investments.

The difference between the cost of investments in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the CFS as Goodwill or Capital Reserve as the case may be.

The financial statements of an Associate and Subsidiary used in the CFS are drawn upto the same reporting date as that of the Company i.e. 31st March, 2022

The CFS have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

Following entities have been considered in the preparation of the Consolidated Financial Statements:

Name of the Entity	Relationship	Country of Incorporation	% of Holding and Voting power
WIL Car Wheels Limited	Subsidiary	India	74.00%
Axles India Limited *	Associate	India	9.51%

\* By virtue of Articles of Association of Axles India Limited

**B. SIGNIFICANT ACCOUNTING POLICIES****a) Basis of Preparation**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified under Companies (Indian Accounting Standards) Rules 2015.

The financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently for all the periods presented in the financial statements.

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

The Assets and Liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Group's normal operating cycle has been ascertained as 12 months based on the nature of products and the time between acquisition of assets for processing and their realisation in cash or cash equivalents.

b) These financial statements are prepared under the historical cost convention unless otherwise indicated.

**c) Property, Plant and Equipment**

a) Property, plant and equipment is stated at acquisition cost net of GST credits as reduced by accumulated depreciation and accumulated impairment losses, if any.

b) Depreciation on Property, Plant and Equipment has been provided under the Straight Line Method in accordance with Schedule II of the Companies Act 2013.

c) Leasehold Land: Premium paid on Leasehold Land is amortised over the lease period.

d) The expenditure during construction period relating to the new project till the commencement of commercial production is capitalised and allocated to the relevant equipments.

e) In accordance with IndAS 23, the borrowing costs attributable to the qualifying assets that necessarily takes substantial period to get ready for its intended use are capitalised.

f) Grants received for Investment in Property Plant & Equipment are recognized in Statement of Profit or Loss on a systematic basis over the useful life of the asset.

g) The cost of software relating to ERP is amortised over the estimated useful life viz., 5 years. The cost of other intangible assets are amortised over the estimated useful life viz., 3 years.

h) Upon first time adoption of IndAS, the carrying value of all the assets as at Transition date i.e. 01st April 2016 has been considered as its Deemed cost.

**d) Inventories**

The stock of raw materials, work-in-progress, stores, loose tools and goods in transit are valued at cost (net of GST credits) on weighted average basis.

The stock of finished goods are valued at cost (net of GST credits including appropriate overheads) or net realisable value whichever is lower.

e) **Financial instruments**

i) **Financial assets:**

Financial asset is recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss, its transaction cost is recognised in the Statement of profit and loss. In other cases, the acquisition cost of the financial assets is net of the attributable transaction cost.

Financial assets are subsequently classified and measured at:

- i) Amortised cost or
- ii) Fair Value through profit and loss (FVTPL)
- iii) Fair Value through other comprehensive income (FVTOCI)

**Trade receivables and Loans:**

Trade receivables and Loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using Effective Interest Rate method net of any expected credit losses. The Effective Interest Rate is the rate that discounts estimated future cash receipts through the expected life of financial instrument.

**Investments:**

All investments in equity instruments (other than in Subsidiaries and Associates) classified under financial assets, are initially measured at fair value. Fair Value changes on an Equity instruments is recognised in the Statement of Profit and Loss or Other Comprehensive Income, as the case may be.

Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

ii) **Financial liabilities:**

Financial liabilities are initially measured at amortised cost. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost using Effective Interest Rate method.

f) **Provisions and Contingent liabilities:**

Provisions are recognised when the Group has a present obligation as a result of an event and is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligations. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that a outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

g) **Revenue recognition:**

Revenue from the sale of goods is recognised when the control over the goods have been transferred to customers. Service income is recognised once the obligations are performed. Interest income is recognised at Effective Interest Rate method. Dividend income is recognised when right to receive the payment is established. Export incentives are recognised as revenue as and when exports are made.

h) **Employee Benefits**

**Provident Fund:**

Eligible employees receive benefits from Provident Fund which is defined contribution plan. Both, the employees and the Group make monthly contributions to the regional provident fund authorities/ Wheels India Employees Provident Fund Trust. The Group has an obligation to make good the shortfall, if any between the return from the investments made from the trust and the notified interest rate accrued to the employees account.

**Gratuity:**

The gratuity plan provides for a lump sum payment to vested employees eligible for gratuity at the time of retirement, death, incapacity or termination of employment. Liabilities with regard to the gratuity plan are determined by actuarial valuation as at the Balance Sheet date based upon which the Group contributes all the ascertained liabilities to LIC, which is the administrator of the plan.

**Unencashed Leave Salary:**

Unencashed leave salary is accounted on actuarial valuation and the Group contributes part of the ascertained liabilities to SBI Life Insurance Group Limited, which is the administrator of the plan.

**Others:**

Contributions to defined contribution schemes such as Employees State Insurance, Superannuation are charged as expenses based on the amount of contribution required to be made. These benefits are classified as defined contribution schemes as the Group has no obligation beyond what has been recognised as expense in the Statement of profit and loss.

i) **Research & Development expenses:**

Revenue expenditure on Research & Development is charged to profit & loss account in the year in which it is incurred.

j) **Operating Leases:**

The Group has applied IND AS 116 using modified retrospective approach. The Lease liability is initially measured at the present value of remaining payments as at the commencement date discounted using the lessee's incremental borrowing rate. The cost of Right of Use Assets shall comprise of amount of initial measurement of lease liability adjusted for any payments made after or before the commencement of lease term less any lease incentive received. The Leased Assets are depreciated on straight line basis over the period of lease.

k) **Foreign Currency Transactions**

Transactions in Foreign currencies are accounted at the rates of exchange prevailing as on the date of the transaction. Exchange differences arising on the settlement of such transactions are recognised in the Statement of Profit and Loss.

Monetary assets and liabilities denominated in foreign currency are reinstated at the rate of exchange prevailing on the reporting date.

l) **Derivative contracts:**

Forward contracts are entered to hedge the foreign currency risk. The profit/loss arising on these contracts is accounted for as income/expenditure on the date of settlement of the contract.

The outstanding contracts are Marked to Market on the reporting date and the net loss/gain arising therefrom is recognised in the Statement of Profit and Loss.

m) **Earnings per share:**

Earnings per share (EPS) is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year

n) **Income taxes**

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised using the Balance sheet approach. Deferred tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets.

Other deferred tax assets are recognised if there is reasonable certainty that there will be sufficient future taxable income available to realise such assets.

Deferred tax assets and liabilities are measured at the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

#### Risk Exposure :

Through its defined benefit plans, the Group is, exposed to some of the general risks such as Investment Risk, Interest rate risk, Longevity risk and Salary escalation risk and having no entity specific risks .

The sensitivity analysis of the impact of changes in the above assumption is given in the below tables :

#### a) Gratuity

Assumptions	Change in Assumption	Rs. in Crores			
		Increase in Assumption		Decrease in Assumption	
		2021-22	2020-21	2021-22	2020-21

##### B. Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 hierarchy - Includes Financial Instruments measured using quoted prices in the active market.

Level 2 hierarchy - The Fair value of Financial Instruments that are not traded in an active market, is determined using valuation techniques which maximise the use of observable market data.

Level 3 hierarchy - Includes Financial Instruments for which one or more of the significant inputs are not based on observable market data. This is applicable for unlisted securities.

As at March 31, 2022	Level 1	Level 2	Level 3
<b>Financial Assets :</b>			
Equity shares			7.82
Derivative financial instruments		-	
<b>Total</b>			
<b>Financial Liabilities :</b>

As at March 31, 2021	Level 1	Level 2	Level 3
<b>Financial Assets :</b>			
Equity shares			10.26
Derivative financial instruments		22.65	
<b>Financial Liabilities :</b>			
Derivative financial instruments			

i) The Fair value of an Equity Instruments classified as at Fair value through profit or loss included under Level 3 Investments is determined using Cost approach.

ii) The Fair value of an Equity Instrument classified as at Fair value through Other Comprehensive Income included under Level 3 Investments is determined using Discounted Cash flow technique in the previous year and the same has been valued by Registered valuer taking a combination of comparable companies multiple method and Discounted cash flow method during the year.

iii) Valuation inputs are as follows :

	For the year ended	
Significant Unobservable Input :	31.03.2022	31.03.2021
a) Risk adjusted discount rate	* As per Valuation report	11.52%
b) Earnings Growth rate		2.00%

\* Valuation as per the registered valuer, for the purpose of Scheme of Amalgamation of Sundaram Hydraulics Ltd. and Wheels India Ltd. has been taken as fair value of equity shares held by the company.

iv) There are no transfers between Level 2 and Level 3 during the year.

v) Trade Receivables, Trade Payables, Cash and Cash Equivalents and Other Financial Assets and Liabilities are stated at amortized cost which approximates their fair value.

#### C. Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. The Risk management policies have been established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review and reflect the changes in the policy accordingly.

##### a) Management of Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities. In doing this, management considers both normal and stressed conditions.

The Company regularly monitors the rolling forecasts and the actual cash flows to service the financial liabilities on a day-to-day basis through cash generation from business and by having adequate banking facilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

	Rs. In Crores		
	Payable within one year	More than one year	Total
<b>As at 31st March, 2022</b>			
<b>Non-Derivative Liabilities</b>			
Trade payable	1,084.46	-	1,084.46

As at 31st March, 2021

**Non-Derivative Liabilities**

Trade payable	896.89	-	896.89
Borrowings	342.49	334.51	677.00
Other Financial liabilities	30.31	15.09	45.40
Derivative liabilities			
Forward exchange contracts	-		-

**b) Management of Market risk:**

The Company is exposed to the following market risks which affects the value of the Financial instruments :

1. Currency risk;
2. Interest rate risk

**i) Foreign currency risk**

Foreign currency risk is the risk that the fair value of or future cash flows of an exposure will fluctuate because of the changes in foreign exchange rates. As at 31st March, 2022, the net un-hedged exposure to the Company on holding such financial assets and liabilities amounts to Rs. 241.88 Crores

The Company manages currency exposures by continuously monitoring the Foreign currency rates with the transaction rate and takes steps to mitigate the risk using Forward/ Derivative contracts.

**Sensitivity to risk**

A 5% strengthening of the INR against foreign currencies to which the Company is exposed (net of hedge) would have led to approximately an additional Gain of Rs. **12.10 Crores** in the Statement of Profit and Loss. A 5% weakening of the INR against these currencies would have led to an equal impact but with opposite effect.

The Foreign exchange forward contracts as at 31st March, 2022 is "Nil" (31st March, 2021 - no contracts)

**ii) Interest rate Risk**

Interest rate is the risk that the Fair value of future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company has Rs. 181.40 Crores Borrowings at Floating rate of Interest as at 31st March, 2022 (previous year Rs. 200.84 Crores).

**Sensitivity to risk**

An increase in interest rate of 1% will likely to affect the profit negatively by Rs. 1.81 crores and a decrease of 1% would have led to an equal impact but with opposite effect.

**c) Management of Credit risk**

Credit risk is the risk of financial loss to the Company if the other party to the financial assets fails to meet its contractual obligations.

**i) Trade receivables:**

Concentration of credit risk with respect to trade receivables are limited as the customers are predominantly original equipment manufacturers (OEs). All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Hence, provision for credit loss is not required to be created as per Expected credit loss (ECL) method. Refer Note (f) for accounting policy on Financial Instruments.

**ii) Other financial assets:**

The Company has exposure in Cash and cash equivalents and term deposits with banks. The Company's maximum exposure to credit risk as at 31st March, 2022 is the carrying value of each class of financial assets as on that date.

## INDEPENDENT AUDITOR'S REPORT

To the Members of Sundaram Hydraulics Limited

Report on the Ind AS Financial Statements

### Opinion

We have audited the accompanying financial statements of Sundaram Hydraulics Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss, (including other comprehensive income) the Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information [hereinafter referred to as "Ind AS Financial Statements"].

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022 and its Profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for opinion

We conducted our audit in accordance with the Standards on Auditing ("SA") specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI), together with the independence requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statements.

#### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the board's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statement, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statement or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and those charged with Governance for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Ind AS.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities ; selection and application of appropriate accounting policies ; making judgements and estimates that are reasonable and prudent ; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the Management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditors' Responsibility for Audit of Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also :-

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Ind AS Financial Statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit finding, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

**"ANNEXURE B" to the Independent Auditor's Report referred to in paragraph 2 (f) of our Report of  
Even Date**

**Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of  
Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting with reference to financial statements of Sundaram Hydraulics Limited, Chennai ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls with reference to Financial Statements**

The Company's Management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to financial statements included obtaining an understanding of internal financial controls

over financial reporting with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to financial statements.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to financial statements includes those policies and procedures that;

- I. pertain to the maintenance of records, that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- II. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- III. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to Financial Statements**

Because of the inherent limitations of internal financial controls over financial reporting with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control with reference to financial statements over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **A. SIGNIFICANT ACCOUNTING POLICIES**

### **Company Overview:**

Sundaram Hydraulics Limited (SHL) was incorporated under the Companies Act, 1956 on December 07, 2007 as a Public Limited Company domiciled in India. The Company is primarily into the business of design, manufacture and distribution of hydraulic cylinders for the domestic and global MCE industry. The company also diversified into manufacturing of axle shafts for dump trucks, cylinders for windmills, and sub-contracting of excavator cylinders for overseas companies. SHL has also been supplying tools and components for air suspension devices and also undertaking job work.

The registered office of the Company is situated at No.21, Patullos Road, Chennai – 600 002 and manufacturing facility is located at Sriperumbudur.

### **a) Basis of preparation**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified under Companies (Indian Accounting Standards) Rules 2015.

The financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently for all the periods presented in the financial statements.

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires the use of estimates and assumptions that impact the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

The Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013.

The Company's normal operating cycle has been ascertained as 12 months based on the nature of products and the time between acquisition of assets for processing and their realization in cash or cash equivalents.

### **b) Basis of measurement**

These financial statements are prepared under the historical cost convention unless otherwise indicated.

### **c) Property, Plant and Equipment:**

Property, Plant and Equipment is stated at acquisition cost net of Cenvat, VAT, GST credits as reduced by accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the assets' carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they were incurred.

Depreciation on Fixed Assets other than Intangibles and Plant and Machinery is provided based on Straight Line basis on the useful life of the asset as provided in the Schedule II of Companies Act 2013.

With respect to Plant and Machinery the company has reassessed the useful life of the asset based on the technical assessment by an external expert and depreciation has been provided on Straight Line basis on such reassessed useful life.

The cost of software relating to ERP is amortized over the estimated useful life viz. 5 years. The cost of other intangible assets are amortized over the estimated useful life viz. 3 years.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

**d) Inventories:**

The stock of raw materials, stores and loose tools are valued at cost (net of GST credits on weighted average basis). The stock of finished goods and work -in-process are valued at cost (net of GST credits including appropriate overheads) or Net realizable value whichever is lower.

**e) Financial instruments**

**i) Financial assets:**

"Financial asset is recognized at fair value. In case of financial assets which are recognized at fair value through profit and loss, its transaction cost are recognized in the statement of Profit and Loss. In other cases, the transaction cost are attributed to the acquisition value of the financial assets.

Financial assets are subsequently classified as measured at:

- i) Amortized cost
- ii) Fair Value through profit and loss
- iii) Fair Value through other comprehensive income"

**ii) Trade receivables and loans:**

Trade receivables are initially recognized at fair value. Subsequently, these assets are held at amortized cost, using Effective Interest Rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

**iii) Investments:**

All investments in equity instruments (other than in Subsidiaries and Associates) classified under financial assets, are initially measured at fair value. Fair Value changes on an equity instruments are recognized in the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognized as 'other income' in the Statement of Profit and Loss.

**iv) Financial liabilities:**

Financial liabilities are initially measured at amortized cost. In case of trade payables, they are initially recognized at fair value and subsequently, these liabilities are held at amortized cost using effective interest rate method.

**f) Provisions and Contingent liabilities:**

Provisions are recognized when the Company has a present obligation as a result of an event, and is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

**g) Revenue Recognition:**

**Revenue from Sale of Products**

Revenue from sale of products is recognized at the point in time when control of the promised goods (an asset) is transferred to the customer, generally when the products are dispatched or appropriated in accordance with the terms of sale. With respect to revenue from sale of wheels, the Company operates predominantly on credit basis. Using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be one year or less. There are no significant accounting judgements, estimates and assumptions relating to determination of the time of revenue from contracts with customers are involved as the contract with customers explicitly states the point in time at which the customer obtains control of the promised goods. The Contract with customers involves performance of a single obligation, the amount stated in the contract is the transaction price allocated to the performance obligation. Incremental Cost incurred to obtain or fulfil a contract with the customers not recognized as an asset, as the amortization period of the assets is less than one year. Revenue is reduced for customer returns, commissions, rebates and discounts, and other similar allowances.

**Contract balances:**

**Contract assets:** A contract asset is the right to consideration in exchange for goods or services transferred to the customer when that right is conditioned on something other than the passage of time. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognized for the earned consideration that is conditional.

**Contract liabilities:** A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Company performs under the contract.

**Other Operating Revenue:**

Other operating revenue comprises of income from ancillary activities incidental to the operations of the Company and is recognized when the right to receive the income is established as per the terms of the contract.

**Interest Income**

Interest income is recognized on a time proportion basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Dividend income is recognized when rights to receive payment is established.

**h) Employee Benefits:**

**Provident Fund**

Eligible employees receive benefits from provident fund which is defined contribution plan, Both the employees and the company makes monthly contribution to the provident fund authorities, equal to specified percentage of eligible covered employees' salary. The company has no other obligations than the monthly contributions.

**Gratuity**

The gratuity plan provides for a lump sum payment to vested employees at the time of retirement, death, incapacity or termination of employment. Liabilities with regard to the gratuity plan are determined by actuarial valuation as at the Balance Sheet date based upon which the Company contributes all the ascertained liabilities to SBI Life Insurance Co. Ltd. who are the administrators of the plan.

Gains and losses through re-measurements of the net defined benefit liability / (asset) are recognized in the Other Comprehensive Income. The actual return of the portfolio of plan assets, in excess of the yield, computed by applying the discount rate used to measure the defined benefit obligation is recognized in Other Comprehensive Income.

**Unencashed Leave Salary**

Unencashed leave salary is accounted on actuarial valuation.

**Others**

Contributions to defined contribution schemes such as employees state insurance, labour welfare fund, etc., are charged as expenses based on the amount of contribution required to be made. The above benefits are classified as defined contribution schemes as the Company has no further defined obligations beyond what has been recognized as expense in the Statement of Profit and Loss.

**i) Foreign Currency Transactions**

Transactions in foreign currencies are accounted at the rates of exchange prevailing as on the date of the transaction. Exchange differences arising on the settlement of such transactions are recognized in the Statement of Profit and Loss.

Monetary assets and Liabilities denominated in foreign currency are reinstated at the rate of exchange prevailing on the reporting date.

**j) Impairment of tangible and intangible assets**

At the end of each reporting period, the Company determines whether there is any indication that its tangible, intangible assets carried at cost have suffered an impairment loss with reference to their carrying amounts. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment loss is recognized, if the carrying amount exceeds the recoverable amount. Recoverable amount is higher of the fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) will be increased to the revised estimate of its recoverable amount, but so however increased carrying amount will not exceed the original carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in statement of profit and loss.

**k) Income Taxes:**

Income tax comprises current and deferred tax. It is recognized in the Statement of profit and loss or to an item recognized directly in Equity or in Other Comprehensive Income.

**Current Tax**

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on net basis.

**Deferred Tax**

Deferred Income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred tax assets are recognized only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available against which the deductible temporary differences can be utilized.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realized or the deferred tax liability is settled.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities.

**l) Leases:**

**Where the Company is lessee**

All outstanding leases as on the date of inception of Ind AS 116 have been recognized as per the Modified Retrospective Method. Lease liability is measured at the present value of the remaining lease payments, discounted at incremental borrowing rate as on the date of initial application. Right of use on leased assets is measured at an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments. For all leases entered into subsequently, Lease Liability is measured on the lease commencement date, on a similar basis as mentioned above. Right of use on leased asset is measured at the value of lease liability, adjusted for (i) prior lease payments, (ii) lease incentives, (iii) initial direct costs incurred by lessee & (iv) estimated removal / dismantling cost of the underlying asset.

After the commencement date, the amount of lease liability is measured by adding the amount interest cost and reducing the amount of lease payments to the value of lease liability. The amount of Right of use on leased asset is depreciated over the life of the underlying asset on a straight line basis. Short term leases and leases with low value of underlying assets are not considered for lease accounting.

**Where the Company is lessor**

The Company's leased out assets are in the nature of operating leases and lease payments received are recognized as income on accrual basis during the lease term.

**m) Earnings per share**

Earnings per share (EPS) is computed by dividing net profit/(loss) after tax for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year.

### 30 Employee Benefits

#### Brief Description of the plans:

The Company has various schemes for long term benefits such as Provident Fund, Superannuation, Gratuity and Earned Leave Encashment. The company contributes gratuity amount to SBI life Insurance Co Ltd. Both the employees and the company make monthly contributions to the provident fund authorities, equal to specified percentage of eligible covered employees salary. The Company has no further obligation than the monthly contributions. The liability in respect of leave encashment benefit to staff is determined on the basis of actuarial valuation and provided for accordingly.

In respect of the Employees Provident Fund Scheme, the fund is being maintained with Regional Provident Fund Commissioner and hence the company has no obligations towards this interest contribution.

The liability in respect of Gratuity is determined on the basis of actuarial valuation and provided for in the Statement of Profit and Loss as on 31/03/2022 are disclosed as below:

Attrition rate	1.00%	1.00%
Salary escalation	5.00%	5.00%
Mortality Rate is IALM (2012-14) Ultimate constantly for both the plans		

**Risk Exposure :**

Through its defined benefit plans, the Company is exposed to some of the general risks such as Interest rate risk, Longevity risk and Salary escalation risk, which are insignificant and not specific to the Company.

The Sensitivity Analysis of the Impact of Changes in the above assumption (by 1.0%) is given in the below tables :

a) Gratuity	Rs. in Lakhs			
	Change in Assumption	Increase in Assumption	Decrease in Assumption	
		2021-22	2021-22	Increase in Assumption 2020-21
	Discount	12,36,965.00	17,91,308.00	12,24,581.00
	Salary escalation	17,95,645.00	12,30,565.00	8,30,369.00
	Mortality	14,85,098.00	NA	NA
	Attrition	15,54,295.00	14,01,748.00	9,62,966.00

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in the assumptions would occur in isolation of one another as some of the assumptions may be correlated.

### 31. Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity shareholders. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

### 32. Financial risk management objectives and policies

The Company's principal financial liabilities, include trade and other payables. The Company has various financial assets such as trade receivables and cash and short-term deposits, which arise directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that the company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

#### Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include loans, deposits and FVTPL investments.

#### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since there is no short term borrowings during the year with variable interest rates, this does not arise.

#### Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency).

The Majority of the Company's revenue and expenses are in Indian Rupees. The risk with respect to exposure in Foreign Currency if any will be mitigated through hedging transactions.

#### Unhedged foreign currency

As at the balance sheet date, the Company's net foreign currency exposure that is not hedged is as follows:

Rs. in lakhs

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments. Management reviews the receivables outstanding frequently and hence there is a very minimal risk.

"The Company's credit period generally ranges from 30-90 days.

#### Provision for expected credit losses

The company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix.

The allowance for Expected Credit loss on Customer balance for the year ended 31<sup>st</sup> March 2022 is Rs.2,57,090.

#### Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure funds are available for use as per requirements. The Company's prime source of liquidity is cash and cash equivalents and the cash generated from operations.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

## **GENERAL RISKS**

Investments in equity and equity related securities involve a degree of risk and investors should not invest any funds in the equity of the Issuing Company unless they can afford to take the risk of losing their entire investment. Shareholders are advised to read the risk factors carefully before taking an investment decision in relation to the Scheme. For taking an investment decision, shareholders must rely on their own examination of the Company and the Scheme including the risks involved. The equity shares being offered in the Scheme have not been recommended or approved by the Securities and Exchange Board of India (“SEBI”) nor does SEBI guarantee the accuracy or adequacy of the Abridged Prospectus. The Scheme does not envisage any issue to the public at large. Shareholders are advised to refer the title “Internal Risk Factors” on Page No. 8 of the Abridged Prospectus before making an investment in this Scheme.

## **BUSINESS MODEL/BUSINESS OVERVIEW AND STRATEGY**

### **Overview**

Sundaram Hydraulics Limited is engaged in the business of design, manufacture, and distribution of hydraulic cylinders for the domestic and global MCE industry.

The Board of Directors of Transferor Company and Transferee Company believe that the proposed Scheme would, inter alia, have the following benefits:

1. The amalgamation will enable product diversification and growth to the Transferee Company
2. This will facilitate expansion of the business of Transferor Company by using the customer base of the Transferee Company.
3. As a combined entity, the amalgamation will help in widening the product offering to the existing strategic customers of both the transferor as well as the transferee company.

4. Will help in achieving consolidation, greater integration and flexibility that will maximize overall shareholder's value and improve the competitive position and negotiating power of the combined entity.
5. Improves organizational capability and leadership, arising from the pooling of human capital who have the diverse skills, talent and vast experience to compete successfully in an increasingly competitive industry.
6. Cost savings are expected to flow from more focused operational efforts, rationalization, standardization and simplification of business processes, elimination of duplication and rationalization of administrative expenses.
7. The amalgamation will result in reduction of multiplicity of entities, thereby reducing compliance cost of multiple entities viz., statutory filings, regulatory compliances, labour law/ establishment related compliances.
