In compliance with the provisions of the Companies Act, 2013 ("Act"), the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR") and the MCA Circulars, the AGM of the Company is being held through VC / OAVM mode.
2. The explanatory statement setting out the material facts pursuant to Section 102 of the Companies Act, 2013 in respect of special business to be transacted at the meeting under item nos. **3 to 6** is provided in Annexure - A to this Notice
3. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a Member of the Company. As the AGM is being held through VC / OAVM in accordance with the MCA circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice
4. Pursuant to MCA Circulars, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Sections 112 & 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or Body Corporate can attend the AGM through VC/OAVM and cast their votes through e-voting. Corporate members intending to authorize their representatives to participate and vote at the meeting are requested to send a certified copy of the Board resolution / authorization letter to the Company
5. The Members can join the AGM in the VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis
6. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
7. The Register of Members and Share Transfer Books of the Company will remain closed from July 11, 2025 to July 17, 2025 (both days inclusive) for payment of dividend on equity shares
8. The Final dividend, as recommended by the Board of Directors, if declared at the meeting, shall be paid to those members whose name(s) appear in the Register of Members of the Company as on July 10, 2025. In respect of shares held in electronic form, the dividend will be paid on the basis of beneficial ownership as per details furnished by the Depositories for this purpose

9. Members holding shares in demat form are hereby informed that bank particulars registered against their accounts will be used by the Company for payment of Dividend. Changes in bank details are only to be advised to the Depository Participants by the Members. Members who are holding shares in physical form and desirous of registering bank particulars or changing bank particulars already registered against their respective folios are requested to write to the Company or Registrar & Transfer Agents, M/s. Cameo Corporate Services Limited, "Subramanian Building", No.1, Club House Road, Chennai – 600 002
10. Pursuant to the provisions of Sections 124(5) and 125 of the Act, final dividend declared for the financial year 2017-18 and dividends declared thereafter, which remain unclaimed for a period of 7 years will be transferred to the Investor Education and Protection Fund of the Central Government (IEPF) Authority. The members who have not encashed their dividend so far for the above financial year or any subsequent financial years are requested to make their claim to the Company. All shareholders are requested to claim their final dividend for the financial year 2017-18 on or before September 19, 2025, being the due date for transfer of unpaid / unclaimed dividend to IEPF
11. Pursuant to the applicable provisions of the Companies Act, 2013 and IEPF Rules, all such shares in respect of which dividend has not been paid or claimed for seven consecutive years are required to be transferred to the Demat account of the IEPF authority
12. Pursuant to the aforesaid provisions, during the year under review, the Company, by way of corporate action, had transferred 2428 equity shares having a face value of Rs.10/- each, pertaining to financial year 2016-17 to the Demat Account of the IEPF Authority maintained with NSDL, in respect of which dividend had remained unpaid / unclaimed for a consecutive period of seven years. In compliance with the relevant provisions of the IEPF Rules, the Company had submitted relevant form / information to its Registrar and Transfer Agents for transfer / transmission of the aforesaid shares of the Company to the Demat Account of the IEPF Authority
13. The members, whose unclaimed dividends / shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web-based form IEPF-5 (as prescribed by MCA) available on the website of IEPF Authority at www.iepf.gov.in and sending the physical copy of the same duly signed along with requisite documents to the Company for verification of the claim
14. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, Regulation 44 of SEBI LODR and circulars issued by MCA, the Company has been providing the facility of remote e-voting to its members in respect of the business to be transacted at the AGM. In this regard, the Company has entered into an agreement with Central Depository Services (India) Limited ('CDSL') for facilitating voting through electronic means, as the authorized e-voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will also be provided by CDSL
15. The members who have cast their vote by remote e-voting prior to the meeting may also attend the meeting by way of VC / OAVM but shall not be entitled to cast their vote again at the meeting. The details indicating the process and manner for voting by electronic means, the time, schedule including the time period during which

the votes may be cast by remote e-voting, the details of the login ID, the process and manner for generating or receiving the password and for casting of vote in a secure manner are provided to the shareholders. The procedures and instructions for 'remote e-voting', 'attending the meeting through VC / OAVM' and 'e-voting at the meeting' are furnished as part of this Notice (Please refer page nos. 15 to 20).

16. The Board of Directors have appointed M/s. S Dhanapal & Associates LLP, a firm of practicing Company Secretaries, Chennai, as the Scrutinizer for conducting the "remote e-voting" process and e-voting at the AGM, in a fair and transparent manner. The Company has engaged the services of CDSL to provide e-voting facilities enabling the members to cast their vote in a secure manner. The e-voting facility will be available at the link www.evotingindia.com. The e-voting period would commence on July 14, 2025 (Monday) at 9:00 A.M. (IST) and conclude on July 16, 2025 (Wednesday) 5:00 P.M. (IST)
17. The Scrutinizer shall submit the consolidated Scrutinizer's Report of the total votes cast in favour of or against, if any, within two working days after the conclusion of the AGM. Thereafter, the results of remote e-voting and e-voting during the 66th AGM shall be declared by the Chairman or a person authorized by him in writing. The Results declared along with the report of the Scrutinizer shall be placed on the Company's website at www.wheelsindia.com and also be displayed on the website of CDSL at www.evotingindia.com immediately after the results are declared and simultaneously communicated to the stock exchanges.
18. The shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of **July 10, 2025**, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting after the e-voting period. Once the vote on a resolution is cast by the shareholder, the shareholder cannot change it subsequently.
19. In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an e-mail to helpdesk.evoting@cdslindia.com
20. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
21. The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. The members holding shares in electronic form are, therefore, requested to submit their PAN to their respective Depository Participants and for the members holding shares in physical form can submit their PAN and Bank mandate to the Company / RTA.
22. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. Other documents referred to in the notice, if any, will be available for electronic inspection. The members seeking to inspect such documents can mail to investorservices@wheelsindia.com.
23. In compliance with relevant circulars issued by the MCA and SEBI, the Notice of the 66th AGM read with instructions to shareholders for e-voting / attending meeting through VC/OAVM and the Annual Report for FY 2024-25 are being sent only through electronic mode to those members whose e-mail addresses are registered with the Company/ depositories. Annexure-A

EXPLANATORY STATEMENT UNDER SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 3

In terms of Section 152(6)(c) of the Companies Act, 2013, one-third of such of the Non-Independent Directors as are liable to retire by rotation, shall retire at every Annual General Meeting. Further, Section 152(6)(d) of the Act provides that the Directors to retire by rotation at every Annual General Meeting shall be those who have been longest in office since their last appointment.

Further, in terms of Regulation 17(1A) of the SEBI LODR, the appointment / continuity as Non-Executive Director who has attained the age of 75 years requires passing of a Special Resolution.

Accordingly, Mr. S Viji, Non-Executive Director is due for retirement and eligible for re-appointment at the 66th AGM. As he is 78 years, his appointment / continuity as a Non-Executive Director requires passing of a Special Resolution pursuant to relevant provisions of SEBI LODR.

Mr. S Viji holds a bachelor's degree in commerce from the University of Madras and a master's degree in business administration from the University of Michigan, Ann Arbor. He is also an associate member of the Institute of Chartered Accountants of India and has more than four decades of experience in financial services and the automotive industry. He has been on the Board of the Company since July 31, 1986. The Board feels that his association with Company is favourable and necessary for the Company for its continual growth. Accordingly, a Special Resolution is submitted for your consent.

The special resolution as set out under Item No. 3 of the Notice is accordingly submitted to the members for consideration. Except Mr. S Ram and Mr. S Viji, none of the other Directors / Key Managerial Personnel of the Company / their relatives is in anyway concerned or interested, financially or otherwise, in the Resolution.

The additional disclosures as required under the Act, Secretarial Standard-II and Regulation 36 of the SEBI LODR have been provided as an Annexure to this Notice.

Item No. 4

The Board of Directors, based on the recommendations of the Audit Committee, at their meeting held on May 20, 2025 had approved the appointment of M/s. Geeyes & Co., Cost and Management Accountants, as Cost Auditor of the Company at a remuneration of Rs.8,25,000/- (Rupees Eight Lakhs Twenty Five Thousand only) per annum excluding applicable taxes and reimbursement of out of pocket expenses, at actuals, to conduct the audit of the cost records of the Company for the financial year ending March 31, 2026.

In accordance with the provisions of the Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor has to be ratified by the shareholders of the Company. Accordingly, consent of the members is being sought for passing the resolution as set out in the Notice for ratification of the remuneration payable to the Cost Auditor for the financial year ending March 31, 2026. The Board recommends the resolution set forth in the Notice for the approval of the Members.

None of the Directors / Key Managerial Personnel / their relatives are, in any way, concerned or interested, financially or otherwise, in this resolution. The Board recommends the proposal as set forth in item no. 4 of the notice for consideration of the members by way of Ordinary Resolution and approval

Item No. 5

Based on the recommendation of the Audit Committee, the Board of Directors recommends the appointment of M/s. S Dhanapal & Associates LLP, Chennai (Firm Registration No.L2023TN014200) (Peer review

Certificate No.1107/2021) for the approval by the shareholders, as Secretarial Auditors of the Company for a period of five consecutive years to hold office from the conclusion of the 66th Annual General Meeting (AGM) and ending at the conclusion of the 71st AGM, to be held in the year 2030 for conducting the secretarial audit for a period of five financial years commencing from April 01, 2025 to March 31, 2030.

Rationale for appointment

M/s. S Dhanapal & Associates was established in 2009 as a sole proprietorship by Dr. S. Dhanapal. In response to growing clientele and increasing service requirements, the firm was reconstituted as a partnership firm during the period 2009–2014. The firm currently comprises three Practising Company Secretaries (Partners) and two in-house legal counsels, offering a strong and experienced team to cater to a wide range of corporate and compliance needs. The firm holds a valid Peer Review Certificate issued by the Institute of Company Secretaries of India (ICSI). Its core service offerings include Secretarial Audit, Business Structuring and Reorganization, Incorporation Services, Compliance under FEMA Regulations, and services related to Intellectual Property Laws.

M/s. S Dhanapal Associates has a well-established client base, including more than 10 listed companies, over 15 government-owned entities, and more than 400 private sector, LLP, and foreign companies.

The firm has confirmed that their proposed appointment is within the prescribed limits, if any, laid down by ICSI and that they are not disqualified under the provisions of the Company Secretaries Act, 1980, and the rules and regulations made thereunder, including adherence to ICSI Auditing Standards.

In view of their qualifications and experience in undertaking Secretarial Audit, it is proposed to appoint M/s. S Dhanapal & Associates LLP as Secretarial Auditors of the Company. The Board, based on the recommendations of the Audit Committee,

recommends a remuneration of Rs.2,25,000/- .plus taxes as applicable and out of pocket expenses for the Financial Year 2025-26. The Remuneration payable to M/s. S Dhanapal & Associates LLP for the Financial Year 2026-27 and thereafter will be as mutually agreed between Board of Directors and Secretarial Auditor.

The Board recommends the Ordinary Resolution set out at Item No. 5 of the accompanying Notice for approval by the Members of the Company.

Interest of Directors and Key Managerial Personnel:

None of the Directors and Key Managerial Personnel of the Company, or their relatives, are interested in the resolution(s).

Item No. 6

Your Company had sought shareholders approval in 64th AGM for the payment Commission to Non Executive Independent Directors for a period of five years commencing from the Financial year ended 31st March 2023. The Commission is being paid to Mr. S Ram, Chairman & Non Executive Director in terms of the approval granted by the members at their 57th AGM held on August 10, 2016.

The Board, based on the recommendation of the Nomination and Remuneration Committee has proposed to pay commission to all the Non Executive Directors (Independent and Non Independent) for a period of five years from the financial year ended 31st March 2025 till 31st March 2029 (both years inclusive).

The Board recommends the proposal as set forth in Item no. 6 of the notice for consideration and approval of the members by way of ordinary resolution.

All the Directors are directly or indirectly is concerned or interested in this resolution. However none of the Key managerial Personnel of the Company or their relatives are in any way concerned or interested in the resolution set out in the notice.

INSTRUCTIONS TO SHAREHOLDERS

A) FOR REMOTE E-VOTING:

- i. The e-voting period shall commence on **July 14, 2025** (Monday) at 9:00 A.M. (IST) and ends on **July 16, 2025** (Wednesday) at 5:00 P.M. (IST). During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **July 10, 2025** (Thursday) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Members who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the members. In order to increase the efficiency of the voting process, pursuant to a public consultation, SEBI has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. The Company proposes to retain the entire amount as surplus in Profit & Loss Account and not to transfer any amount to General reserves.

Share capital

During the year, the paid-up capital of the Company stood at Rs. 24,43,30,120/- consisting of 2,44,33,012 equity shares of Rs.10/- each. There was no change in capital structure of the Company.

Management Discussion and Analysis

Indian economy

In the domestic economy, there has been a slowdown in growth in FY25, due to projects slowing down around elections, disruptions driven by excess rainfall and the volatility in global trade networks in the last two quarters. The real GDP growth is projected to be 6.5% for the year 2024-25 against a strong expansion of 9.2% in the preceding year. The real GDP growth for the year 2025-26 is projected to be around 6.5%, the best amongst large economies, underscoring the inherent strength in India's domestic demand, the nation's biggest growth driver.

Despite heightened global volatility and cross border tensions, the agriculture sector looks positive, supported by healthy reservoir levels and robust crop production that is expected to sustain rural demand. There is expected to be some revival in capex based on higher capacity utilizations and continued government focus on infrastructure and a resilient domestic demand.

While the service sector is expected to be resilient, exports would have to face headwinds related to US tariffs.

The retail inflation has fallen and is expected to be around 4% in the coming year. The RBI, in recognition of inflation control, has signalled lower interest costs in the coming year.

Global economy

The United States' announcement of reciprocal tariffs on April 2, 2025 has put the financial markets around the world in a heightened volatility, raising concerns about the impact on the global economy. The narrative around U.S. tariffs remains tied to bilateral negotiations, with some de-escalation and news of potential trade deals with Japan, Korea and India. It is expected that India will be in a better position vis-a-vis competing countries in its manufacturing exports once the dust settles around the agreements.

However, it is expected the real GDP growth in the US will come down to 1.8% in 2025 vis-a-vis 2.8% in 2024, in light of the trade wars. Similarly, GDP growth in the EU is expected to be marginally less than 0.9% in 2024. The slowdown in the economy will impact demand in the coming year.

Business

The commercial vehicle experienced a marginal de-growth in FY25 compared to previous year. There has been a shift from multi-axle vehicles towards higher load rated tractor trailers bringing in operational cost efficiencies. The adoption of higher horsepower vehicles has resulted in faster turnaround and better utilization of fleets benefitting single axle vehicle usage. There is an increase in both higher tonnage LCVs and higher tonnage SCVs in the market. This is being driven by higher horsepower vehicles across

segments with faster turnaround times. There has been strong growth in the bus segment both inter and intra city transport and school and staff transportation. Your company is a supplier of wheels and air suspension to the segment.

The agricultural tractor market grew by 8% following a 12% de-growth in FY24. This happened on the back of decent reservoir water levels, government support on prices and interest rates, the tractor volumes are expected to grow 5% in FY26. There was a significant industry decline in the global industry in the last year. Your company has commissioned a new tractor wheel line in the month of Mar '25, that will help us widen our product range and increase our presence in domestic and export markets.

Passenger Vehicles (PV) posted its highest ever domestic sales in FY 2024-25 of 4.3 million units, with a growth of 2% as compared to FY 2023-24. Utility Vehicles (UVs) continued to drive growth, now contributing 65% of total PV sales compared to about 60% in FY 2023-24. Penetration of aluminium wheels is around 40%. During the year FY25, we commenced supplies of aluminium wheels to one of the top four passenger car manufacturers. There is increased focus on development of hybrid and electric cars despite the low penetration thus far.

The construction equipment industry had muted growth both in India and the US due to the elections in both countries affecting demand for wheels. This reflected in our wheel, fabrication and cylinder business through the year. While infrastructure development should be better in the current year, the global headwinds are likely to slow growth in the coming year. However, the mining sub-segment that your Company supplies into is likely to see modest growth.

The windmill industry had a flat year as reflected in our supplies to the industry. However, we had a decent ramping up in the business of machining large castings. The industry is likely to show growth in the coming year with increasing renewable penetration in India and globally. In addition to our fabrication and machining business, we continue to invest in and grow the machining of large castings.

Performance

Your company's sales performance broadly reflected the trends in various industry segments and sub-segments that we supply. In the air suspension business the decline of multi-axle trucks affected the business of lift axle suspension. In the last year, we saw a de-growth of exports largely due to uncertainties around the US elections. This reflected in the marginal decline in sales in the last year.

The trends in the various industry segments are likely to reflect some growth in the coming year. In the coming year, despite the global trade uncertainties we are cautiously optimistic about export prospects largely due to new business under development across segments.

In the year under review, your Company benefited from tighter operational control and declining commodity prices. We continue to work on consolidation of plants across locations to improve cost efficiencies. In the coming year, we expect to see some rise in commodity prices due to safeguard duties India has imposed on steel. Your company will continue to work on operational efficiencies to offset this headwind. Your company has increased renewable energy in its energy basket from 26% to 58% in the year under review and this trend is likely to continue in the coming year. We continue to work towards our sustainable

goals across the company's operations. Your company continues to work on improving its free cash flows.

Your company's subsidiary Wheels India Car Wheels Ltd. saw decent growth and a return to profitability on the basis of increased volumes, higher capacity utilization and operational cost improvements. This is likely to continue in the coming year despite lower growth expectations amongst our customers.

We continue to work on deeper engagement with our customers, meeting their increasing expectations of us and have over the year been recognized by them in their supplier conferences, notably by TAFE, Volvo-Eicher, Maruti Suzuki, Escorts Kubota, Bull Equipment. In addition, your Company has been recognized as a star exporter by EEPIC and won awards from ACMA for excellence in manufacturing, digitization and sustainability.

Internal Control Systems

Your Company maintains an adequate and an effective Internal Control System commensurate with its size. The internal control system is supplemented through an extensive internal audit program besides periodic review by the management and the Audit Committee. The Company has in place adequate internal financial controls.

HR and Industrial relations

Your Company considers the employees as its most valuable asset and has initiated several measures including training & development and streamlining work culture and processes across plants. Company is continuously working on its compensation practices and performance management; working off employee satisfaction surveys and working on talent retention. Industrial relations continue to be very cordial across plants.

Financial performance with respect to operational performance

The gross revenues for FY25 is Rs 4,424.86 Crore against Rs 4,619.03 Crore for FY24. The de-growth in revenue is 4.1%, mainly due to drop in the CV business affecting CV wheels and lift axle suspensions for trucks. Our passenger car wheel business, windmill components and hydraulic cylinders have registered a reasonable growth in FY25. During March 2025, your Company commissioned a new plant for the manufacture of agricultural wheels at Mambattu in AP .

The EBITDA for FY25 has grown by 22%, to Rs. 336.31 Crore against Rs 276.35 Crore in FY24 due to a favourable product mix, softening of commodity prices and effective cost management. Depreciation charge has increased in line with higher capitalization & usage of assets . Interest cost moved by 1.2% mainly due to withdrawal of interest subvention benefits on exports for most part of the year. With the growth in operating margins, the net profit grew by 56% to Rs 105.85 Crore.

Business Segment wise details

Business segment wise revenues and earnings before interest and tax (EBIT) is as follows

Segmental Revenue	24-25	23-24	GOLY %
Automotive Components	3,574	3783	-6%
Industrial components	841	824	2%
Revenue from operations	4,415	4,607	-4%

Segmental EBIT	24-25	23-24	GOLY%
Automotive Components	214.83	160.21	34%
Industrial components	35.95	37.29	-4%
EBIT from operations	250.77	197.50	27%

All values are in Rs Crore. GOLY means growth over last year.

In the automotive segment, barring passenger car wheel business, your Company had a de-growth in revenues in the other product categories. In the industrial components segment, windmill components and hydraulic cylinders had growth. EBIT of the automotive segment has grown primarily due to effective cost management and lower steel costs. In the industrial component segment, EBIT had a de-growth of 3.6% as some of the products operated at low utilization levels for part of the year. There are efforts underway to ramp-up and streamline these businesses during FY26.

Key Financial Ratios

The details of key financial ratios as compared to the immediately previous financial year is given below:

S.No.	Analytical Ratios	24-25	23-24	Change %
1	Debtors Turnover	6.32	6.75	-6%
2	Inventory Turnover	4.44	4.43	0%
3	Interest Coverage Ratio	3.06	2.55	20%

FORM NO. MR-3 SECRETARIAL AUDIT REPORT

For the Financial year ended 31.03.2025

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
WHEELS INDIA LIMITED
Chennai

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. Wheels India Limited** (CIN: L35921TN1960PLC004175) (hereinafter called the company). Secretarial Audit was conducted based on records made available to us, in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion/ understanding thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and made available to us and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we, on strength of those records, and information so provided, we hereby report that in our opinion and understandings, the Company, during the audit period covering the financial year ended on **March 31, 2025** appears to have complied with the statutory provisions listed hereunder and also in our limited review, that the Company has proper and required Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minutes' book, forms and returns filed and other records maintained by the Company and made available to us for the financial year ended on March 31, 2025 according to the applicable provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder as applicable;
- ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings to the extent applicable;
- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992('SEBI ACT') to the extent applicable during the year:-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

-
- d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
 - e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018.

We have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS-2).
- ii) The Listing Agreements entered into by the Company with National Stock Exchange of India Limited and The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied in accordance with the requirements to be met with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above to the extent applicable.

It is represented to us that the company has initiated measures, wherever required, to address issues raised by the statutory authorities and letters/notices received by the Company during the financial year under various enactments as applicable to the company.

We further report that, subject to the above, the related documents that we have come across depict that:

The Board of Directors of the Company is constituted as applicable with proper balance of Executive Directors, Non-Executive Directors and the changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaning full participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

We further report that based on our limited review of the compliance mechanism established by the Company, there appear adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the Company has sought the approval of its members for following major events other than transaction of ordinary business at the Annual General Meeting:

- a. Ratification of remuneration to Cost Auditor to conduct the audit of the cost records of the Company for the financial year ending March 31, 2025;

- b. approve the re-appointment of Dr. Rishikesh T Krishnan (DIN:00064067) as an Independent Director of the Company for a second term of five years
- c. To approve under Regulation 17(6)(ca) of the SEBI LODR, the commission payable to Mr. S Ram, Chairman (Non-Executive Director) exceeding fifty percent of the total annual remuneration payable to all Non-Executive Directors of the Company

We further report that our Audit was subjected only to verifying adequacy of systems and procedures that are in place for ensuring proper compliance by the Company and we are not responsible for any lapses in those compliances on the part of the Company. The compliance with provisions of applicable laws which have been subject to other audits have not been independently reviewed by us and the reports wherever shown to us have been relied upon in rendering our report.

We further report that we have conducted the secretarial audit whenever required through online verification and examination of records, as requested and facilitated by the company for the purpose of issuing this Report.

Auditor's responsibility

Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our audit in accordance with the auditing standards CSAS 1 to CSAS 4 ("CSAS") prescribed by the Institute of Company Secretaries of India ("ICSI"). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS. Our report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the company and for which we relied on the report of statutory auditor.
4. Whereever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

GOVERNANCE, LEADERSHIP AND OVERSIGHT

7. Statement by director responsible for BRSR highlighting ESG related challenges, targets and achievements

Sustainability has been integrated into our governance through a Systems approach with ESG as a pillar in our strategy, decision making and operations, along with quality and productivity. An ESG budget allocation with Capex and Revex is driving several initiatives in our sustainability journey. Wheels India is working on the following goals and targets disclosed in BRSR 2023-24, with metrics reviewed by top management every month

1.	RE75 - 75 % electricity from renewable sources by 2026
2.	Carbon neutral by 2033 (Scope 1 & 2)
3.	Water neutral by 2028
4.	Zero waste to landfill by 2030

Several projects are being implemented to reduce energy intensity, water intensity, GHG emission intensity, waste intensity and increase in RE usage enumerated under Principle 6. In FY 2024-25 we achieved a 4.2% reduction in energy intensity and 6.4 % reduction in water intensity, against a target of 5 % and 10 % respectively, despite variance from lower volumes (degrowth by 4.16%) impacting specific energy and water consumption. There was a reduction in GHG emission intensity by 35 % in FY25, aided significantly by an increase in renewable electricity usage from 26.6 % in FY24 to 58 % in

FY 25. Speed of implementation of ESG projects in running plants and adoption of new technologies by employees are challenges we are striving to overcome. We have registered for the CII Greenco rating award to give a fillip to our green initiatives.

There is a focus on learning and development to better align our human resources to achieve ESG goals. Safety continues to be a cornerstone of our operations. Gender diversity is another focus area with several recruitment drives over the past year to increase engagement of females on the shop floor and in the management cadre.

We are also working with our supply chain to cascade the BRSR principles under leadership indicators for mutual benefit. Our engagement with communities to promote inclusive growth and equitable development is ongoing, through our CSR programs enumerated under Principle 8. We continue to strive for ESG excellence through the BRSR framework.

- a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)

Yes, Wheels has implemented procedures to uphold sustainable sourcing practices, with approximately 87% of inputs procured from sustainable sources. These practices are documented in the supplier sustainability policy, which delineates requirements for suppliers in corporate activities. This policy underscores responsible sourcing, forming the basis for strong supplier relationships.

To ensure adherence to high standards, the company screens all business partners based on comprehensive supplier/vendor policies. These policies encompass criteria such as quality service provision, compliance with environmental, health, and safety regulations, and adherence to labor and human rights standards. Additionally, a significant portion of the workforce is locally sourced, promoting sustainable service acquisition. The company utilizes three procedures to evaluate suppliers, including distributing Self-Assessment Questionnaires for analysis, conducting second-party supplier audits to verify contractual compliance, and reviewing third-party sustainability audit reports from independent organizations.

Furthermore, the Company holds certifications under IATF-16949-2016 (Automotive Quality Management System) and Environmental Management Systems (EMS 14001-2015), complementing its sustainable sourcing initiatives. These certifications, combined with relevant policies, fortify the company's commitment to sustainable practices.

3. Details of policies / processes in place to safely reclaim products for reusing, recycling and disposing at the end of life.

At Wheels India, we have implemented two comprehensive policies to address distinct environmental concerns: the Environmental, Health and Safety (EHS) policy and the E-waste policy. Our EHS policy encompasses guidelines for the proper handling and disposal of various materials, including plastic waste, packaging, and hazardous waste, ensuring compliance with applicable legal requirements. Furthermore, we have established a well-documented standard operating procedure (SOP) for material and packaging usage

in our products, with a focus on continuous improvement in environmental, social and governance aspects while meeting sustainability expectations and customer demands.

On the other hand, our E-waste policy specifically targets the systematic disposal of outdated computer peripherals, such as CPUs, monitors, keyboards, mice, and internal accessories. This policy outlines a clear procedure for the removal and storage of e-waste in a designated red-tag storage area, followed by transportation to the scrapyard. Proper entries are recorded in a logbook to maintain an accurate record of the disposal process.

6. Is there a mechanism available to receive and redress grievances for the following categories of employees? If yes, give details of the mechanism in brief.

We have implemented a comprehensive grievance mechanism specifically designed for permanent employees to address any issues / concerns. This system guarantees that all grievances and inquiries arising from employees and workers shall be effectively resolved thereby, minimizing any potential risks. Permanent workers are provided with the same level of support to ensure equity and consistency in addressing concerns.

For non-permanent workers, Wheels India has established access to an HR helpdesk, from where workers can obtain grievance forms. These forms can be submitted either in person or online, offering flexibility and convenience. Each factory is equipped with its own dedicated HR department, which plays a crucial role in managing and resolving grievances for both employees and workers.

This multi-tiered approach ensures that all workers, regardless of their employment status, have access to a fair and effective grievance redressal process. The HR departments at each factory are instrumental in maintaining open communication, addressing issues promptly and ensuring that all grievances are handled with the utmost professionalism and care. This comprehensive system underscores our commitment to fostering a supportive and responsive work environment for all employees and workers.

10. Details of health and safety management system:

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?

We hold certification for OHSMS ISO 45001, which outlines a comprehensive process for managing occupational health and safety risks. Health and safety coverage for employees is ensured through various channels, including ESI (Employee State Insurance), company insurance, workmen compensation policy, and group insurance policy.

To prioritize employee well-being, we operate an occupational health center that provides a wide range of services. These services encompass employee medical care, counseling, awareness programs, participation in health audits, walkthrough surveys, canteen surveys, pre-employment examinations, periodic examinations, first aid, and health promotional activities, among others. These initiatives underscore our dedication to fostering a safe and healthy work environment for our employees.

b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

There are multiple processes in place to ensure a safe working environment and address work hazards. For instance, routine activities are subjected to JSA (Job Safety Analysis) and HIRA (Hazard Identification and Risk Assessment) protocols. Non-routine activities require a work permit system with a risk analysis. The entity also emphasizes the importance of noting safety observations to analyze and address potential hazards.

c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y / N)

Yes, A safety meeting is convened regularly to address any safety concerns raised by workers on the shop floor. These concerns undergo thorough discussion and resolution to ensure the provision of the safest possible work environment for all employees and related staff. Additionally, there exists a system for capturing near-miss incidents reported by employees, which are promptly investigated and resolved.

Moreover, Wheels India Limited (WIL) has introduced a safety action plan for employees, titled Switch on 2 S.A.F.E (Safety Action for Employees). This plan empowers workers to assess, observe and report unsafe conditions within the workplace, promoting a proactive approach to safety. Through the S.A.F.E program, employees are encouraged to actively contribute to enhancing the overall safety culture of the organization.

d. Do the employees / worker of the entity have access to non-occupational medical and healthcare services? (Yes / No)

Yes, they have the available option of utilizing the occupational health center and the in panel medical clinics.

Leadership Indicators

- 1 **Provide the processes for consultation between stakeholders and the Board on economic, environmental and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.**

Processes of consultation / Communication of consultation feedback to the Board
The Company's senior management engages in regular dialogues with key stakeholders, including customers, investors, employees, suppliers and government authorities. Senior management engages in informed discussions and offers feedback to the Managing Director during monthly Management Review Meetings (MRMs), where inputs for subsequent actions are also received. Additionally, comprehensive feedback is provided to the Directors on an annual basis, ensuring transparency and alignment with organizational objectives and stakeholder expectations.

2. **Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.**

Yes
Engagement with stakeholders has resulted in addressing social and environmental topics like health & safety, working conditions & environment, greenhouse gas emissions, energy conservation, environmental aspects / impacts etc. driving our ESG initiatives. It has led us to develop an ESG road map, strategy and targets appropriately with environmental, social and governance goals aligned with stakeholder expectations.

3. **Details of instances of engagement with, and actions taken, to address the concerns of vulnerable / marginalized stakeholder groups.**

Actions taken to address vulnerable/marginalized stakeholder groups
Whenever the need arises, we actively engage with and support vulnerable and marginalized groups. For instance, following the unprecedented rains in December 2023, we provided flood relief, including dry rations, blankets, and tarpaulins, to 500 underprivileged families in Thoothukudi district, Tamil Nadu, through one of our partner CSR NGOs. All our CSR efforts focus on vulnerable and marginalized stakeholder groups as outlined under Principle 8.
Additionally, one of our CSR NGOs, which offers a supplementary education program for underprivileged children in Vyasarpadi near our Chennai plant, expressed concern about the drug problem affecting the mental health of adolescents in the area. In response, we are supporting them by initiating a mental health program aimed at creating awareness, identifying, counseling, and rehabilitating adolescents in need of help.

NOTE: Independent assessment / evaluation has been carried out by NABL approved lab - ABC Techno Labs India Pvt. Ltd.

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2024-25 (Current Financial Year)	FY 2023-24 (Previous Financial Year)
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO₂ equivalent	21099	25108
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO₂ equivalent	38957	70785
Total Scope 1 and Scope 2 emissions per crore rupee of turnover (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations in crores)		13.60	20.81
Total Scope 1 and Scope 2 emission intensity per crore rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations in crores adjusted for PPP)		277.17 MT PPP (USD/INR) crore	476.27 MT PPP (USD/INR) crore
Total Scope 1 and Scope 2 emission intensity in terms of physical output CO ₂ MT per employee and workers		6.87 MT	11.55 MT
Total Scope 1 and Scope 2 emission intensity (optional) – the relevant metric may be selected by the entity	–	–	–

Note: GHG assurance in Padi plant carried out by BVC for 5 year data - 2019, 2021, 2022, 2023, 2024. Padi plant constitutes 50 % of Wheels India energy consumption GHG emission.

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

GREEN HOUSE GAS EMISSION PROJECTS:

Wheels India is committed to reducing its environmental impact and conserving energy resources by continuously reducing energy intensity and GHG emission intensity. Some key initiatives are listed below

Renewable energy usage increased from 26.6% in FY24 to 58 % in FY25, primarily through solar and wind power. Our goal is to achieve 75% in FY26.

Energy savings in compressed air systems by reducing consumption through conversion of pneumatic systems to hydraulic / electrical systems, reduction in air leaks using IoT / digitalization, improving SEC of compressors by reducing operating pressures.

Energy efficiency projects like replacement of inefficient pump/motor assemblies with new technology pump/ motors, upgrade IE2 motors to IE4, usage of variable frequency drives to optimize power, servo hydraulics, PLC controlled idle power switching off of motors and equipment, Digitalization, LED lighting systems, are continuously implemented.

Thermal efficiency improvement projects like heat recovery units to harness waste heat from screw compressors, decarbonization of process heating through heat pumps, heat conserving coatings in ovens, conversion of LDO systems to PNG are in process. Diesel operated forklifts have been replaced by electric vehicles to reduce carbon footprint. Wheels India is continuously improving operational efficiencies coupled with innovation, new and emerging technologies to reduce green house gas emissions to achieve our carbon neutrality goals.

9. Provide details related to waste management by the entity, in the following format:

Parameter	FY 2024-25 (Current Financial Year)	FY 2023-24 (Previous Financial Year)
Plastic waste (A)	230.560	81.690
E-waste (B)	8.46	0.5000
Bio-medical waste (C)	0.01	0.00913
Construction and demolition waste (D)	184.95	20.15
Battery waste (E)	0.26	5.46
Radioactive waste (F)	0	0
Other Hazardous waste. Please specify, if any. (G) - used oil, waste or residues containing oil, phosphate sludge, spent solvents, paint sludge, chemical sludge, paint/oil barrels,	1780.33	1,944.900

Parameter	FY 2024-25 (Current Financial Year)	FY 2023-24 (Previous Financial Year)
Non Hazardous waste. Please specify, if any. (H) (Break-up by composition i.e. by materials relevant to the sector) - metal scrap from process, weld slag, packing wood, cardboard, gloves, cotton rag	65,669.83	2,635.315
Total (A + B + C + D + E + F + G + H)	67,874.390	4,688.024
Waste intensity per crore rupee of turnover (Total waste generated / Revenue in crores from operations)	15.372	1.01756
Waste intensity per crore rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total waste generated / Revenue from operations in crores adjusted for PPP)	313.281 MT PPP (USD/INR) per Crore	23.2800 MT PPP (USD/INR) per Crore
Waste intensity in terms of physical output MT per employee and worker	7.766	0.56 MT
Waste intensity (optional) – the relevant metric may be selected by the entity	–	–
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste		
(i) Recycled	65,542.85	270.20
(ii) Re-used	28.27	2.840
(iii) Other recovery operations	0	0
Total	65,571.12	273.040
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste		
(i) Incineration	1,063.59	1,066.75
(ii) Landfilling	1,239.67	605.11
(iii) Other disposal operations	-	2,635.315
Total	2,303.26	4,307.180

Note : Reason for significant increase in non-hazardous waste in 2024-25 : Aligning with Industry practice and customer requirements, in 2024-25, 63,375 MT of process scrap which is recycled as melting scrap has also been added in waste reporting. Also waste data collection is more complete & comprehensive across plants / units in 2024-25.

No independent assessment / evaluation / assurance has been carried out by an external agency

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

Waste Management Practices:

- Training sessions are provided to each individual who is involved in the generation of waste regarding the type and quantity of hazardous waste generated and ways to mitigate and handle them.
- The generated hazardous wastes are disposed through authorized recyclers / incinerators and TSDF authorized by state pollution control board.
- Practicing reduce / recycle / reuse concepts.

S. No	Name of the Hazardous waste (with category no.)	Activities for which authorization is required	Process at WIL	Process at Disposal
1.	5.1 - Used or spent oil	Generation, collection, storage and disposal to authorized recyclers	Oil barrels will be separated and kept separately. Will be loaded in truck and disposed after weighment	Will be sent for recycling
2.	5.2 - Wastes or residues containing oil	Generation, collection, storage and disposal to pre-processor	Oil residue barrels will be separated and kept separately. Will be loaded in truck and disposed after weighment	Co-processing in cement Industry
3.	12.5 - Phosphate sludge	Common government authorized landfill	Dried sludge from drying bed will be collected in separate PVC barrels and transferred to closed container. Disposed after weighment	Will be treated and sent to landfills
4.	20.2 - Spent solvents	Recovery and reuse – captive	Separation using recovery method and reused	WIL will use the scrap for their internal operations
5.	21.1 Process wastes, residues, and sludges	Generation, collection, storage and disposal to pre-processor	Residue / Sludge barrels will be separated and kept separately. Will be loaded in truck and disposed after weighment	Co-processing in cement Industry
6.	33.1- Empty barrels/ containers/ liners contaminated with hazardous chemicals/ wastes	Recovery and reuse- authorised recycler	Segregation will be done. Will be loaded in truck and disposed through weighment	Will be sent for recycling

7.	35.1 - Exhaust air or Gas cleaning residue	Common government authorised landfill	Will be collected in separate PVC barrels and transferred to closed container and later disposed after weighing the waste.	Will be sent to landfills
8.	35.3 - Chemical sludge from wastewater treatment	Generation, collection, storage and disposal to pre-processor	Dried sludge from drying bed will be collected in separate PVC barrels. Will be loaded in truck and disposed after weighing	Co-processing in cement Industry

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S.No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval/ clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
	NA	NA	NA

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
NA	NA	NA	NA	NA	NA

13. Is the entity compliant with the applicable environmental law / regulations / guidelines in India, such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment Protection Act and Rules thereunder (Y / N). If not, provide details of all such non-compliances.

We are fully committed and compliant with all applicable environmental laws, regulations and guidelines in India, including the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act and Environment Protection Act, along with the rules formulated thereunder.

Leadership Indicators

1. Water withdrawal, consumption and discharge in areas of water stress (in kiloliters):
For each facility / plant located in areas of water stress, provide the following information:
 - i. Name of the area
 - ii. Nature of operations
 - iii. (Water withdrawal, consumption and discharge in the following format:

Parameter	FY 2024-25 (Current Financial Year)	FY 2023-24 (Previous Financial Year)
Water withdrawal by source (in kiloliters)		
I. Surface water	-	-
II. Ground Water	-	-

Total water discharged (In Kiloliters)	-	-

Note: At Wheels India, our business segments do not extend to any region that is categorized and titled as water stressed. Hence, this disclosure would be non-applicable to our operations.

2. Please provide details of total Scope 3 emissions & its intensity.

Parameter	Unit	FY 2024-25 (Current Financial Year)	FY 2023-24 (Previous Financial Year)
Total Scope 3 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tons of CO ₂ equivalent	-	-
Total Scope 3 emissions per rupee of turnover	-	-	-
Total Scope 3 emission intensity (optional) – the relevant metric may be selected by the entity	-	-	-

Note: Currently, we do not monitor Scope 3 emissions. We do have future plans to incorporate scope 3 emissions monitoring to improve the degree of disclosures available in our BRSR.

3. With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

Not Applicable.

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

S. No	Initiatives undertaken	Details of the Initiatives	Outcome of the Initiatives
1	Renewable Energy - solar and wind power	RE increased from 26.6 % to 58 % in power mix	GHG Emission 28,330 tCO ₂ e/Yr reduced
2	Energy Conservation through LED Lighting	100 % conversion of old CFL/MH lamps to LED Lights.	4.29 Lacs Kwh/Yr Saved 352 tCO ₂ e/Yr reduced
3	Energy Conservation through reduction of compressed air consumption	IoT based digital App to monitor and reduce consumption and leaks. Conversion of pneumatic systems to more efficient hydraulic and electrical systems, Hard piping, pressure optimization, Acoustic imaging etc.	Reduction of 10.68 lakh Kwh/Yr, 875 tCO ₂ e/Yr GHG emission avoided
4	Energy efficiency - Compressor Specific Energy Consumption Reduction	Plant operating pressure optimised to 5.2 Bar Existing 7 Bar compressors replaced with 5.5 Bar special compressor to improve Specific Energy Consumption (SEC)	SEC reduced from 0.112 Kwh/m ³ to 0.107Kwh/m ³ Electrcial Energy 1.56 Lacs Kwh/Yr saved 128 tCO ₂ e/Yr GHG emission reduced

S. No	Initiatives undertaken	Details of the Initiatives	Outcome of the Initiatives
5	Decarbonization - Emission Reduction in Fork Lift Operation	All Diesel Fork lift converted to Electrical Forklift, charging through renewable electric energy.	396 tCO2e/Yr reduced
6	Energy efficiency - Pump/Motor assy	Old Pump and Motors replaced with state of the art energy efficient pump and motor with IE3 & IE4.	2.99 Lac Kwh/Yr reduced, 252 tCO2e/Yr GHG emission reduced
7	Decarbonization - Canteen Cooking	Fossil Fuel Boiler in the canteen eliminated by Induction cookware powered through Renewable Energy Source	119 tCO2e/Annum GHG emission reduced
8	Water Neutrality - Ground water re-charging through RWH structures	Hydrogeological survey conducted to identify water aquifers. 7 nos RWH structures constructed based on study.	Ground water charging capacity of 9000 KL/annum
9	Zero waste to landfill / waste to resource project	75 kg/day Bio-digester to process foodwaste from canteen	Food waste converted Bio Gas, processed waste is fertilizer avoiding disposal to landfill.
10	Waste reduction - Sludge reduction in ETP Plant	ETP Chemical sludge reduced by new Chemical	(35.3) Chemical Sludge 70tons/ Yr reduced

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

We do have contingency plans for business continuity in the event of natural disasters, adverse climate change events (such as floods and cyclones), major disruptions in essential services (electricity, water, fuel), supply chain and logistics disruptions, breakdowns of critical equipment or machines, serious manpower or HR issues, pandemics and other emergencies are comprehensively addressed within our quality management systems. These systems include ISO 9001-2015, IATF 16949-2016, ISO 14001, and OHSMS 45001. These standards ensure that we have robust and well-documented procedures in place to maintain operations and minimize impact during such events.

6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.

As of now, we do not monitor these impacts.

7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.

34.58%

8. How many green credits have been generated or procured

A. By the Company: -

B. By the top ten (in terms of value of purchases and sales , respectively) Value Chain Partners : -

PRINCIPLE 7 : BUSINESSES, WHEN ENGAGING IN INFLUENCING PUBLIC AND REGULATORY POLICY, SHOULD DO SO IN A MANNER THAT IS RESPONSIBLE AND TRANSPARENT

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations.

We have affiliations with 8 different industry chambers / associations.

b. List the top 10 trade and industry chambers / associations (determined based on the total members of such body) the entity is a member of / affiliated to:

S. No.	Name of the trade and industry chambers / associations	Reach of trade and industry chambers / associations (State / National)
1.	Madras Chamber of Commerce & Industry	State
2.	Confederation of Indian Industry	National
3.	Automotive Components Manufacturers of Association (ACMA)	National
4.	Society of Indian Automobile Manufacturers	National
5.	Madras Management Association	State
6.	Industrial Waste Management Association	National
7.	Indo American Chamber of Commerce	International
8.	Indo Korean Cultural and Information Centre	International

2. Provide details of corrective action taken or underway on any issues related to anti- competitive conduct by the entity, based on adverse orders from regulatory authorities.

There have been no instances on these grounds.

Leadership Indicators

1. Details of public policy positions advocated by the entity:

S. No.	Public policy advocated	Method resorted for such advocacy	Whether information available in public domain?	Frequency of Review by Board (Annually/ Half yearly/ Quarterly / Others – please specify)	Web Link, if available
NIL*					

* We actively participate in prominent Industrial associations such as CII (Confederation of Indian Industry) and ACMA (Automotive Component Manufacturers Association). Through these Industry bodies, we engage at the state level, influencing and advocating for energy efficiency measures, promoting an increased mix of renewable energy integration into the power grid and advocating strategies and measures to mitigate environmental impacts like flooding due to climate change phenomena.

PRINCIPLE 8 : BUSINESSES SHOULD PROMOTE INCLUSIVE GROWTH AND EQUITABLE DEVELOPMENT.

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Name and brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes/ No)	Relevant Web Link
NA					

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity.

S.No.	Name of Project for which R&R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R&R	Amounts paid to PAFs in the FY (In INR)
NA						

3. Describe the mechanisms to receive and redress grievances of the community.

We provide communities with a facility at our locations, allowing them to express their concerns in writing. These concerns are directed to the relevant departments, which then take the necessary actions and report to the human resources and legal divisions.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers.

Particulars	FY 2025 Current Financial Year	FY 2024 Previous Financial Year
Directly sourced from MSMEs/ small producers	8.08%	8.77%
Sourced directly from within India	88.96%	85.54%

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost.

Locations	FY 2025 Current Financial Year	FY 2024 Previous Financial Year
Rural	55%	55%
Semi-urban	0	0
Urban	1%	1%
Metropolitan	44%	44%

(Place to be categorized as per RBI Classification System - rural / semi-urban / urban / metropolitan)

LEADERSHIP INDICATORS

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

Details of negative social impact identified	Corrective action taken
NA	NA

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies.

S. No	State	District	Amount spent (INR)
1	Tamilnadu	Ramanathapuram	Rs 2,00,000

Project – Provision of Audio-visual teaching equipment and aids like OHP, projector screen, speakers, Tablets etc. for classrooms in 5 village schools in Mandapam block of Ramanathapuram dist., designated by NITI Aayog as aspirational district.

3. Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalized /vulnerable groups? YES

Depending on the procurement feasibility, preference is given to procuring goods from marginalized/vulnerable groups.

In the year 2024-25, GS-Dom, GS-Med, GS-SP (general stores categories) for TN units procured from Kamaraj Blind Welfare Works.

Name of the Marginalized / Vulnerable Group Purchased From	Percentage of Total Procurement (by value)
Kamaraj Blind Welfare works	0.225%

4. Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current fiscal), based on traditional knowledge.

NA

5. Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved.

NA

6. Details of beneficiaries of CSR projects

S. No.	CSR Project	No. Of persons benefited from CSR project	% of beneficiaries from vulnerable and marginalized groups
1.	Supplementary education program (SEP) to support primary school education (Std. 1-8) of underprivileged children in villages / backward areas / slums	2418 children in 77 SEP centres	100 %
2.	Improving livelihood of small / marginal farmers in areas of agrarian distress	640 farmers in 12 villages	100 %
3.	Livelihood skills and vocational training for underprivileged youth and women for gainful employment	270 youth and needy women	100 %
4.	Mental health program for adolescents from underprivileged communities in Vyasarpadi, Chennai, covering 100 students	100 students	100 %
5.	Menstrual health and hygiene program for female students in Thiruvallur dist. of Tamilnadu	500 students from government schools	100 %
6.	support for natural dyeing unit for yarn and fabric in Dindugul, TN.	Promote & preserve traditional knowledge	NA

PRINCIPLE 9 : BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CONSUMERS IN A RESPONSIBLE MANNER.

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

At Wheels India, we have established a structured process for handling customer complaints, which consists of three distinct stages: receiving customer complaints, generating a corrective action report and conducting a customer complaint analysis report (8D).

To address customer complaints, a team-based approach is utilized. The team collectively identifies and describes the problem, selects and verifies interim (containment) actions, investigates the root cause and formulates a corrective action plan. The team focuses on implementing and validating the permanent corrective action to ensure that preventive measures are in place to prevent the recurrence of similar issues.

2. Turnover of products and / services as a percentage of turnover from all products / service that carry information about:

Particulars	As a percentage to total turnover
Environmental and social parameters relevant to the product	NA
Safe and responsible usage	NA
Recycling and / or safe disposal	NA

*All the products, drawings / technical specifications carry information to the extent mandated by local laws, OEM customers, ITTAC / ETRTO / JATMA / the tyre & rim association, inc., national / international codes / standards as applicable under B2B transaction. OEMs provide relevant product information to end user / consumer (B2C). After market wheels carry instructions on product use and maintenance in the warranty card. Wheels manufactured in all plants for on road vehicles - commercial vehicles (trucks), passenger vehicles (buses & cars) are BIS certified for product performance.

3. Number of consumer complaints:

Category	FY 24-25 (Current Financial Year)		Remarks	FY 23-24 (Previous Financial Year)		Remarks
	Received during the year	Pending resolution at end of year		Received during the year	Pending resolution at end of year

Restrictive Trade Practices	0	0	-	0	0	-
Unfair Trade Practices	0	0	-	0	0	-
Other	0	0	-	0	0	-

4. Details of instances of product recalls on accounts of safety issues

Particulars	Number	Reasons for Recall
Voluntary Calls	NIL	NA
Forced Calls	NIL	NA

5. Does the entity have a framework / policy on cyber security and risks related to data privacy? (Yes / No) If available, provide a web-link of the policy.

Framework / Policy	Web Link
IT policy	https://wheelsindia.com/wp-content/uploads/2023/05/Data-privacy-and-security.pdf
At Wheels India Ltd., we have obtained TISAX AL3 label from TUV SUD on information security	

6. Provide details of any corrective actions taken or underway on issues relating to advertising and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services.

Throughout the year, no significant incidents arose necessitating corrective measures in advertising practices, cybersecurity or customer data privacy. Additionally, there were no recurrent product recall occurrences or penalties / actions from regulatory bodies regarding the safety of our products / services.

7. Provide the following information relating to data breaches:

- a. Number of instances of data breaches: 0

No. of Data Breaches	Associated Impacts	Percentage of Data Breaches involving personally identifiable information of customers
NIL	NIL	NIL
NIL	NIL	NIL

- b. Percentage of data breaches involving personally identifiable information of customers: NA

- c. Impact, if any, of the data breaches: NA

LEADERSHIP INDICATORS

1. Channels / platforms where information on products and services of the Company can be accessed

Platforms for Information on Products and Services: www.wheelsindia.com

2. Steps taken to inform and educate consumers, especially vulnerable and marginalized consumers, about safe and responsible usage of products and services.

Details on Steps Taken: NA

3. Mechanisms in place to inform consumers of any risk of disruption / discontinuation of essential services

Details on Mechanisms for notifying Customers: NA

4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes / No / Not Applicable) If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products / services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes / No)

At Wheels India, we strive to adhere to each, and every local law and the requirements set forth by Original Equipment Manufacturer (OEM) customers by displaying pertinent product information on our offerings. Post-market wheels are accompanied by detailed instructions on product usage and maintenance, conveniently packaged within the warranty card. Furthermore, all wheels manufactured across our plants for on-road vehicles, including commercial vehicles (trucks) and passenger vehicles (buses & cars), undergo rigorous Bureau of Indian Standards (BIS) certification to ensure optimal product performance and reliability.

In addition, we actively solicit the feedback we receive from our key customers through regular surveys and via leveraging this invaluable input - gain deeper insight into customer preferences and understand their needs.

STANDALONE FINANCIAL STATEMENTS 2024-2025

INDEPENDENT AUDITOR'S REPORT

To the Members of Wheels India Limited Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Wheels India Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the statement of Profit and Loss (including Other Comprehensive Income), statement of changes in Equity and statement of Cash Flows for the year then ended, and notes to the standalone Ind AS Financial Statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and Profit and Other Comprehensive Income, changes in Equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements

under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements, as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free

from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those

risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the standalone Ind AS financial

statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" to this report a statement on

-
- the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations as provided under (a) and (b) above, contain any material misstatement.
- (v) (a) The final dividend declared and paid by the company during the year in respect of the previous financial year is in accordance with section 123 of the Companies Act, 2013 to the extent it applies to payment of dividend.

(b) The interim dividend declared and paid by the company during the current year is in accordance with section 123 of the Companies Act, 2013 to the extent it applies to payment of dividend.

(c) The Board of Directors of the company have proposed a final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act, to the extent it applies to declaration of dividend.

(vi) Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

(viii) According to the information and explanation given to us, the company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961, as income during the year. Accordingly, reporting under clause 3(viii) of the order does not arise.

(ix) a) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year. Accordingly, reporting under clause 3(ix)(a) of the order does not arise.

b) According to the information and explanations given to us, the company has not been declared wilful defaulter by any bank or financial institution or government or any government authority. Accordingly, reporting under clause 3(ix)(b) of the order does not arise.

-
- c) In our opinion and according to the information and explanations given to us, the term loans were applied for the purpose for which loans were obtained.
 - d) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the company, the Company has not utilised the funds raised on short term basis for long term purposes.
 - e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary or associate companies. Accordingly, reporting under clause 3(ix)(e) of the order does not arise.
 - f) According to the information and explanations given to us, the company has not raised loans during the year on the pledge of securities held in its subsidiary or associate companies. Accordingly, reporting under clause 3(ix)(f) of the order does not arise.
 - (x) a) In our opinion and according to the information and explanations given to us, the Company has neither raised during the year any money by way of initial public offer or further public offer (including debt instruments). Accordingly, reporting under clause 3(x)(a) of the order does not arise.
 - b) In our opinion and according to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares/ fully or partly or optionally convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the order does not arise.
 - (xi) a) To the best of our knowledge and belief and according to the information and explanations given to us, no fraud by the Company or no fraud on the Company has been noticed or reported during the course of our audit.
 - b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - c) We have taken into consideration the whistle blower complaints received by the company during the year while determining the nature, timing and extent of audit procedures.
 - (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company as per provisions of the Companies Act, 2013. Accordingly, reporting under clause 3(xii)(a),(b),(c) of the Order does not arise.
 - (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, where applicable and details of such transactions have been disclosed in the Ind AS financial statements as required by the applicable accounting standards.
 - (xiv) a) In our opinion and based on our examination, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - b) We have considered the internal audit reports of the company issued during the year April 01, 2024 to March 31, 2025.

- (xv) According to the information and explanations given to us and based on our examination of the records of the Company during the year, the Company has not entered into non-cash transactions with directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the company. Accordingly, reporting under clause 3(xv) of the order does not arise.
- (xvi) a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

“Annexure - B” to the Independent Auditors’ Report

Referred to in paragraph 2(f) under Report on Other Legal and Regulatory Requirements of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Wheels India Limited (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including

the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

A. MATERIAL ACCOUNTING POLICIES

a) Basis of Preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified under Companies (Indian Accounting Standards) Rules 2015.

The financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently for all the periods presented in the financial statements.

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

The Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company's normal operating cycle has been ascertained as 12 months based on the nature of products and the time between acquisition of assets for processing and their realisation in cash or cash equivalents.

b) These financial statements are prepared under the historical cost convention unless otherwise indicated.

c) Property, Plant and Equipment

- a) Property, plant and equipment is stated at acquisition cost net of GST credits as reduced by accumulated depreciation and accumulated impairment losses, if any.
- b) Depreciation on Property, Plant and Equipment has been provided under the Straight Line Method in accordance with Schedule II of the Companies Act 2013 except for certain Plant and Equipments.
- c) Leasehold Land: Premium paid on Leasehold Land is amortised over the lease period.
- d) The expenditure during construction period relating to the new project till the commencement of commercial production is capitalised and allocated to the relevant equipments.
- e) In accordance with IndAS 23, the borrowing costs attributable to the qualifying assets that necessarily takes substantial period to get ready for its intended use are capitalised.
- f) Grants received for Investment in Property Plant & Equipment are recognized in Statement of Profit or Loss on a systematic basis over the useful life of the asset.
- g) The cost of software relating to ERP is amortised over the estimated useful life viz., 5 years. The cost of other intangible assets are amortised over the estimated useful life viz., 3 years.
- h) Upon first time adoption of IndAS, the carrying value of all the assets as at Transition date i.e. 01st April 2016 has been considered as its Deemed cost.

d) Goodwill

Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses, if any. Goodwill is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount.

Impairment

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Impairment loss is recognised when the recoverable amount is lower than the carrying amount of the CGU

e) Investments in Subsidiaries and Associates

Investments in subsidiaries and associates are carried at cost less accumulated impairment losses if any.

f) Inventories

The stock of raw materials, work-in-progress, stores, loose tools and goods in transit are valued at cost (net of GST credits) on weighted average basis. The stock of finished goods are valued at cost (net of GST credits including appropriate overheads) or net realisable value whichever is lower."

g) Financial instruments

i) Financial assets:

Financial asset is recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss, its transaction cost is recognised in the Statement of profit and loss. In other cases, the acquisition cost of the financial assets is net of the attributable transaction cost. Financial assets are subsequently classified and measured at:

- i) Amortised cost or
- ii) Fair Value through profit and loss (FVTPL)
- iii) Fair Value through other comprehensive income (FVTOCI)

Trade receivables and Loans:

Trade receivables and Loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using Effective Interest Rate method net of any expected credit losses. The Effective Interest Rate is the rate that discounts estimated future cash receipts through the expected life of financial instrument.

Investments:

All investments in equity instruments (other than in Subsidiaries and Associates covered under (d) above) classified under financial assets, are initially measured at fair value. Fair Value changes on an Equity instruments is recognised in the Statement of Profit and Loss or Other Comprehensive Income, as the case may be. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

ii) Financial liabilities:

Financial liabilities are initially measured at amortised cost. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost using Effective Interest Rate method.

h) Provisions and Contingent liabilities:

Provisions are recognised when the Company has a present obligation as a result of an event and is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligations. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that a outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

i) Revenue recognition:

Revenue towards satisfaction of a performance obligation and when the goods are delivered as per the relevant terms of the contract, measured at transaction price. Service income is recognised once the obligations are performed. Interest income is accrued on a time basis at an applicable effective interest rate. Dividend income is recognised when right to receive the payment is established. Export incentives are recognised as revenue, when exports are made.

j) Employee Benefits**Provident Fund:****(i) Defined Contribution Plan**

Eligible employees receive benefits from Provident Fund which is defined contribution plan. Both, the employees and the Company make monthly contributions to the regional provident fund authorities.

(ii) Defined Benefit Plan

For plants in Tamil nadu , the PF contribution by employee and Employer are managed by Trust . The Company has an obligation to make good the shortfall,if any between the return from the investments made from the trust and the notified interest rate accrued to the employees account.

Gratuity:

The gratuity plan provides for a lump sum payment to vested employees eligible for gratuity at the time of retirement, death, incapacity or termination of employment. Liabilities with regard to the gratuity plan are determined by actuarial valuation as at the Balance Sheet date based upon which the Company contributes all the ascertained liabilities, which is the administrator of the plan.

Unencashed Leave Salary:

Unencashed leave salary is accounted on actuarial valuation and the Company contributes part of the ascertained liabilities, which is the administrator of the plan.

Others:

Contributions to defined contribution schemes such as Employees State Insurance, Superannuation are charged as expenses based on the amount of contribution required to be made. These benefits are classified as defined contribution schemes as the Company has no obligation beyond what has been recognised as expense in the Statement of profit and loss.

k) Research & Development expenses:

Revenue expenditure on Research & Development is charged to profit & loss account in the year in which it is incurred.

l) Leases:

The company has applied IND AS 116 . The Lease liability is initially measured at the present value of remaining payments as at the commencement date discounted using the lessee's incremental borrowing rate. The cost of Right of Use Assets shall comprise of amount of initial measurement of lease liability adjusted for any payments made after or before the commencement of lease term less any lease incentive received. The Leased Assets are depreciated on straight line basis over the period of lease.

m) Foreign Currency Transactions

Transactions in Foreign currencies are accounted at the rates of exchange prevailing as on the date of the transaction. Exchange differences arising on the settlement of such transactions are recognised in the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currency are reinstated at the rate of exchange prevailing on the reporting date."

n) Derivative contracts:

Forward contracts are entered to hedge the foreign currency risk. The profit/ loss arising on these contracts is accounted for as income/ expenditure on the date of settlement of the contract.

The outstanding contracts are Marked to Market on the reporting date and the net loss/ gain arising therefrom is recognised in the Statement of Profit and Loss.

o) Earnings per share:

Earnings per share (EPS) is computed by dividing the net profit/ (loss) after tax for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year. Equity shares issued for bonus issue, rights issue, business combination are considered as it had been issued at beginning off the earliest reported period

p) Income taxes

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Other deferred tax assets are recognised if there is reasonable certainty that there will be sufficient future taxable income available to realise such assets.

Deferred tax assets and liabilities are measured at the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

* GOODWILL

Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses, if any. Goodwill is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount.

CGUs to which goodwill has been allocated are tested for impairment annually, or more frequently when there is indication for impairment. The financial projections basis which the future cash flows have been estimated consider economic uncertainties, reassessment of the discount rates, revisiting the growth rates factored while arriving at terminal value and subjecting these variables to sensitivity analysis. If the recoverable amount of a CGU is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit.

The estimated value-in-use of this CGU is based on the future cash flows using a 2.00% annual growth rate for periods subsequent to the forecast period of 5 years and a discount rate of 10.31%. An analysis of the sensitivity of the computation to a change in key parameters (operating margin, discount rates and long term average growth rate), based on reasonable assumptions, did not identify any probable scenario in which the recoverable amount of the CGU would decrease below its carrying amount.

IMPAIRMENT OF GOODWILL

The Company estimates the value-in-use of the cash generating units (CGUs) based on the future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The discount rates used for the CGUs represent the weighted average cost of capital.

C. Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. The Risk management policies have been established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review and reflect the changes in the policy accordingly.

a) Management of liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities. In doing this, management considers both normal and stressed conditions.

The Company regularly monitors the rolling forecasts and the actual cash flows to service the financial liabilities on a day-to-day basis through cash generation from business and by having adequate banking facilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

b) Management of market risk

The Company is exposed to the following market risks which affects the value of the Financial instruments

1. Currency risk
2. Interest rate risk
 - i) Foreign currency risk

Foreign currency risk is the risk that the fair value of or future cash flows of an exposure will fluctuate because of the changes in foreign exchange rates. As at 31st March, 2025, the net un-hedged exposure to the Company on holding such financial assets and liabilities amounts to **Rs. 40.52 Crores** (Financial Asset)

The Company manages currency exposures by continuously monitoring the Foreign currency rates with the transaction rate and takes steps to mitigate the risk using Forward/ Derivative contracts

Sensitivity to risk

A 5% strengthening of the INR against foreign currencies to which the Company is exposed (net of hedge) would have led to approximately an additional Loss of **Rs. 2.03 Crores** in the Statement of Profit and Loss. A 5% weakening of the INR against these currencies would have led to an equal impact but with opposite effect.

As at 31st March 2025, the Company has 105 open foreign exchange forward contracts as below (31st March, 2024 - 90 contracts)

Currency	Foreign currency exposure	Buy/Sell	No of Contracts
EURO	4,950,000	Sell	33
USD	13,000,000	Sell	72

ii) Interest rate Risk

Interest rate is the risk that the Fair value of future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company has **Rs. 124.36 Crores** Borrowings at Floating rate of Interest as at 31st March, 2025 (previous year Rs. 39.29 Crores).

Sensitivity to risk

An increase in interest rate of 1% will likely to affect the profit negatively by **Rs. 1.24 crores** and a decrease of 1% would have led to an equal impact but with opposite effect.

c) Management of credit risk

Credit risk is the risk of financial loss to the Company if the other party to the financial assets fails to meet its contractual obligations.

i) Trade Receivables:

Concentration of credit risk with respect to trade receivables are limited as the customers are predominantly original equipment manufacturers (OEs). All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Refer Note (g) for accounting policy on Financial Instruments.

ii) Other Financial Assets:

The Company has exposure in Cash and cash equivalents and term deposits with banks. The Company's maximum exposure to credit risk as at 31st March, 2025 is the carrying value of each class of financial assets as on that date.

Return on Equity and Net profit ratio :

The net profit for the year has improved due to lower raw material cost and cost control measures of the company. Increase in the net profit compared to the earlier year is the reason for improvement in these ratios.

Debt service coverage ratio :

Improvement is mainly due to higher EBITDA and lower repayment of long term loans compared to earlier year.

INDEPENDENT AUDITOR'S REPORT

To the Members of Wheels India Limited

Report on the Audit of the Consolidated Ind AS financial statements

Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of Wheels India Limited ("the Holding Company") and its subsidiaries (together referred as "Group"), including an associate company, which comprise the Consolidated Balance Sheet as at March 31, 2025, and the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated Ind AS financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as "Consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on the financial statements of the Subsidiaries and Associate, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its Associate as at March 31, 2025, of consolidated profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements section of our report. We are independent of the Group and its Associate in accordance with the Code of Ethics issued

by Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Ind AS Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements, as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report in respect of Wheels India Limited.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the Consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with

the Consolidated Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Ind AS financial statements

The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated Ind AS financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income and consolidated cash flows of the Group including its Associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its

associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management in Consolidated Financial Statements.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate and to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the Consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit

of the financial statements of such entities included in the Consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision, performance and opinion in respect of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- 1 We did not audit the financial statements of a subsidiary, whose financial statements reflect total assets of Rs. 229.29 Crores as at March

31, 2025, total income of Rs. 470.86 Crores and net cash outflows amounting to Rs.0.69 Crores for the year ended on that date, as considered in the consolidated Ind AS financial statements. The Consolidated Ind AS financial statements also include the Holding company's share of net profit of Rs. 6.53 crores for the year ended March 31, 2025, in respect of one associate, whose financial statements have not been audited by us. These financial statements of the subsidiary and associate company have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and associate and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary and associate is based solely on the reports of the other auditors.

Our opinion on the Consolidated Ind AS financial statements, and our report on other legal and regulatory legal requirements, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

- 2 We did not audit the financial statements of WIL USA Inc., a subsidiary whose financial statements reflect total assets of Rs. 0.57 Crores as at March 31, 2025, total income of Rs. 0.76 Crores and net cash inflows amounting to Rs.0.37 Crores for the year ended on that date, as considered in the consolidated Ind AS financial statements. The financial statements of the subsidiary are certified and furnished by the management and our conclusion on the statement in so far as it relates to the amounts and disclosures included in respect of the subsidiary is based solely on such certified financial statement. In our opinion and according to the explanation given to us by the management, these financial statements are not material to the Group.

Our conclusion on the Statement is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on the financial statements of subsidiary and associate, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

“Annexure - A” to the Auditors’ Report

Referred to in Paragraph 1(f) under Report on Other Legal and Regulatory Requirements section of our report of even date

Report on the Internal Financial Controls over Financial Reporting with reference to aforesaid Consolidated Ind AS Financial Statements under Clause (i) of Sub-Section 3 of Section 143 of the Companies, Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated Ind AS financial statements of the Group as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting of Wheels India Limited (hereinafter referred to as “the Holding Company”) and its subsidiary company and its associate company which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary company, its associate company which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting

of the based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company and associate company, which are companies incorporated in India in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial

controls system over financial reporting of the Holding Company, its subsidiary company and its associate company, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Holding Company, its subsidiary company and associate company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to subsidiary company and one associate company, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

Consolidated - Notes on Accounts

A. Principles of Consolidation

The Consolidated Financial Statements (CFS) relate to Wheels India Limited ('the Company') and the Company's subsidiary and the share of profit in its associate (jointly considered as "Group" hereinafter). The CFS have been prepared on the following basis:

a) Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

The financial statements of subsidiaries are included in the CFS from the date on which control is acquired until the date on which control ceases to exist. The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the Parent (WIL) and its Subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-Group transactions, balances and unrealised gains on transactions between Group Companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the Consolidated Statement of profit and loss, Consolidated statement of changes in equity and balance sheet respectively

b) Associates

The CFS include the Share of profit of an associate company which have been accounted for using equity method as per "Accounting Standard (IndAS) 28 Investments in Associates and Joint Ventures" in CFS. Accordingly, the share of profit of the associate company has been added to the cost of investments.

The difference between the cost of investments in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the CFS as part of the carrying amount .

The financial statements of an Associate and Subsidiary used in the CFS are drawn upto the same reporting date as that of the Company i.e. 31st March, 2025

The CFS have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

Following entities have been considered in the preparation of the Consolidated Financial Statements:

Name of the Entity	Relationship	Country of Incorporation	% of Holding and Voting power
WIL Car Wheels Limited	Subsidiary	India	74.00%
WIL USA Inc.,	Subsidiary	USA	100.00%
Axles India Limited *	Associate	India	9.51%

* By virtue of Articles of Association of Axles India Limited

During the year, the Company has invested an amount of Rs. 2.52 crores in O2 RENEWABLE ENERGY XXVI PRIVATE LIMITED resulting in a holding of 45.06 % of equity share capital in the investee Company.

The Company does not have significant influence over the investee Company and hence is not considered as an associate or related party. Consequently, the Financial Statements of the Investee Company has not been considered in the preparation of the Consolidated Financial Statements.

B. MATERIAL ACCOUNTING POLICIES

a) Basis of Preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified under Companies (Indian Accounting Standards) Rules 2015.

The financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently for all the periods presented in the financial statements.

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

The Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company's normal operating cycle has been ascertained as 12 months based on the nature of products and the time between acquisition of assets for processing and their realisation in cash or cash equivalents.

b) These financial statements are prepared under the historical cost convention unless otherwise indicated.

c) Property, Plant and Equipment

- a) Property, plant and equipment is stated at acquisition cost net of GST credits as reduced by accumulated depreciation and accumulated impairment losses, if any.
- b) Depreciation on Property, Plant and Equipment has been provided under the Straight Line Method in accordance with Schedule II of the Companies Act 2013 except for certain Plant and Equipments.
- c) Leasehold Land: Premium paid on Leasehold Land is amortised over the lease period.
- d) The expenditure during construction period relating to the new project till the commencement of commercial production is capitalised and allocated to the relevant equipments.
- e) In accordance with IndAS 23, the borrowing costs attributable to the qualifying assets that necessarily takes substantial period to get ready for its intended use are capitalised.
- f) Grants received for Investment in Property Plant & Equipment are recognized in Statement of Profit or Loss on a systematic basis over the useful life of the asset.
- g) The cost of software relating to ERP is amortised over the estimated useful life viz., 5 years. The cost of other intangible assets are amortised over the estimated useful life viz., 3 years.
- h) Upon first time adoption of IndAS, the carrying value of all the assets as at Transition date i.e. 01st April 2016 has been considered as its Deemed cost.

**d) Goodwill**

Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses, if any. Goodwill is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount.

Impairment

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. An impairment loss is recognised when the carrying amount of the asset or CGU is lower than its recoverable amount.

e) Investments in Associates

The results, Assets and Liabilities of Associates are incorporated in these financial statement using Equity method of accounting.

f) Inventories

The stock of raw materials, work-in-progress, stores, loose tools and goods in transit are valued at cost (net of GST credits) on weighted average basis. The stock of finished goods are valued at cost (net of GST credits including appropriate overheads) or net realisable value whichever is lower.

g) Financial instruments**i) Financial assets:**

Financial asset is recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss, its transaction cost is recognised in the Statement of profit and loss. In other cases, the acquisition cost of the financial assets is net of the attributable transaction cost. Financial assets are subsequently classified and measured at:

- i) Amortised cost or
- ii) Fair Value through profit and loss (FVTPL)
- iii) Fair Value through other comprehensive income (FVTOCI)

Trade receivables and Loans:

Trade receivables and Loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using Effective Interest Rate method net of any expected credit losses. The Effective Interest Rate is the rate that discounts estimated future cash receipts through the expected life of financial instrument.

Investments:

All investments in equity instruments (other than in Subsidiaries and Associates covered under (d) above) classified under financial assets, are initially measured at fair value. Fair Value changes on an Equity instruments is recognised in the Statement of Profit and Loss or Other Comprehensive Income, as the case may be. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

ii) Financial liabilities:

Financial liabilities are initially measured at amortised cost. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost using Effective Interest Rate method.

h) Provisions and Contingent liabilities:

Provisions are recognised when the Company has a present obligation as a result of an event and is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligations. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that a outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

i) Revenue recognition:

Revenue towards satisfaction of a performance obligation and when the goods are delivered as per the relevant terms of the contract, measured at transaction price. Service income is recognised once the obligations are performed. Interest income is accrued on a time basis at an applicable effective interest rate. Dividend income is recognised when right to receive the payment is established. Export incentives are recognised as revenue, when exports are made.

j) Employee Benefits

Provident Fund:

(i) Defined Contribution Plan

Eligible employees receive benefits from Provident Fund which is defined contribution plan. Both, the employees and the Company make monthly contributions to the regional provident fund authorities.

(ii) Defined Benefit Plan

For certain plants in Tamil nadu , the PF contribution by employee and Employer are managed by Trust . The Company has an obligation to make good the shortfall,if any between the return from the investments made from the trust and the notified interest rate accrued to the employees account.

Gratuity:

The gratuity plan provides for a lump sum payment to vested employees eligible for gratuity at the time of retirement, death, incapacity or termination of employment. Liabilities with regard to the gratuity plan are determined by actuarial valuation as at the Balance Sheet date based upon which the Company contributes all the ascertained liabilities to the Fund Manager.

Unencashed Leave Salary:

Unencashed leave salary is accounted based on actuarial valuation and the Company contributes part of the ascertained liabilities to the Fund Manager.

**Others:**

Contributions to defined contribution schemes such as Employees State Insurance, Superannuation are charged as expenses based on the amount of contribution required to be made. These benefits are classified as defined contribution schemes as the Company has no obligation beyond what has been recognised as expense in the Statement of profit and loss.

k) Research & Development expenses:

Revenue expenditure on Research & Development is charged to profit & loss account in the year in which it is incurred.

l) Leases:

The company has applied IND AS 116. The Lease liability is initially measured at the present value of remaining payments as at the commencement date discounted using the lessee's incremental borrowing rate. The cost of Right of Use Assets shall comprise of amount of initial measurement of lease liability adjusted for any payments made after or before the commencement of lease term less any lease incentive received. The Leased Assets are depreciated on straight line basis over the period of lease.

m) Foreign Currency Transactions

Transactions in Foreign currencies are accounted at the rates of exchange prevailing as on the date of the transaction. Exchange differences arising on the settlement of such transactions are recognised in the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currency are reinstated at the rate of exchange prevailing on the reporting date."

n) Derivative contracts:

Forward contracts are entered to hedge the foreign currency risk. The profit/ loss arising on these contracts is accounted for as income/ expenditure on the date of settlement of the contract.

The outstanding contracts are Marked to Market on the reporting date and the net loss/ gain arising therefrom is recognised in the Statement of Profit and Loss.

o) Earnings per share:

Earnings per share (EPS) is computed by dividing the net profit/ (loss) after tax for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year.

p) Income taxes

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Other deferred tax assets are recognised if there is reasonable certainty that there will be sufficient future taxable income available to realise such assets.

Deferred tax assets and liabilities are measured at the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

*GOODWILL

Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses, if any. Goodwill is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount.

CGUs to which goodwill has been allocated are tested for impairment annually, or more frequently when there is indication for impairment. The financial projections basis which the future cash flows have been estimated consider economic uncertainties, reassessment of the discount rates, revisiting the growth rates factored while arriving at terminal value and subjecting these variables to sensitivity analysis. If the recoverable amount of a CGU is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit.

The estimated value-in-use of this CGU is based on the future cash flows using a 2.00% annual growth rate for periods subsequent to the forecast period of 5 years and a discount rate of 10.31%. An analysis of the sensitivity of the computation to a change in key parameters (operating margin, discount rates and long term average growth rate), based on reasonable assumptions, did not identify any probable scenario in which the recoverable amount of the CGU would decrease below its carrying amount.

Impairment of goodwill

The Company estimates the value-in-use of the cash generating units (CGUs) based on the future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The discount rates used for the CGUs represent the weighted average cost of capital.

B. Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 hierarchy - Includes Financial Instruments measured using quoted prices in the active market.

Level 2 hierarchy - The Fair value of Financial Instruments that are not traded in an active market, is determined using valuation techniques which maximise the use of observable market data.

Level 3 hierarchy - Includes Financial Instruments for which one or more of the significant inputs are not based on observable market data. This is applicable for unlisted securities.

- ii) The Fair value of an Equity Instrument classified as at Fair value through Other Comprehensive Income included under Level 3 Investments was valued by Registered valuer taking a combination of comparable companies multiple method and Discounted cash flow method in the previous year.
- iii) There are no transfers between Level 2 and Level 3 during the year.
- iv) Trade Receivables, Trade Payables, Cash and Cash Equivalents and Other Financial Assets and Liabilities are stated at amortized cost which approximates their fair value.

C. Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. The Risk management policies have been established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review and reflect the changes in the policy accordingly.

a) Management of Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities. In doing this, management considers both normal and stressed conditions.

The Company regularly monitors the rolling forecasts and the actual cash flows to service the financial liabilities on a day-to-day basis through cash generation from business and by having adequate banking facilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

Other Financial liabilities	43.09	10.78	53.87
Derivative Liabilities			
Forward exchange contracts	1.39		1.39

b) Management of Market risk:

The Company is exposed to the following market risks which affects the value of the Financial instruments:

1. Currency risk;
2. Interest rate risk

i) Foreign currency risk

Foreign currency risk is the risk that the fair value of or future cash flows of an exposure will fluctuate because of the changes in foreign exchange rates. As at 31st March, 2025, the net un-hedged exposure to the Company on holding such financial assets and liabilities amounts to **Rs. 40.52 Crores** (Financial Assets).

The Company manages currency exposures by continuously monitoring the Foreign currency rates with the transaction rate and takes steps to mitigate the risk using Forward/ Derivative contracts.

Sensitivity to risk

A 5% strengthening of the INR against foreign currencies to which the Company is exposed (net of hedge) would have led to approximately an additional loss of Rs.2.03 Crores in the Statement of Profit and Loss. A 5% weakening of the INR against these currencies would have led to an equal impact but with opposite effect.

As at 31st March 2025, the Company has 105 open foreign exchange forward contracts as below (31st March, 2024 - 90 contracts).

Currency	Foreign currency exposure	Buy/Sell	No of Contracts
EURO	4,950,000	Sell	33
USD	13,000,000	Sell	72

ii) Interest rate Risk

Interest rate is the risk that the Fair value of future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company has Rs. 124.36 Crores Borrowings at Floating rate of Interest as at 31st March, 2025 (previous year Rs. 39.29 Crores).

Sensitivity to risk

An increase in interest rate of 1% will likely to affect the profit negatively by Rs. 1.24 crores and a decrease of 1% would have led to an equal impact but with opposite effect.

c) Management of Credit risk

Credit risk is the risk of financial loss to the Company if the other party to the financial assets fails to meet its contractual obligations.

i) Trade receivables:

Concentration of credit risk with respect to trade receivables are limited as the customers are predominantly original equipment manufacturers (OEs). All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Refer Note (g) for accounting policy on Financial Instruments.

ii) Other financial assets

The Company has exposure in Cash and cash equivalents and term deposits with banks. The Company's maximum exposure to credit risk as at 31st March, 2025 is the carrying value of each class of financial assets as on that date.
