16th December, 2015

Dear Sir,

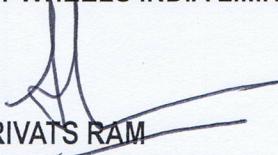

Sub: Update on operation of the Company's factories - consequent to floods in Chennai

The disruption in availability of electricity between 1st Dec and 7th Dec consequent to unprecedented rains in Chennai during end Nov and early Dec affected the operations of the Company's plants in Chennai and Sriperumbudur. The operations were partially affected because of this. However with the timely efforts and cooperation of the employees and the use of Diesel gensets helped the Company to maintain the operations of the Company at a lower level. Due to this the impact on the operations of the Company is not material.

The operations at both the plants have been restored to the normal level effective 7th Dec.

Thanking you,

Yours truly
For WHEELS INDIA LIMITED
